INTRODUCTION

=====

You can find several numbers of restaurants around Sumaru City. And you can buy food from them.

Each food has an effect that will increase your status. Like Vitality, Luck, etc. Of course, it's only temporary; in about 20 minutes, your status will move down to the ones before you eat the food.

STATUS TRANLATIONS

=====

STR = Strength (attack)

VIT = Vitality (hit point)

TEC = Technic (summon point)

AGI = Aggressive

LUC = Luck
