After you have gotten ALL other Hidden Gloves, go back to the Witch in the Lobby, and she will give you the final Hidden Glove.

-----IMITATOR-----

Preliminary : MOAI STAGE : Appears randomly in this stage when the Moai Heads are thrown, looks like a White Glove. Just move into it to get it. (Note : This is Riddle 1 on Disk 17)

-----MIST-----

Preliminary : ICE STAGE : Pick up a Penguin, and do a Jump Throw (X then triangle). A White Glove will fall out of it. Grab it. (Note : This is Riddle 1 on Disk 19)

-----LUCKY X2-----

-----SHUFFLE-----

Main Event : FINALS : Run around until you get stuck at an INVISIBLE Object. (Imagine an Invisible Large Rock) Pick it up with X, and a White Glove will jump out of it. (Note : This is Riddle 2 on Disk 18)

-----EMPEROR-----

Defeat the Last Boss (Kally), and this Glove will fall out of him. (Note : This is Riddle 1 on Disk 20)

-----JOKER-----

Main Event : Stage Killers : Finish 1st in the Finals Stage after you have gotten all Disks, and you will be given an option to fight in another Stage,

called Stage Killers. Accept and you will have to fight 3 Monsters at once.
Kill the Smallest Monster first, and a White Glove will fall out of the Little
Monster. Grab it. (Note : This is Riddle 1 on Disk 18)

-----GHOST-----

Main Event : LAST STAGE : Start the match by hitting Kali/Kally like normally,
but you must not get hit or lose ANY Damage! After about 3-4 Minutes of pelting
Kali with various weapons, a White Glove will appear IF you have not lost any
