## 1. Introduction

---

Ok, this is my first FAQ, so excuse any little quirks or annoyances here and there. As it is with most FAQs,

I probably won't find everything on my own. So, if you have a piece of juicy information THAT HAS TO DO WITH THIS FAQ, feel to send your submissions to OTACON120@webtv.net. Also, if you

have any questions, also send those in, as I'm planning on adding an FAQ section to this... umm... FAQ... for questions asked by you, if I get any questions, and if you find any specials or combos that do not work, be sure to report them to the e-mail address above, and if you find any specials or combos that DO work that have been reported not to work, be sure to report those too. **\*\*MAKE SURE THAT WHEN YOU SUBMIT SOMETHING, TELL WHAT NAME YOU WOULD LIKE TO BE REFERED TO AS (REAL NAME OR AN ALIAS) AND TELL WHETHER YOU WOULD LIKE YOUR E-MAIL ADDRESS TO BE SHOWN OR WITHHELD.** If you do not tell either of the above mentioned, you will be reffered to as either the first part of your e-mail address, or whatever name is shown after your e-mail address, and if you do not tell to withhold your e-mail or not, your e-mail will be shown until told to withhold it.\*\* Well, now the boring part is over. On to the FAQ! (Or at least a little closer to it. ^\_^ )

## 2. Updates

---

12/7/00 - v 1.0 -- The first version of the FAQ. Just the basics, but more coming soon.

12/10/00 - v 1.5 -- Got some specials for Hilary Clinton, sent in by Robert Dell-Ross (gt7451a@prism.gatech.edu), other than that, not a whole lot else happenin'.

12/14/00 - v 2.0 -- Today is my birthday, so I'm updating to celebrate! >=) I've been getting plenty of e-mail concerning how to unlock Rumbleman, so I have now included quick but specific ways to unlock each character.

12/29/00 - v 2.5 -- Well, I have been getting flooded with e-mails, and they all look about the same, a little like this: "I tried to get Rumbleman using your strategy FAQ, but it didn't work, I have all the extra characters, so I have beaten the game 10 times, then I switched to hard mode and beat it but still nothing happened. What's the problem?", So at the moment, this is the exact number of e-mails I have recieved like the one above: 77 current e-mails. If I ever update this more, I will show the current amount of e-mails like that one above, just for your enjoyment >=) Anyway, I restarted my game, and I think I figured out the problem. Check out the Rumbleman section.

12/31/00 - v 3.0 -- Happy New Year! It's currently 10:06 Central Time over here where I'm at, and I'm bored, but I've got an update! I've added a "Quick Queries" sextino, where I will show questions that have been e-mailed to me (about the secret characters in some way), and I have answered them. This is there so it might help people who might have the same questions. It is now under heading # 6. where the Credit was.

### 3. Key

---

Here is the key for the different button commands:

U = Up  
D = Down  
F = Forward  
B = Back  
LH = Left High  
LL = Left Low  
RH = Right High  
RL = Right Low

Anything with a + in between them means that those are pressed simultaneously (at the same time)

---

### 4. How To Get Secret Characters

---

Well, plain and simple. Just beat all 12 boxers, like normal. Every time you do, a secret character will be unlocked. The secret characters will be listed in the order that they are unlocked. \*SIDE NOTE\* Asterisks (\*) simply separate moves from each other. Nothing more.

## 6. Quick Queries

---

Here is where I answer questions about the secret characters that have been sent to me through e-mail ( OTACON120@webtv.net). Questions along the lines of "I beat Arcade 12 times but [Insert Character] and [Insert Character] still haven't shown up? What's wrong?" will still be accepted, but will not show up here.

Question:

From: SLiMSHaDY2o7@aol.com

Date: Sat, Dec 30, 2000, 10:55am (CST+1)

To: OTACON120@webtv.net

Subject: R2R : Round 2 Question

Hey I got a question for ya, How do you save the secret characters after you get them....if you could tell me that would be cool.

Later man

Answer:

Well, after you have unlocked the secret characters you want to save, go to Championship Mode and save. Then whenever you want to load your secret characters, go into Championship Mode and load the file you saved. Every secret character you had saved onto that file should automatically show up.
