1. The Exposition \*\*\*\*\*  
\*\*\*\*\*

Doctor Octopus: Technology is the light that can cut through the darkness. When humanity conforms to a single truth, a truth based in technical progress and scientific method, we will be unstoppable. I Doctor Otto Octavius vow as a scientist and businessman that my duties to humankind will be fulfilled. Thank you. Thank you.

Peter Parker: Yeah nice words Octavius, if these executives knew you the way I do. I wonder if they'd be so quick to applaud.

Eddie Brock: Just keep shooting Eddie. When J Jonah Jameson sees these photos my career is going be right back on track.

Security Guard 1: Check one, where's your twenty?

Security Guard 2: Dispatch H, all is...

Doctor Octopus: Who dares? Face me coward, face a worthy foe. Spider-man?

Peter Parker: Last time I checked, I was Spider-man.

Eddie Brock: Spider-man, what's he doing?

Peter Parker: Gotta get into my costume and take out this imposter. Can't get free of this crowd.

Eddie Brock: Can't get a shot. Jameson would pay any price to get this kind of dirt on Spider-man.

Peter Parker: That was Eddie Brock.

Eddie Brock: Who the? He looked familiar. Whatever, stay focused. He's stealing Octavuis' device. Oh no, he sees me. My camera, noooooo. Ah it's over, it's all over. I blew it again, I can hear Jameson's voice already.

Imaginary J Jonah Jameson: Brock you loser. If I had given a real photographer that job I would finally have the evidence to send Spider-man away forever. You're through Brock. When I am done with you, you won't be able to get a job taking wedding pictures in Siberia.

Eddie Brock: I tried to fight it, can't fight him anymore.

Venom: Again innocence falls prey to the evil of Spider-man. Rest easy Brock, Venom is here, and if it's the last thing we ever do, Jameson and the insect are going pay.

Doctor Octopus: Phase one complete, let us begin phase two.

Carnage: Hehehehehe yes it begins hahahahaha very soon.

Doc Ock and Carnage: Hahahahahahahaha.

\*\*\*\*\*  
2. Choppers Down \*\*\*\*\*  
\*\*\*\*\*

Cop in helicopter 1: Eagle one to tower, ten thirty-three in progress, en route to bank.

Cop in tower: Roger Eagle one, keep your eye out for Spider-man.

Cop in helicopter 2: If Halloween boy shows up, he's one dead bug.

Cop in helicopter 1: New York City Police department, cease and desist at once. Lay down your arms and prepare to be ahhhhh.

Spider-man: These guys are serious.

\*\*\*\*\*  
3. Scorpion's Here \*\*\*\*\*  
\*\*\*\*\*

Spider-man: Jonah, I have shots of the bank robbery...

J Jonah Jameson: Parker shut up and dial 911. Scorpion's here, you have to...

\*\*\*\*\*  
4. Scorpion Attacks \*\*\*\*\*  
\*\*\*\*\*

J Jonah Jameson: Listen Gargan, it's a new millennium, lots a high tech. There may be some way we can get you out of that suit.

Scorpion: You put me in this suit, now I'm going to make you pay.

J Jonah Jameson: Get over it Gargan.

Scorpion: You ruined my life, so now I'll end yours.

\*\*\*\*\*  
5. Get Him Officers \*\*\*\*\*  
\*\*\*\*\*

J Jonah Jameson: I don't know what you're trying to pull by saving my life, but it won't work.

Spider-man: Oh you're just too clever for me JJ.

J Jonah Jameson: There he is officers. The man behind the science expo heist. Shoot him now, shoot him.

Spider-man: JJ you're out of the will, I mean it this time.

DareDevil: Hold it Spider-man. I don't want to believe that you pulled the heist today, but I've got to make sure.

Spider-man: DareDevil, I haven't got time to explain.

DareDevil: Just tell me your side of it. I'll know if you're lying.

Spider-man: How am I supposed to know you're the real DareDevil?

DareDevil: What?

Spider-man: Listen it's true. A Spider-man made off with Octavius' new invention, but not the Spider-man, not me. Somebody's framed me. Why? I don't know yet and if New York's finest catch me, it may be too late.

DareDevil: Then you better get going. NYPD is coming fast.

Spider-man: That's it, you believe me?

DareDevil: I don't have to believe you. I know you aren't lying.

Spider-man: But how?

DareDevil: Let's just say, you've got your super powers and I've got mine. I'll spread the word about your innocence, not that it'll help with the cops. Good luck.

Spider-man: Since when of I had and, uh oh.

\*\*\*\*\*  
6. Venom's Threat \*\*\*\*\*  
\*\*\*\*\*

Cop in helicopter: Impact with a transmitter tower, I'm out of pursuit. I've gotta land this thing now.

Spider-man: Hey you going pay for that tower. Uh oh, spider-sense tingling. One more step and it's a load of web fluid sticking you to that wall.

Black Cat: Well it's not the most romantic proposition I've ever had.

Spider-man: Black Cat, I'm so glad it's you.

Black Cat: Good to see you to, big boy, but you got a problem. Venom's got control of the jumbo tron at Times Square. He's been ranting for hours with a message for you.

Spider-man: Venom's ugly face on that big screen, now that's scary.

Black Cat: That's not all. Rhino's on a Rampage over at Omnitec as well.

Spider-man: What is this, the bad guy Olympics? Look Times Square is on the way to Omnitec. Let's find out what Venom's up to, then we'll tackle Rhino.

Venom: Hahahaha the Venom marathon continues on the biggest TV in New York. We're shouting out to the whole big rotten apple here people. Hahahaha.

Spider-man: Sad thing is, he'll probably get his own talk show after this.

Venom: So we've got this beautiful redhead. You know her, she's one of those famous bimbos. We have decided that this poor little lassie has twenty-four hours to live. Twenty-four hours. Oh by the way, her name is Mary Jane Parker.

Spider-man: No, Mary Jane.

Venom: So just incase someone, I don't know who it could be. If any of you tight wearing freaks out there wanna save little miss fashion model. Then bring it on. Meanwhile New Yorkers, the Venom marathon will continue.

Black Cat: Listen you realize what this means. Forget about helping me at Omnitec, I can handle Rhino.

Spider-man: Rhino by yourself? Thanks Cat, but no thanks. Look being Spider-man has given me a lot and taken a lot away. But one thing never changes. My responsibility to use my powers for others before myself, no matter what the cost. There are innocent people at Omnitec and they need our help right now. I won't let them down. Then I'll stop Venom and this time it's for the last time.

\*\*\*\*\*  
7. Where's Rhino \*\*\*\*\*

\*\*\*\*\*  
Spider-man: We're too late, that makes two major technology heists in two days.

Black Cat: That leaves one question. Where's Rhino? Ahhhh

Spider-man: CAT!

Rhino: Well if it aint bug boy.

Spider-man: Uh oh.

\*\*\*\*\*  
8. Rhino Defeated \*\*\*\*\*  
\*\*\*\*\*  
Spider-man: Uh oh, spider sense tingling. Oh the boys in blues again, better hide. Best seat in the house. Octavius, what's he doing here?

Doctor Octopus: Please stand back officers, allow me.

Spider-man: Doc Ock helping the police, maybe he is reformed. Ock's taken care of Rhino. I need to find out what happened to Black Cat.

Peter Parker: This is a job for Peter Parker, not Spider-man.

Black Cat: Eh, eh, eh.

Peter Parker: Hey wait, Cat, Cat, it's Peter.

Black Cat: Peter help me, they're not really paramedics.

Doctor Octopus: Perfect, perfect. Hahahahaha.

Doc Ock and Carnage: Hahahahahaha.

\*\*\*\*\*  
9. Venom's Challenge \*\*\*\*\*  
\*\*\*\*\*  
Spider-man: Well that's my story Johnny.

Human Torch: Looks like you're in a lot of trouble. You'll find Venom.

Spider-man: But how? Venom is invisible to my spider sense.

Human torch: Knowing your luck, Venom will find you. Have faith Spidey.

Spider-man: Where could she be? I gotta find her, I've got no choice.

Venom: Hahahahaha, waaah waaah waaah. What a wuss. Hey wanna race? Parker hates it when I get the drop on him.

Spider-man: I hate it when he gets the drop on me

\*\*\*\*\*  
10. Face Off \*\*\*\*\*  
\*\*\*\*\*  
Venom: Where'd spider-wuss go? Spider-wuss come out and play.

Spider-man: Tag.

\*\*\*\*\*

11. Into The Sewers \*\*\*\*\*  
\*\*\*\*\*

Venom: Ahhhhhhhhhhhhhhhhh.

Spider-man: Ahhhhhhhhhhhhhhh.

\*\*\*\*\*  
12. Spidey Attacked \*\*\*\*\*  
\*\*\*\*\*

Venom: Hahahahaha.

Spider-man: Oh no, ahhhhh.

Venom: Got to stop falling for us Parker.

\*\*\*\*\*  
13. Venom Defeated \*\*\*\*\*  
\*\*\*\*\*

Spider-man: Why Venom? Why did you come back?

Venom: You should know Spider-man. The heist you pulled at the science expo. You're the bad guy this time.

Spider-man: You idiot, think Eddie, think back to that day. I was with you on the crowd. The imposter Spider-man was on stage. He burned both of us and now we've been played against each other.

Venom: You're right Parker.

Mary Jane: Ahhhhhhhhhhh.

Spider-man: Mary Jane.

Venom: Gotcha, you and your wife are innocent Parker, our bad.

Spider-man: Our bad, our bad, I'm going kill you.

Mary Jane: Peter Parker, just get me out of here now.

Venom: Bummer, you're in the dog house now dude.

Spider-man: Coming Honey.

Spider-man: So we're partners but only for now. After we bust those tech thieves, it's pay back time for kidnapping my wife.

Venom: Eh jeez, one little mistake, we said we're sorry.

Spider-man: Yeah whatever. Now the imposter was a shape shifter, so that means it was either Mysterio or the Chameleon.

Venom: Hey chameleon was our idea, we thought of that.

Spider-man: Think of this Einstein. Who could've wanted to steal Octavius' technology?

Venom: Oooh oh, we know, we know.

Spider-man: Who?

Venom: The Submariner.

Spider-man: Submariner? Get serious will ya.

Venom: The mighty Thor.

Spider-man: Are you out of your mind? Don't answer that.

Venom: Galactus.

Spider-man: Forget it Eddie, I need Jameson's help on this. We're going to the Bugle.

Venom: Jameson, we hate Jameson.

Spider-man: You bonehead, we're not going to see Jameson, we're going to use his computer database.

Venom: Ooooooh are we going surf the web?

Spider-man: Let's just go, okay.

\*\*\*\*\*  
14. Symbiotes \*\*\*\*\*  
\*\*\*\*\*

Spider-man: Here it is, the records room.

Venom: Surf the web, surf the web.

Spider-man: Shut up Brock, we don't have time.

Venom: Parker wait. Could it be?

Spider-man: Could what?

Venom: Yes, we sense our other.

Spider-man: Who, sense who?

Venom: It's our other, the symbiote known as Carnage. We must stop him.

Spider-man: Now?

Venom: Yes now, we have no choice.

Spider-man: Great make more noise, I'm only breaking and entering here. Spider sense tingling, now what? Spidey whoever's behind all this, symbiotes.

\*\*\*\*\*  
15. The Imposter \*\*\*\*\*  
\*\*\*\*\*

Spider-man: I gotta say, you look just like me except you're more angry back alley than friendly neighborhood.

Imposter Spider-man: Ooh for decades I've wanted to shut that mouth of yours.

Mysterio: Finally that time is upon me, and now I will crush you once and for all ahahahahaha. Now little spider, you will die.

Spider-man: Heh, is it too late for us to be friends?

\*\*\*\*\*  
16. Mysterio Reveals Plan \*\*\*\*\*  
\*\*\*\*\*  
Spider-man: Right now you're thinking, if only you'd taken that giant act to Vegas instead.

Mysterio: Curse your endless babble Spider-man.

Spider-man: Speaking of babble, let's hear it. Who's behind all this?

Mysterio: I'll never tell you. Mysterio may be defeated but the symbiote invasion cannot be stopped.

Spider-man: Symbiote invasion, there are more of them?

Mysterio: You fool, there will be more than you can imagine. That fog which blankets the city is preparing everyone in New York for symbiosis.

Spider-man: You're the fool Mysterio. Where are they coming from?

Mysterio: Go then, on the waterfront, warehouse 65, the secret passage. If only I could watch them destroy you.

Spider-man: Whoever your boss is, he's off his rocker. No one can control the symbiotes.

Mysterio: Correction, no one before now.

Spider-man: Spare me the propaganda. Okay, this isn't a game Mysterio. The symbiotes will destroy everything in their path unless I can stop them.

\*\*\*\*\*  
17. Warehouse 65 \*\*\*\*\*  
\*\*\*\*\*  
Microchip: I'm here Frank, what's up?

Punisher: Spider-man's here Microchip.

Microchip: What range?

Eh: One-hundred yards maybe, easy shot.

Microchip: Very funny frank.

Punisher: Eh, he spotted me. But how could he? I lost him.

Microchip: What happened?

Punisher: He took out my scope.

Spider-man: Hey tuff guy, sorry about hat expensive lens, Punsher.

Punisher: Something tells me we have the same objective here. That's the place, warehouse 65. We can team up, you cover my back.

Spider-man: Huh, no thanks mister death wish. I'd like to keep the body count low if you don't mind.

Punisher: Fair enough.

Spider-man: Punisher's guns can't solve this problem. Gotta play this one my way.

\*\*\*\*\*  
18. The Masterminds \*\*\*\*\*  
\*\*\*\*\*  
Doctor Octopus: Hehehehehehehehe.

Spider-man: Listen, whoever you are, no one can control the symbiotes, no one.

Doctor Octopus: I need not control the symbiotes Spider-man.

Spider-man: Doc Ock.

Doctor Octopus: We will work as one. It's a new world. Humanity needs the skills that my technology will get them, symbiosis is the only way.

Spider-man: I should've known a reformed Doc Ock was too good to be true.

Doctor Octopus: A perfect world order. Those who cannot share my vision will be crushed by it.

Venom: Speaking of crushed.

Spider-man: Huh?

Venom: It's show time freaks. Oooh I smell bad symbiote and it aint me.

Carnage: Bring it on grandpa.

Spider-man: Alone at last.

Doctor Octopus: Let us end this Spider-man.

\*\*\*\*\*  
19. Carnage Attacks \*\*\*\*\*  
\*\*\*\*\*  
Doctor Octopus: The end, this plan.

Spider-man: One down, one to go. I wonder how Venom's doing.

Venom: Arrrrrrrr.

Spider-man: Eddie, are you alright? Talk to me, wake up Brock.

Venom: Look out Parker, behind you.

Spider-man: What'd you say?

Carnage: Ahahahahaha.

\*\*\*\*\*  
20. Monster-Ock Appears \*\*\*\*\*  
\*\*\*\*\*  
Spider-man: You are a born loser Cletus Cassidy. Like I told Mysterio, no one can control the symbiotes, no one I've met anyway. Take a breather Spidey, it's over. Well just another day in the life woah. What the? Is that Ock?

\*\*\*\*\*

21. The Finale \*\*\*\*\*

Spider-man: Move it, move it. Oh no Ock. After all that, it was the symbiote that saved Ock. You've gotta be kidding. A perfect end to a perfect day. Huh, what the?

Venom: Grab on.

Captain America: It's a good thing Black Cat gave me a call son.

Spider-man: Looks like just in time.

Venom: Hey Spidey, can you get us Captain America's autograph?

Spider-man: Oh brother.

\*\*\*\*\*

Captain America: Punisher, do you have any threes?

Punisher: Go fish. So nice of you to join us for once Spidey.

Spider-man: Oh I'm sorry, I was out saving the world. Beating you guys at cards out of be pretty easy.

DareDevil: Your spider sense won't save you here.

Punisher: Look who's talking DareDevil, you've been looking at my cards all night.

DareDevil: I don't need to look at your cards Punisher, your bluffs are so obvious.

Captain America: Okay, Okay, let's keep this a nice friendly clean game.

Punisher: Uh, who keeps inviting this guy?

Spider-man: Hey will you guys keep it down?

Human Torch: Hey loosen up kids, I'm on fire.

\*\*\*\*\*

Scorpion: Wait, hold on, time out. All of you guys were working together and you still couldn't take down Spider-man?

Mysterio: Ha it's not my fault. Doc Ock's plan was horrible, everyone knows you can't control the symbiotes.

Rhino: Hey wait, so I'm a Rhino, You're a Scorpion, and he's an Octopus. What's a Mysterio?

Scorpion: So Rhino, you got any threes?

Rhino: Uh hey hey I got a bingo. Haha, you guys think you're so smart but I won. Ha who's your daddy, Doc Ock? Hahaha victory is mine. You're always laughing at me but who's crying now, huh? Wait a minute, I made a mistake.

The End?
