Now onto the Wonder Chef!

=====
2. Who is the Wonder Chef?

=====
The Wonder Chef is a lot like the Iron Chefs you see on Food TV except he doesn't do Kung Fu, he disguises himself as everyday things like pigs, books, hobos, and snowmen to name a few. When you find him, he will teach you how to cook things, which is very useful. Be warned it is very fun to find the chef by yourself so don't check this FAQ unless you are missing something, the Wonder Chef appears once (sometimes twice or even more! I have confirmed three times in one town now, YaY!) in every town. So be on the look out!

To sum it up the Wonder Chef is Supah Numbah one Chef!

Now, onto the center of this FAQ, all of the Wonder Chef's locations, and recipes. I can hardly wait!

=====
3. Where to find him and what recipes he has
=====

Note: the Wonder Chef will tell you what you need to make each thing, but incase you are dense and forget, I will provide you with the ingredients, also you can only use the food in the Menu so forget about making it during battle. Also the order might not be Exact, I will try to get this alphabetical or something, if anybody wants to send me a list of the proper order I would be very thankful if not don't complain.

Notes on cooking

I had a message from Lugia but I lost it somehow in the transfer from doc. to txt. oh well it said that Farah was the best* cook, so use her to cook.

*Fastest to master

More Notes: Some of the Disc two ones can be obtained on disc 1, I am just going where I found them.
