~This FAQ may only be used for personal use. It can be printed, or reproduced, but for you, and you alone. If you would like to use this FAQ in anything, be it an article, or anything, then you must ask first, and full credit should be placed on me. This FAQ may not be altered. And may not be used for any commercial purpose.

=====

./2 :: INTRODUCTION

~This is an Enemy Guide. It shows you how many enemies there are, their names, their Health Points, their Elemental Type, and where they can be located. This should help you very much in playing through the game, as you can check to see what the enemies weaknesses are. I have listed every regular monster there is, I hope it helps!

=====
