++++Updates++++

03/18/07 - Finished all the girls's mini bios in the manual.

02/16/07 - Still alive. Added section about Kasumi Asou. Added blog url to use as a check up for any updates. Going to work on this more, maybe. ;;;

12/15/05 - A year after I made this faq, I decided to update. Decided to make this the "Ultimate" FAQ which will feature (I hope) everything to the game. Still, I can't make any promises, but winter break IS coming up. Anyway, added a few things like dialgue to disc 2's start. I still am going to use Koji Oe as the main's name,also keeping suffixes and using the first name for the dialogue boxes.

11/11/04 - Added some events. Changed some things.

+++++

\*Introduction\*

Just a small introduction before the Table of Contents. The Faq can be some what huge, and if not now, it will be. Anyway, here's the run down on what each section has. Check the girls section for details on how to get that girl. The sections listed with the disc number are

strictly events that you will see each play thru without having to do anything on the player's part. Girl related events are events related to each girl. It will feature answers to questions on dates, events on dates, and regular conversations with that girl. Miscellaneous will have events I couldn't put anywhere else.

This file has Japanese script so configure your computer accordingly to view it.

Do you remember that time?

Do you remember the feelings at that time?

We, as lovers, were given blessings from that bell of legend.

Now, that is very far in the past...

But...

If I close my eyes, I can hear it...

Also, I will never forget the feelings...

Your feelings...

The bell of legend is ringing...

+++++ 3. Getting Started ++++++

Put in the first disc of the game and load it up. Watch the nice opening if you wish.

On the title screen press start, and choose the top option. {Start game}. After this you'll get to another screen. Choose the top block on the left. Say yes.

On this screen you will be asked to enter your name.

Since in Japan last names are in front of first names. So keep this in mind. Starting from the left each block is hiragana, katakana, symbols (ABCs are included in this), kanji, this block deletes something you put in, and the final one is what you press when you're done. For the sake of

this FAQ

I will use the hero name that I use which is Oe Koji.

On the next screen you will choose your birthday. So choose the number of your month

and day. After this you'll choose a bloodtype. (I'm not sure if bloodtype effects the game in any way.)

After this is done click Yes. {Hai}

As a note, I have used there first names instead of using the last names to show who is speaking.

{I'm going to play alone.}

Pick the first option again.

Hikari: Hehe, well, let's go.

Koji: Yep.

Walk up to the playground area and talk to Kasumi as she passes by.

Koji: Ah, Kasumi-nee-chan!

Kasumi: Ah, Koji-kun. Are you out playing?

Koji: Yep! Ah, I know! Neechan, you can play too!

Hikari: No way. Only the two of us can play.

Kasumi: Hehe, Hikari-chan is against it. Once again, I have to get home and change. So...

Koji: Just for alittle bit. Please~. Pretty please?

Hikari: Whatever! I'm going home.

Koji: Huh?

Kasumi: Aaah, Hikari-chan got angry. How distressing.

Koji: Eh, what?

Koji: You should think alittle about Hikari-chan's feelings. Then that wouldn't happen.

Koji: Hmm...

Koji: (I don't get it.)

If you talk to Kasumi while she is walking away.

Koji: Let's play together.

Kasumi: I'm sorry. I have to go home and study.

After this event you should see a girl with brown hair enter the playground. Talk to her.

Koji: More.

Girl: Yep, yep. That's it. That's it.

Koji: So, what do we do from here?

Girl: "I'm taking a bath." Is what I say.

Girl: Ah, I have to go home now.

Koji: I see.

Girl: Seeya, Bye bye. Let's play again some time.

Koji: Yeah, bye bye.

Make your way to the shrine in the middle of town after this.  
Talk to the pink haired girl there.

Girl: Please God. Please, let me meet my great prince.

Koji: What are you doing?

Girl: Eh, who's there?

Koji: Great prince?

Girl: ...Did you hear that?

Koji: Yeah.

is very  
good too!

Girl: Ah, well, I have to go home. Bye. Thanks.

Koji: Bye bye.

Run to the furthest store street near the top right of the map. You should see  
the girl with  
the brown hair carrying something. She's the same girl you played in the park  
with.

Koji: That looks pretty heavy. Give it to me.

Girl: Ah, thanks.

Girl: Heh, you have strength just like my big brother.

Girl: Thanks a lot. Well, my house is near by so I'm fine now.

Koji:

Girl: Thanks. Bye.

Koji:

Girl:

Takumi: Are you her boyfriend?

Koji: That's not it...at all. We're just friends...

Takumi: Oh. Oh...You'll have to tell me about it in detail. Well, since we're here let's talk about it.

???: Takumi! What are you waiting around for?

Takumi: Ah, Jun! I'm over here.

???: Geez...

Takumi: This is Hokari Juniichirou. We just call him Jun.

Jun: Hokari Juniichirou, nice to meet you.

Koji: Ah, yeah, same. (Hokari Juniichirou...)

Takumi: Well, we can talk about things in full detail one our way home. Before we get to the  
cafe.

Jun: I have no interest in talking about such things.

Takumi: Don't say that, Jun. From here on we're high school students.  
Also now, we can meet, spend time and have relationship with a girl.

Jun: A...A relationship!?

Takumi: See, I know your interested.

Koji:

Jun: Wa, I'm leaving!

Takumi: Ah... Ah, oh well. Anyway, let's go to that cafe.

Koji: Ah...

Koji: (What we talked about was Hikari and many other things...)

Takumi: Now, that I think about it, do you know the story of the Legendary Bell of Hibikino high school?  
Are you familiar with it?

Koji: Legendary Bell?

Takumi: The bell tower in the middle of the garden.

Koji: Ah, that. What about it?

Takumi: It says that, if the couple dressed in there school uniform confess there love by it.  
They will live in eternal happiness together forever.

Koji: Heh, that's romantic.

Takumi:

Takumi: Ah, well, this is as far as I go. Ah, that's right. If you ever need some information  
about a girl just call me.

Koji: Ok.

Takumi:

Koji: (Sakaki Takumi and Hokari Juniichirou...hmm.)  
.....

.....-C-Meeting Hikari and Kotoko.....

Koji: Time to go home.

???: Hmm, what an ordinary boy.

Koji: (Why is that girl staring at me like that?)

???: Ah, Hikari. Over this way.

Hikari: Sorry, Kotoko. Oh, Koji-kun. Are you on your way home?

Koji: Yeah, that's right. Anyway, Hikari, who is this person?

???: Ha~. He is quite the eccentric one, right Hikari?

Hikari: Ko, Kotoko, what are you saying, geez!

???: Yes. Yes.

Koji: (??)

Koji: Um...

Hikari: Ah, sorry. This is Minazuki Kotoko. My close friend.

Kotoko: I am Minazuki Kotoko. Well, as for this girl...

Hikari: Ko, Kotoko!

Kotoko: Yes. Yes. Well, pleased to meet you.

Koji: Ah, yeah, nice to meet you.

Hikari: Well, let's all walk home together.

Oe: Ok.

Oe: (Minazuki-san? Hmm...Hikari's "close friend". She's the total opposite of Hikari.)

## 1. About the Bad Ending

When you do not receive a confession, you get the bad ending. The bad ending follows two certain patterns. The protagonist and his male friends also do not receive confessions and just the protagonist only doesn't receive a confession. Since the bad ending is something you don't want to see, the bad ending has a theme song for personal use. Just once try and see the bad ending.

\*Bad Ending requirements\*

-Protagonist, Jun and Takumi all do not receive a confession.

-Only the protagonist does not receive a confession while Jun and Takumi do.
