I About This FAQ
=====

This FAQ was written for those who want to know the level goals and how many there are, but would not like any help on how to achieve them. If you would like help on how to achieve these goals, then check out one of the regular FAQ/Walkthroughs that are out on the internet, preferably mine though.

Version 1.0

Got all of this FAQ done. I think I might still need to make a few additions here and there. But all in all this FAQ is about 100% complete.
