I. EXPLANATION OF FAQ  
=====

This FAQ was originally designed solely as a reference to the lyrics of  
Um Jammer Lammy. I have no intention at the moment of including gameplay  
guides and hints etc.

Um Jammer Lammy marks a pretty major change from PaRappa The Rapper. Now,  
instead of your character rapping the lyrics (in the Lammy levels anyway)  
she repeats the melody of the tunes by playing the guitar. Some people  
may be disappointed at this game not staying true to the original but I  
think it introduces great variety (especially as there are some special  
PaRappa levels anyway where you control PaRappa rapping).

So now the lyrics are sung by the level's teacher and you repeat the melody  
on the guitar so the only person to speak is the master. The lyrics are  
split into 2 main sections - solo and repeat. The solo lyrics are the  
lyrics that the teacher sings before you play to the next section or to end

the song. You do not play to these lyrics as Lammy. These lyrics are preceded with the following note depending on who is singing/saying them:

/Lammy/ = Lammy (she rarely speaks and these lyrics are usually just spoken by her as an end to the stage)  
/Chop/ = Chop Chop Master Onion  
/Puddle/ = Chief Puddle  
/Cathy/ = Cathy Piller  
/Baby/ = The baby rabbit held by Cathy Piller in Level 3  
/CaptF/ = Captain Fussenpepper  
/Paul/ = Paul Chuck  
/Yoko/ = Teriyaki Yoko  
/Kt&Lmy/ = Katy Kat and Lammy (during MILKCAN's gig in Level 7)  
/Katy/ = Katy Kat

The repeat lyrics are the ones that you play the guitar to after they are sung by the teacher. They are preceded by the following note:

/repeat/ = repeat these lyrics as a melody with Lammy's guitar

\*NB.\* In level 2, the lyrics in brackets are lyrics spoken by the group of firemen in the background. You do not repeat these lyrics, you only repeat the ones not in the brackets. The second set of brackets is in time to the first set of brackets as your repeat is to the words not in the brackets.

Sometimes what the teacher says sounds different to what the subtitles say at the bottom of the screen but I'll just print what the words are at the bottom of the screen as in the game for simplicity.

NB. The lyrics in section II assume that you go through the level normally, without going onto a "COOL" rating at any time and finishing the level with a "GOOD" rating.

II. LYRICS TO -

=====

i) Lammy Level 1 - Now Wait a Minute! Who Is That?!

-----

/Chop/ Kick, punch, you all remember  
Chop chop back again yes forever,  
You have many challenges comin at ya  
First is a fire, don't retire, now

/repeat/ Pick,  
Burn,  
Slide,  
and Down,  
again now, Pick,  
Burn,  
Slide,  
and Down

/Chop/ Listen to me now as I do my chore,  
Nobody ever talks to me no more,  
But if a baby were to come, crying out loud,  
Do you think you can play and calm it down?  
Or, if you're on a plane, how would you play?  
Throttle up and down, or away  
I just wanna know, can you really go,  
With that guitar in hand, I don't know,

/repeat/ Comin at ya Fly high,  
Sky high,  
Cry loud,  
Shut up,  
Fly, Cry,  
Pick, Burn,  
Pick, Cry,  
and Fly, Down,

/Chop/ Shake it to the right, shake it to the left  
I be the only masta that will give  
all the necessary skills to build a guitar,  
So you can play in hell, you come far!

/repeat/ Chop,  
that wood! Choke  
real good! Pick Chop Burn!  
Cry Fly Choke!  
Burn Cry Slide!  
Chop Pick Fly!  
Choke Fly Pick!  
Cry Chop Down! Ha ha,  
Pick Burn Cry!  
Cry Fly Chop!  
Pick Burn'n Cry!  
Fly Chop Choke!  
PICK BURNIN' CRY FLY, CHOP CHOKE!  
I AM A MASTA, AND YOU!?

/Chop/ Ha, Lammy, look what you're holding in your hand.

/Lammy/ I don't know. What is it??

ii) Lammy Level 2 - B, back Off! You're in the Way!

-----  
\*NB.\* In this level, the lyrics in brackets are lyrics spoken by  
the group of firemen in the background. You do not repeat  
these lyrics, you only repeat the ones not in the brackets.  
The second set of brackets is in time to the first set of  
brackets as your repeat is to the words not in the brackets.

/repeat/ Let's get on, Let's get on  
Fight the fire, come on now  
We gotta put it out quick  
That's what I'm talkin bout,  
Hold the hose real tight and get ready for a real fight  
Give these people a show and let's tell them something that's  
right  
(Having fun) I've been doing this for years let me tell you  
little something (With the funk)  
(Having fun) It's a bit of a rush and a bit of a dash! (With the  
funk)  
Put it on the fire, real good, Put it out cold and feel good  
If you don't think you're the one, fireman's daily work can't be  
done  
We be on a role, puttin on a show, lettin people know we're like,  
no other  
Water over here, and over there so the fire won't spread and go  
no further  
Hold the hose real tight and get ready for a real fight  
Give these people a show and let's tell them something that's  
right  
(Having fun) I've been doing this for years let me tell you

little something (With the funk)  
(Having fun) It's a bit of a rush and a bit of a dash! (With the funk)  
Put it on the fire, real good, Put it out cold and feel good  
If you don't think you're the one, fireman's daily work can't be done  
Let's get on, Let's get on  
Where's the fire? It's out now

/Puddle/ Time for lunch, let's go out quick  
/Puddle/ OK, that was pretty good. You can go through now.  
/Lammy/ OK! Gotta move on!

iii) Lammy Level 3 - After School Sale

-----

\*NB.\* In this level, the /repeat/ lyrics are sung by the baby rabbit (the same one that says the /Baby/ lyrics at the end) rather than the level's main teacher, Cathy Piller.

/Cathy/ (Now put these kids to sleep, will ya!?)

/repeat/ Ma ma ma ma.....

Pa pa pa pa.....

Gimme some milk, gimme some food

Gimme the car, one dat goes vroom!

/Cathy/ (Now put these kids to sleep, will ya!?)

/repeat/ I need to potty, or I'll be real naughty

Somebody hold me, somebody hug me

Ma ma ma ma.....

Pa pa pa pa.....

Somebody come over quick

I'm gonna start a trick

Cuz here I go

Didn't you know

I am a kid,

With no control

/Cathy/ (Now put these kids to sleep, will ya!?)

/repeat/ I think my diaper is wet

I think the bed gon be next

I wanna go, I need to go now

How much longer, I don't know now

You are the person who's #\$\$^&!

Or was it Mama or #\$\$^&!

/Cathy/ (Now put these kids to sleep, will ya!?)

/repeat/ Hey hey Papa, I been good

Now can I please have my food?

/Cathy/ (Now put these kids to sleep, will ya!?)

/repeat/ Papa can I go and have the toy that make that funny sound-a

Mama can I eat the food that make me feel like million dolla

I wanna go to bed right now Mama

Buy me the toy before that oh please Papa

/Baby/ I'll shut up now, I'm sleepy...Zzz

/Lammy/ Good night little guys...

iv) Lammy Level 4 - Now Which One Is My Left Hand?

-----

/repeat/ Look up in the sky, gimme all you got, Never give it up, Soldier!

Get up in the morn, run around the track! Show me what you got

Soldier!

Did I eat my drink ??

I thought milk was pink ??  
Auto pilot on, auto pilot off!  
Little bit of this, little bit of that!  
Now do you like munchies?  
I wonder where lunch is??  
1 2, 3 4, 5 6!  
Always give it your best!  
My knee's in pain  
So is my brain  
Look up in the sky, gimme all you got, Never give it up, Soldier!  
Get up in the morn, run around the track, Show me what you got  
Soldier!  
I thought I just made some coffee for me  
I want some apples and berries to eat  
Now it's time to move on, it only gets much harder so carry on!  
You think I'm old now, I got the skills to beat you and knock you  
out!  
My knee's in pain  
So is my brain  
Throttle up, flaps down!  
Power up, gears down!  
I'm getting sleepy...  
I want my sheets  
Auto pilot on, auto pilot off!  
Little bit of this, little bit of that!  
Now do you like munchies?  
I wonder where lunch is?  
1 2, 3 4, 5 6!  
Always give it your best!  
In the old days I was a hero but look at me, I'm learning just how  
to fly  
I'm still wondering, when we get to rest, I'm hungry, I'm sleepy  
don't wanna die

/CaptF/ That was gooder than good!  
Congratulations!!

/Lammy/ Thank you!! I'm in a hurry! Need to move on!

v) Lammy Level 5 - You Said Anything, Didn't Ya?  
-----

/repeat/ Get up turn your chainsaw on  
Power off, power on  
Now let's start with this tree here  
Low gear, high gear  
Come on hurry, hurry, hurry hurry hurry  
No need to worry, worry the tree gonna grow back surely  
All I wanna hear is you've come over here There's no foolin  
around with deers  
Chop all of'em down, every single one down Then we're gonna make  
a good guitar with all the timber around

/Paul/ NEVER USE JOE CHIN'S CHAINS FOR THEM

/repeat/ Rockin to the beat of the sun  
Choppin trees down for the fun  
We gonna make a good guitar,  
by givin it all you got  
Come on girl,  
Hurry it up girl  
OK turn it down, turn it up  
Make sure batteries are charged up !  
Give it all you got, every little muscle that you got inside your

little bo, body!

I don't wanna hear, that you got no time or you're in a hurry to  
your gig gig, gig

All I wanna hear is you've come over here There's no foolin  
around with deers

Chop all of'em down, every single one down Then we're gonna make  
a good guitar with all the timber around

/Paul/ NEVER USE JOE CHIN'S CHAINS FOR THEM NO!

/repeat/ Jammin, hard slammin, loud bangin

Rockin rollin all night long

Now that we come so far

Tell me just who you are

Are you my shining star?

Let me see your guitar

/Paul/ Hmmm I'm impressed! You can move on now

/Lammy/ Yeah! I really need to move on!

vi) Lammy Level 6 - Vital Idol

-----

/repeat/ I know you're the wild and violent flame

I still, smell your smoke and I can't play straight with your game

That doesn't mean, that I am yours, I'm not alone I'm not a fool,

I have a lot to give

In any case, it's up to you, if you can show that you can give

more than I got to give

It might be you, or maybe you, my mind is jumping back and forth

and up and down

Somebody come and rescue me before an angel comes to take me

round and round

I only wanted you to, come over here, cuz I can think of something  
for me and you to do

If I can have another, another dream, the devil would come back to  
pick me up with you

I wanna be a girl, that has a lot to give, never caught alone,  
never shedding tears.

So I need a man, that really understands every little thing and  
knows my fears

It might be you, or maybe you, my mind is jumping back and forth  
and up and down

Somebody come and rescue me before an angel comes to take me  
round and round

I only wanted you to, come over here, cuz I can think of something  
for me and you to do

If I can have another, another dream, the devil would come back to  
pick me up with you

Oh I do hope that the, that the time comes

Time has come for me to, me to have fun

I'm talking bout a lot of fire

I'm talking bout no getting tired

Forever and ever

Together forever

/Yoko/ You were just as I expected. Really good.

/Lammy/ Thanx ! That's what I do best !

vii) Lammy Level 7 - MILKCAN, That's Us!

-----

/Kt&Lmy/ No cuttin' corners

She's on the border now

/repeat/ No shedding tears,  
Goal is real near  
Trying to shift,  
Into gear  
That's when I see ya comin',  
Prevent me from running  
Get up get up trying to psych myself  
Cuz it doesn't work with no one else  
All of this hype all around,  
Seems like, a waste of time  
From uptown to midtown, trying to get downtown  
But I'm not getting close I'm just running running round  
Always at my best,  
Giving it my best  
I don't need no rest,  
It's my test now  
And I'm in a beat,  
That's very unique  
And I know that I,  
I'm running for me  
Got to move  
With the groove  
I got to go on  
I got to move on  
/Katy/ I got to get on  
/Kt&Lmy/ No cuttin' corners  
She's on the border now  
/repeat/ I'm facing all the problems that'll get me  
Cuz I don't really wanna spend the time see  
All of this hype all around,  
Seems like, a waste of time  
Let me tell you, let me give everybody little something  
In life, you just can't get going around cutting corners  
Always at my best,  
Giving it my best  
I don't need no rest,  
It's my test now  
And I'm in a beat,  
That's very unique  
And I know that I,  
I'm running for me  
Got to move  
With the groove  
I got to go on  
I got to move on  
/Katy/ I got to get on  
/Kt&Lmy/ No cuttin' corners  
No cuttin' corners  
She's on the border now  
/Katy/ Alright, Wasn't that a groove? Thanks everyone!  
/Lammy/ Yup! Who's my next challenger??

VI. SHOULD I BUY UM JAMMER LAMMY ON IMPORT?  
=====

If you're wondering whether to buy Um Jammer Lammy on Japanese import then  
I would recommend you do so because all the text (except a few minor bits  
of text in the options menu) can be changed to English and all the speech

and songs are in English. Plus, in its Japanese incarnation, it must have the best game disc art ever! A warning though: this game uses the latest anti-mod chip lockout from Sony meaning you'll have to either have a Japanese PlayStation, one of those new mod chips which bypasses the code or a GameShark or Action Replay and a code to play it. Or you could try disc-swapping...

The latest release date for Um Jammer Lammy in the U.S. is apparently August 17th, with a PAL release to follow, probably in September.
