```

This is a comprehensive guide written to help out with passing each level on Warcraft II: The Dark Saga. It is not to be reproduced, changed, or altered in any form, and can only be found at <https://www.neoseeker.com> Anyone else who wants to use it must email me and cannot change the contents within without my permission.

```
-----
3. INTRODUCTION
-----
```

Well going through the game I figured it would be helpful to get all the codes for my favorite levels. So I ended up writing them all down. At the introduction screen go to password and insert the code to the level you want.

Well, hope they help you out...

```
