Born from what appears to be a star,  
Rustling inside, it dreams nightmares.  
The only person I won't protect is myself.  
Everyone else I'll save.

We'll trust the future we long for,  
As our strength changes.

English Translation:

Holding my fingertips in the air  
and trusting myself to the western winds  
I prepare to cross the arching horizon

If there's any meaning  
in fighting there and then,  
I can take flight without fearing to lose something

As I embrace sad memories with these arms  
that have slashed at thousands of red shadows,  
I can feel the heartbeat of the beginning of the future

I don't think anybody really  
wants to hurt anyone else,  
but if you have something important you want to protect  
you may end up resisting even yourself  
I'm living now, bearing it all

I want to return to  
and people who I love  
They are the only reason

why I won't fall into despair

If the dream you searched for  
at this culmination of times  
is a fragile dream,  
trust your own wings as the future begins

I understand that anyone  
hides pain in his heart  
but if you have something important you want to protect,  
you may lose even your gentleness  
and brandish only your fury

I don't think anybody really  
wants to hurt anyone else,  
but if you have something important you want to protect  
you may end up resisting even yourself  
I'm living now, bearing it all

English Translation:

I constantly cry over nothing.  
I hug my knees and sigh.

I hate myself for saying what I said.  
I risked my magical heart...

I'll have a smile on my face.

Zephyrs's

Hanarete mo  
Kakenukeru kaze ga hakobu kibou no kakera  
Watashitachi wo itsudemo tsunageteiru

English Translation:

I only wrote "We'll go there someday."  
On my last letter to you.

Together we chose the wrong road  
As we looked up at the sky.  
Surely now...

We'll head to our dreams that we embrace in our hearts.  
Discreetly, show me your tears.  
Sometimes the depths of your eyes become larger,  
And I feel the gentle shadows.

Tomorrow morning I too will go down that road.  
With a little luck in my hand,  
I go "there."

It's so tragic that I couldn't meet  
The thing that was so beautiful.  
I'll remember life eternally.  
Then I let it go.  
I ran past the wind and transported my broken hopes.  
We be holding hands forever.
