Introduction

#####  
Version 1. 2004  
#####

This is the first and last version of this guide.  
I know that most people do not play this game  
any more, but I thought I would make a simple  
CAW FAQ for the ones who do. So do not expect  
any more updates to this guide.

#####

Who I am

#####

My Name is PS2\_Maniac, I am 14 years old and  
I live in Virginia, USA. I have had WWF Attitude  
for about a year and I personally have not made  
any CAWS for this game, but I have gathered some  
CAWS from around the net to bring to you.

I really dont care if you post this on the net,  
but before you do, please e-mail me and tell me  
where you are going to put it, so I know where to  
check it out!! my e-mail address is:
