## 2. Biography (from WWF.com)

-----  
The Rock

Height: 6'5

Weight: 275 pounds

From: Miami, Florida

Favorite Quote: "If you smell what The Rock is cookin'!"

Finishing Move: Rock Bottom; People's Elbow

Career Highlights: World Wrestling Federation Champion (5) (current);

Intercontinental Champion (2); Tag team Champion (3)

The Rock is a third-generation superstar with immeasurable athleticism--and cockiness to boot! After graduating as an All-American football star from the University of Miami, Rocky Maivia entered the World Wrestling Federation and quickly became and quickly became the Intercontinental Champion.

Under controversial circumstances, The Rock won the WWF Championship at Survivor Series 1998. The Rock went on to win the title four more times, making the "Great One" a five-time Federation Champion. He's a gifted athlete, he's gifted on the microphone-- he's simply a gifted entertainer. And from the Rolex watch to the \$500 shirts to the Corporate Elbow, The Rock is just plain cool.

Whether he's champion or a contender, a fan favorite or the most hated superstar on the roster, The Rock is 27-year old phenom. He's already the "Most Electrifying Man in Sports-Entertainment," and when it's all said and done he may go down as the most decorated, well-known and renowned superstar the Federation has ever known.
