D-Lo Brown is one of my favorite wrestlers to use in the game WWF Attitude, mainly because I prefer the wrestlers that have speed and agility. And D-Lo Brown has the speed and agility I like. 2.2 Biography -----
=====

(bio from Prima Games)

Perhaps the word "potential" is used with D'Lo Brown more than any other Superstar. Everyone is certain D'Lo has all of the tools to be a major player in the World Wrestling Federation. But no one is sure when he will stop having potential and start delivering results.

Convinced his tag team partners were holding him down, Brown betrayed his best buddy, The Godfather, and trashed his role as the Lil' Pimp. Although some questioned why Brown would want to get away from such fine looking women, no one questioned that he was better off on his own. With four healthy European Championship reigns on his resume, as well as a run as Intercontinental Champion, D'Lo Brown has proven in the past that he can get the job done, but can he do it again - and this time for good?

If you ask any World Wrestling fan or official to name the five Superstars who

will have the biggest impact in the next few years, there is no doubt that D'Lo Brown would appear on each of those lists. An intelligent and articulate young man, D'Lo possesses the athletic ability that most people dream about.

With the Sky High and Lo Down, D'Lo gets the action going above the canvas... but he is more than willing to show off his technical prowess and grind it out on the mat. You can liken his overall abilities to the "bobble head" that he has made famous on his walks down to the ring. You are never sure where it is going to go next, and you are transfixed at the mere sight of it.

A former certified public accountant, there is little question that D'Lo has the brains to propel himself to the next level. Using the precise preparation tactics that C.P.A.'s are famous for, D Lo never enters a contest without a detailed strategy.

Everyone knows what D'Lo achieved while serving as the European champion, but what remains to be seen is whether or not he can put all his tools and talents together to become as dominating a Superstar as everyone expects.

=====
2.3 My Two Cents -----
=====

D-Lo is the real deal. Hopefully he will become a huge babyface star and win some WWF gold in the near future! I do not like, at all, how he is being shafted right now by the stupid writers by being forced into a tag team with an idiot called Chaz, and being managed by someone that should not even be in the WWF right now, Tiger Ali Singh. Hopefully D-Lo will split from this mess soon and win some IC gold or something. D-Lo is the real deal. But now it appears that he will be a heel for now on, because right now he is feuding with his former tag team partner, the Godfather.

I am glad of this too because I was not a huge fan of Dlo Brown and Godfather being a tag team in the first place. Now, I am mad at the World Wrestling Federation again, because they have stuck him with yet another loser tag team. Called Lo Down, DLO Brown and Chaz is the epitome of all that tag team wrestling should not be. I do not care if they were childhood friends or what not, Chaz sucks. I have never been a big fan of Chaz and never will be, even if he does come out to the coolest theme music in the World Wrestling Federation today.

Yes, I do think Dlo Has the coolest theme music. I think for now on the World Wrestling Federation writers will keep him heel, which would be cool as long as he gets pushed as a potential WWF world title contender, because he has a lot of talent and should have a bright future in the World Wrestling Federation, more so than teaming with his loser childhood friend. He has the coolest entrance, the coolest entrance theme, the coolest finishing move (well, one of the coolest) and the biggest feud he has been in yet has been with Jeff Jarrett over two belts? Please. The World Wrestling Federation needs to wake up and push this guy before he strolls over to WCW. And that is true!
