1.0 Introduction -----
=====

Triple H is one of my favorite wrestlers to use in the game WWF Attitude, mainly because I prefer the wrestlers that have speed and agility. And Triple H has the speed and agility I like. He even has a cool finishing move called the Pedigree Adding to the mystique is that he is on my favorite group, De Generation X. So, I used him a lot. Hope you find this FAQ useful, please send any questions to the address listed above. Thanks and enjoy the guide!

=====
2.2 Biography -----
=====

(bio from Prima Games)

Perhaps when utilizing the Create a Superstar feature in WWF Attitude, you should use Triple H as the mold. He embodies all that a World Wrestling Federation Superstar of this era should be.

He is in peak physical condition and dedicates himself to the Gym so he remains that way. His technical ability is up there with the best of them, but if a match calls for him to brawl in the back with garbage cans and broomsticks- bring it on.

As far as his ability to entertain the crowd is concerned, one minute he'll have you rolling on the floor in a fit of hysteria because he just led an attack on a cross-town live event. The next minute you'll be throwing things at the television hoping that somehow, one of them will get through and hit him

because he just got done insulting you before he screwed your favorite Superstar out of a win. He's intelligent, articulate, witty, and armed with an immeasurable amount of charisma.

And let's not forget the cool factor. With the rest of DeGeneration X by his side, Triple H lives life in the World Wrestling Federation as a rock star who isn't going to let any set of rules run his game. Life on the edge is what it's all about for Triple H and his de-generate pals.

Ever since capturing the World Wrestling Federation Championship became Triple H's one and only mission, few Superstars have had the overall success that The Game has enjoyed. Not only did he complete his mission a few times over, but he has also become one of the most powerful players in the World Wrestling Federation due to his marriage to Stephanie McMahon-Helmsley and his position as one of the leaders of the McMahon-Helmsley Faction.

Triple H took part in one of the most incredible matches in Royal Rumble history when he defeated Cactus Jack at the 2000 installment of the Royal Rumble. The championship match was fought under New York City Street Fight rules, which means that everything was legal. Thumbtacks and steel chairs were all introduced into this physically exhausting match that saw Triple H hold onto his gold - and his spot in WWF history.

=====
2.3 My Two Cents -----
=====

Triple H has been a very strange wrestler, in my opinion. First, he was a spoiled brat from Greenwich, Connecticut. Now he's the World Wrestling Federation champion. Featuring quickness, speed, agility, and overall good microphone skills, Triple H has evolved from the man I loved to hate to one of the most beloved superstars in the World Wrestling Federation. I have liked him more and more ever since he reformed DX, and now that he has the love of my life by his side, there is no stopping Triple H.
