Version 1.1(8/5/00), reformatted my FAQ.

Version Final(7/3/02), reformatted FAQ, added Undertaker's bio, updated my email address, also updated my other works section.

----- 2. Biography (from WWE.com) -----

UNDERTAKER

Height: 6' 10"

Weight: 328 pounds

From: Death Valley

Finishing move: Last Ride Powerbomb

Career Highlights: WWE Champion (4) (current); WWE Tag Team Champion (6); WCW Tag Team Champion; Hardcore Champion

If any one superstar symbolizes WWE, it's the Undertaker.

For more than 11 years, the Undertaker has been a WWE mainstay. He's feuded with all the greats -- from Hulk Hogan and the Ultimate Warrior to Stone Cold Steve Austin and The Rock -- and lived to tell about it. No other superstar has ever had the run of success enjoyed by the American Badass -- no one.

A four-time WWE Champion, Taker had the privilege of performing in the main event at WrestleMania 13. In fact, Taker's WrestleMania record is second to none -- he is an amazing 10-0 at Mania events!

The Undertaker has also been at the forefront of some of the most original matches and concepts in WWE history. He is the innovator of Inferno Matches, Casket Matches, and, of course, the famed Hell in the Cell Match.

Although he has been cheered for most of his career, the fans have begun to boo the American Badass as of late. Taker has been on a constant conquest for respect, and that has come at the expense of some of the most popular superstars in sports entertainment. If any man has earned respect over the past 11 years, it's the Undertaker -- and he's determined to make the fans show him some respect.

3. Moves
