1.0 Introduction -----
=====

D-Von Ray Dudley is one of my favorite wrestlers to use in the game WWF Smackdown, mainly because I prefer the wrestlers that have speed and agility. And D-Von Dudley has the speed and agility I like. He even has a cool finishing move called the Dudley Death Drop (3D). Adding to the mystique is that he is a member of one of my favorite tag teams, the Dudley Boyz. So, I used him a lot. Hope you find this FAQ useful, please send any questions to the address listed above. Thanks and enjoy the guide!

2.2 Biography -----
=====

(bio from Prima Games)

Throughout the entire sports-entertainment world, the Dudley Boyz have a reputation for being two of the toughest competitors. And D-Von does more than his fair share to keep the hype!

Before arriving in the World Wrestling Federation, the Dudley Boyz honed their skills in the extreme arena. Known for a stiff offense and even stiffer language, the Dudley Boyz earned a lot of respects from their peers at the time.

However, they had to prove themselves in the "big time". Having to leave some of their old tactics behind. D-Von and Buh Buh Ray brought their unique style of sports entertainment over to the World Wrestling Federation and quickly earned the respect they had in other arenas. Although there is nothing funny about them, D-Von is quick to dispel any laughter that his tag team partner may have stirred up among the fans.

After Buh Buh is able to get out whatever it is he is trying to say, D-Von is quick to jump in and take the hard line with their opponents.

D-Von wants everyone to know that "Thou shalt not mess with the Dudleyz!"

=====
2.3 My Two Cents -----
=====

Let's go Dudleyz!! I must admit I did not like the whole Dudleyz thing when they first came to the WWF but now they are one of my favorite tag teams! I really liked them as heels, but they are still pretty cool as bad ass babyfaces, which is what they have become as of late. Which is pretty neat, because they are way over as babyfaces, especially when Buh Buh Ray tells D'Von to 'get the table!'
