1.0 Introduction -----
=====

Hardcore Holly is one of my favorite wrestlers to use in the game WWF Smackdown, mainly because I prefer the wrestlers that, have speed and agility. And Hardcore Holly has the speed and agility I like. He even has a cool finishing move called the Falcon Arrow/Hollycaust. Adding to the mystique is that he is a member of one of my favorite tag teams, the Hollys. So, I used him a lot. Hope you find this FAQ useful, please send any questions to the address listed above. Thanks and enjoy the guide!

=====
1.1 Revision History -----
=====

version 1.3 (December 19, 2000): I have decided to update all my Smackdown! guides to my current format. I added new line art to the top, fixed all spelling and format errors, and updated the format so this guide looks 10 million times better!

version 1.2 (June 23, 2000): Will probably be final update, as I updated some info and corrected the rest of the spotted errors. Also updated my two cents section, as I updated the info since Hardcore Holly is again a singles wrestler.

version 1.1 (April 8th, 2000): 2nd version, added correction

version 1.0 (April 5th, 2000): 1st version of the guide.

This is where I give information about the wrestler.

=====
2.1 Quick Rundown -----
=====

Real Name: Bob Holly

Height: 6'6"

Weight: well over 400 pounds

From: Mobile, Alabama

Finishing Move: Falcon Arrow

Career Highlights: Tag Champ, Hardcore Champ

Favorite Quote: "Hey....Big Shot!"

=====
2.2 Biography -----
=====

(bio from Prima Games)

For years Bob Holly struggled to find his niche in the World Wrestling Federation. Handed unsuccessful gimmicks and less than stellar storylines, the Alabama native was locked in a mid carder's prison - mediocrity.

This would not have bothered a lesser man, but Holly knew that he was capable of bigger and better things. So when the time came to put up or shut up, he decided to throw out the rule book and earn his respect the hard way - in the Hardcore Division!

Using anger as his fuel, Holly put on some of the most astonishing contests the division had ever seen. After earning everyone's respect with an unbelievable victory over Al Snow in the Mississippi River, Hardcore Holly was ready to move up the Federation ladder. And what better way to do this than aim for the top and work your way down?

Showing an incredible tolerance for punishment, Hardcore made a weekly habit of strutting to the ring and calling out any big shot who met his minimum weight and height requirements. These strict rules usually left out everyone except superstars such as Kane, The Big Show, The Undertaker, Viscera, and other similar.

He might not have always beaten those giants, but Hardcore Holly certainly learned some valuable lessons. Now, whenever this super Heavyweight steps in the ring, his opponents and fans all know that you'd better be a big show if you want to measure up to Hardcore Holly.

=====
2.3 My Two Cents -----
=====

Let's go Hollys!! I must admit I did not like the whole Hollys thing when they first came to the WWF but now they are one of my favorite tag teams! They are not a tag team anymore, so I think Hardcore Holly deserves a push. I mean, he has now been an employee of the WWF for a long time! Just push the damn guy already!
