I. INTRODUCTION AND REVISION HISTORY

Mark, Sexual Chocoloate, Henry has been around the WWF for quite some time. He first became noticed when he was part of the Nation of Domination, with Farooq, Rock, and D-Lo Brown. Once that was broken up, he joined his good friend D-Lo and began a nice tag-team that lasted for a year, which later broke up when Mark Henry betrayed D-Lo to win the European Title (Title was won by Jeff Jarret, but for his work, he was given the title). Later, he became a sex-crazed man, which became sort of silly. Lately, he had a romantic relationship with that old Dinosaur, Mae Young. Currently, I believe hes taking a break from wrestling, since I have not seen him in quite some time.

If you are wondering why I did a Move List on Mark Henry, well its a good question. Hes not too popular, but I always crack-up when hes on T.V., especially when he only had sex on his mind and he saw those shrinks. Haha, also, there was no FAQ done for him, so I decided to do it.

II. BIOGRAPHY (FROM WWF.COM)

Height: 6 feet 1 inch

Weight: 380 pounds

From: Silsby, Texas

Career Highlights: European Champion

Not only is Mark Henry known as the Worlds Strongest Man, but to the

beautiful females of the Federation he is also known as Sexual Chocolate.

Since becoming romantically involved with Mae Young, the former Olympian has seemed to step it up a notch in the Federation. The love of the 80-year-old Young might be just what Mark Henry needs to return to the Federation's championship ranks.
