1.0 Introduction -----
=====

Tori is one of my favorite wrestlers to use in the game WWF Smackdown, mainly because I prefer the wrestlers that have speed and agility. And Tori has the speed and agility I like. She even has a cool finishing move called the Tori Suplex. Adding to the mystique is that he is a member of one of my favorite stables, De Generation X. So, I used her a lot. Hope you find this FAQ useful, please send any questions to the address listed above. Thanks and enjoy the guide!

=====

version 1.3 (December 19, 2000): I have decided to update all my Smackdown! guides to my current format. I added new line art to the top, fixed all spelling and format errors, and updated the format so this guide looks 10 million times better!

version 1.2 (June 27, 2000): 2nd version. Fixed a lot of errors and corrected some formatting. Also added some more info on two of the sections, including some more of my personal thoughts on Tori.

version 1.1 (June 24, 2000): Updated some info and added a new format.

version 1.0 (April 15th, 2000): 1st version of the guide.

2.2 Biography -----
=====

<biography credited to Prima Games>

Beautiful but deadly, Tori combines athleticism and finesse into one powerful package. A part time model who enjoys body painting, she ranks as one of wrestling's premiere woman athletes, with championship experience in Japan, as well as numerous other promotions.

Enigmatic. Appealing. Mysterious. Powerful.

Sometimes looks can be deceiving. Although Tori is one of the more tantalizing sights the World Wrestling Federation has to offer, you should never feel 100 percent secure in her presence.

Tori entered the World Wrestling Federation as a result of her extreme admiration for one of its Superstars. Proving that she could do anything to earn

attention from the object of her desire, Tori never tired of her constant efforts.

Later on down the road, Tori was locked in a number of legendary battles with Ivory over the World Wrestling Federation's Women's Championship. Evening gown matches, hardcore rules, whatever the stipulation, she was always up for the occasion.

Then came her interesting relationship with The Big Red Machine, aka Kane (Undertaker's brother)

Throughout all her turns in the road, Tori has displayed one quality that has remained consistent - she is willing to do whatever it takes to achieve her goals. With her enticing physical appeal and an intelligence to match, Tori usually finds a way to get what she wants.

=====
2.3 My Two Cents -----
=====

The king likes Puppies, it seems, and so does every superstar on the Federation roster. Terri is not afraid to show her puppies to anyone at anytime and has done so at several house shows. I am beginning to like her more and more since she turned heel on Kane and joined X-Pac. He doesn't need her, anyways, right? :-)

Now that she is with X-Pac, Tori is showing more and more of her athletic ability in the ring. She proved she could take a bump when she dove through Buh Buh Ray Dudley, through a table. She even had the guts to get in the ring with the Dudley Boyz in their specialty match, which is a table match. I don't care if she had X-Pac and Road Dogg there with her or not, it still takes a lot of guts to get in the ring with the Dudley Boyz, period. Much less in their table match specialty. In Wrestlemania 2000, Tori is a good character to use, because she is very athletic and quick. She also has some power to her that few women have shown. Her finishing move, the Tori Suplex, is a pretty good finishing move as well. I really did not know Tori as a wrestler too well until she got put into the X-Pac/Kane angle. At first, I did not like her that much but once she joined DX she became one of my favorite females in the WWF. I like to use her in WWF Smackdown as well.
