05/22/03 Monsters 157 - 271 added

05/31/03 Monsters 272 - 397 added

as it does not equip anything.

However it does Fuse with 12 different cards to be exact, but we will only list the monsters that combine with it which is 4 of them (and what they make):

#058 Kuriboh	(#310 Vile Germs)
#062 Harpie Lady	(#063 Harpie Lady Sisters)
#192 Key Mace	(#655 Cursebreaker)
#298 Wicked Dragon with the Ersatz Head	(#357 Yamadron)

=====

#657 Megamorph

This card Powers up any Type of monster by two levels or an easier way to understand by 1000 Attack/Defense Points.

Note: We have Listed this and #668 Bright Castle on the Equipment tables below since they were fully tested with all monsters.

=====

#658 Metalmorph

This particular card is an odd card just like #318 Elegant Egotist. All though this is an Equip Card it does not Equip anything. However it does Fuse with quite a few cards 11 to be exact.

Since this is a Monster Guide We will tell you that this card fuses with 5 different monsters to make them into a stronger machine type of themselves in numerical order they are:

Example: Card# Monsters name (what it makes)

#004 Baby Dragon	(#409 Metal Dragon)
#367 Jirai Gumo	(#390 Launcher Spider)
#391 Zoa	(#392 Metalzoa)
#428 Magician of Faith	(#433 Ancient Elf)
#543 Tongyo	(#438 Metal Fish)

=====

#668 Bright Castle

This card Powers up any and all Types of monsters by 500 Attack/Defense Points.

Note: We have listed this and #657 Megamorph on the Equipment tables below since they were fully tested with all monsters.
