Good Cards Given by Simon Muran

010 Blackland Fire Dragon
041 Celtic Guardian

999,999 Starchips Cards given

016 Time Wizard

POW Strategy

Simon Muran uses very weak cards (he is the 1st duelist anyway) and it is very easy to beat him. He'll do fusion occasionaly and he can

fuse to Ushi Oni (2150/1950), Mystical Sand (2100/1800) and Dark Witch (1800/1700). Defeat him within 4 rounds with 28 or more cards remaining in your DECK will give you a S-POW.

Recommended Fusion

-
- Female + Rock = Mystical Sand (2100/1800)
 - Female + Plant = Queen of Autumn Leaves (1800/1500)
 - Female + Beast = Nekogal #2 (1900/2000)
 - Female + Spellcaster = Dark Witch (1800/1500)
 - Mystical Lamp + Rock = Ushi Oni (2150/1950)
 - Pyro + Beast = Flame Cerberus (2100/1800)

* You can easily get these cards in your starter deck :)

TEC Strategy

I have not TEC Simon Muran much so I've got no idea what he'll give.

Just follow these steps to S-TEC him: -

1. Play your 1st card faced down,
2. If he didn't fuse, play another card onto your 1st card to fuse into a higher level monster that he cannot defeat,
3. Keep playing cards faced down until he fuses,
4. Don't worry if he destroy your cards as LP doesn't really matter when you are going for TEC wins.
5. Keep playing one card a time until she run out of cards.

I will go TEC on him and update this FAQ in a later stage.
