4)Basic Cheat
View ending sequence:
Hold R + L + Start + Select immediately after the
```

lights go out when done writing in the diary.
Note: Hold down the buttons the entire time.

Hint: Bonus watch:
Buy a Super Log House before the first summer ends.

Hint: Protect your fences:
Leave your dog out everyday and your fences will
never be broken unless it rains or snows.

Hint: Golden Axe:
The rocks at the mountain will break after the
second earthquake. Throw your axe in the pond
which is now accessible. Tell the truth to get the
Golden Axe.

Hint: Golden Sickle:
One day a starving sprite will come to your house.
Feed him to get the Golden Sickle.

Hint: Keep your cows happy:
Brush, feed, talk and walk your cow
(unless it rains or snows)Eventually your cow will
give a large amount milk which
results in a lot of money.

Hint: Hurricane:
Watch the weather forecast and talk to your wife
everyday. One day they will warn you about a
hurricane. Keep your animals inside on that day.
Your horse and dog, however,
 will be safe.

Hint: Keep your wife happy:
Give your wife presents everyday and come
home by 5:00. You should also have the Super
Deluxe Log House by now. If she likes you, you
will have a child. Talk to her when she is pregnant,
 say no, and do not go to work to keep her happy.
 If she really likes you, you will have a second
child. Finally, do not cheat on your wife.

Hint: Herbs:
Herbs are crops that last every season.
Make sure some herbs are shipped in Winter.

Hint: Mushrooms:
Ship a mushroom In fall, on any day except for
Sunday. If it is Sunday, sell a poisonous mushroom
 to the peddler in town to get more money.

Hint: Saving wood:
You can save wood for your fences by using the
small rocks, so do not break them or throw them
 in the ponds. They also can not be broken by the
 rain or dogs.

Hint: More wood:
Go to the lumber jack's house. Cut up the wood
or stumps. Enter the lumber jacks' house, then go

back out. The stumps will be back.

Hint: Berry of Power Tree:
At the harvest festival, put a fish in the stew to get
 a berry of the Power Tree.

Hint: Berry of Power Tree:
At the very beginning of the game, right after Ellen
 leaves, quickly make your way to the shed. Take
 the hammer, run, and avoid all obstacles to the
chicken statue in the cross section. Smash the statue.
 If you reached it fast enough, a Berry of the Power
 Tree will appear. Note: This only works on the first
 day during 6:00 am.

Hint: Berry of Power Tree:
Throw a fish that you caught back in the pond every
 season. A Water Imp will appear and give you the
Berry of Power.

Hint: Eat a mole:
Take a poison mushroom to the Harvest Festival
 and your stew will be from a mole.

Hint: Have a baby:
The easiest way to get a baby is to give
 her a food everyday.
