1. Introduction \*\*\*\*\*

In this FAQ I have typed up the dialogue and story related text that appears in Lufia & The Fortress of Doom for the Super Nintendo Entertainment System.

\*\*\*\*\*

2. Version History \*\*\*\*\*

1.0 - May 05, 2005

\*\*\*\*\*

3. Prologue \*\*\*\*\*

Without warning,  
the island suddenly  
appeared in the sky.

Four foul and wicked  
beings claimed it for  
themselves.

They possessed the  
frightening powers of  
Chaos, Destruction,  
Terror, and Death.

The people were horrified.  
They called the evil ones  
"Sinistrals".

The reign of Terror  
continued.

The world massed its  
warriors to battle  
their dark foes.

But the Sinistrals

were all powerful.

In desperation, the people  
called on their bravest  
fighters: Artea, Guy,  
Maxim, and Selan.

And so began  
the final battle...

\*\*\*\*\*  
4. Island Fortress \*\*\*\*\*  
\*\*\*\*\*

?????: It's so dark.

?????: I feel the energy.

?????: A very dark energy.  
Beware! It's powerful.

?????: Selan. Light Magic.

Selan: As you wish.

Maxim: Is this the Fortress  
of Doom?

Selan: So cold! It freezes  
straight to the heart.

Daos: Welcome Maxim.

Maxim: Daos? It's you, isn't it?  
Show yourself!

Daos: Approach. My chamber is  
above. I await you.

When you reach a clear bridge at the top of the dungeon.

Daos: You may cross.

Selan: Maxim. It could be a trap.

Maxim: He said cross let's go.

Selan: But....

Maxim: Daos is testing us. He  
senses our feelings.  
Don't show and fear!

Guy: You're right. That's  
what he's doing.

Artea: My power is strong.  
The hopes of my people  
energize me.

Maxim: Come on, Selan. We're

the world's last and  
only chance!

Selan: I know.

Maxim: There's still hope as  
long as Dual Blade keeps  
it's light.

Selan: Dual Blade boosts our  
powers. It makes us even  
stronger in the center of  
this darkness.

Maxim: We will destroy the  
Sinistrals and restore  
peace to the world.  
This we promise.

Selan: We promise. Together!

After all four cross the bridge.

Daos: Ha, ha, ha!  
I sense your hope.  
Indeed, it is powerful.

Selan: Sinistrals! Your reign of  
tyranny is over! Do you  
hear me? We will finish  
you once and for all!

Daos: The woman's energy flows  
strangely. Is this human  
love? Such a thing is  
unknown to us.  
No Matter. It is easily  
smashed.

After you reach Daos and the three other Sinistrals.

Daos: Maxim! At last we meet.  
I sense your strength.  
A worthy opponent.

Maxim: Daos! With Dual Blade I  
Return the pain you gave  
to my people!

Gades: Hold, Maxim! You shall  
fight me first!

After defeating Gades.

Amon: You will go no further!

After defeating Amon.

Erim: Maxim is it? Come!  
Come and join your fallen

friends!

After defeating Erim.

Daos: Magnificent! A true fighter.  
'Tis truly a pity I must  
destroy you.

After defeating Daos.

Maxim: Daos. This is the end.

Daos: Indeed. This shall be  
the end.....OF EVERYTHING!

Artea: The Sinistrals are  
gathering their energy  
into one flow! They're  
merging!

Guy: They want to destroy us!

Artea: Not only us. If that flow  
erupts, the world will  
cease to exist!

Guy: What?

Maxim: I won't let that happen!  
I can't do it alone.  
Artea. Guy. Selan. Join me.  
Merge your flows with mine!

Selan: Maxim! It's too dangerous!

Maxim: Quickly. We don't have  
time. Do it.....NOW!

Daos: Ha, ha, ha! Fools! Our  
dark powers are vast.  
Your feeble efforts are  
no match against us!

Maxim: Give it all you've got!

Artea: Maxim! Selan can't take  
much more of this!

Selan: I'm.....I'm fine.  
Everyone! Concentrate!

Daos: AARGH! You filthy pests!

Maxim: Ready!

Maxim: We did it.  
Guy? Are you alright?

Guy: They'd have to do more than  
that to stop me!

Maxim: Artea!

Artea: I'm fine.

Maxim: Selan!

Selan: We....finally did it, Maxim.

Maxim: Selan? What's the matter?

Selan: We finally restored peace  
to the world.

Maxim: Yes. We did.  
Let's go home.

Selan: No. I'm not going home.

Maxim: Selan! What are you  
saying?

Selan: The eruption went through  
me. I can't....even....speak....

Maxim: No! Selan! Selan!

Selan: I....wish I could....stand  
on our....land with you  
once again.  
And hold....my.....child.....

The bridge collapses separating Maxim and Selan from Guy and Artea.

Guy: The fortress is breaking  
up! Artea. The warp magic!

Artea: Maxim and Selan are too  
far. I can't take them  
with us!

Guy: Can't we do anything?

Maxim: Artea! Guy! Don't worry  
about us. Save yourselves!

Artea: Maxim?

Maxim: The Sinistrals are defeated.  
You must tell the people.

Artea: But....!

Maxim: I can't leave he here  
alone! Please understand.

Artea: .....

Guy: Let's go, Artea!

Artea: Guy! You can't mean...

Guy: Maxim said we should go.  
He's right. It's the only  
way.

Artea: .....

Guy: Artea!

Artea: Maxim. The world will know.  
I promise you. Goodbye,  
my friend.....  
Warp!

Maxim: Selan. Peace will come.  
I wish we had been born  
in such a world.  
Selan. I love you.  
I'll always love you.

Thus, the battle ended.  
The island plummeted into  
the depths of the sea.  
The Sinistrals vanished  
and never returned.  
In time, it came to be  
remembered as  
"The Battle of Doom Island".

Lufia  
& The Fortress of Doom

\*\*\*\*\*  
5. Alekia 1 \*\*\*\*\*  
\*\*\*\*\*  
90 years had passed since  
the great conflict.  
Once again, peace settled  
over the kingdoms.  
Life was good,  
and troubles were few.  
"The Battle of Doom Island"  
soon faded from memory.  
The people lived and worked  
in harmony once more.  
That's when the trouble  
started....

Roman: Another lazy day.

Hero: Hello, Roman.

Roman: Oh, Hero. Come for a  
visit, have you?

Hero: Yes.

Roman: My, you're a mess today!  
Went adventuring again,

did you?

Hero: I went to the caves today!

Roman: I wouldn't push my luck  
if I were you. But,  
then again, I haven't seen  
any monsters lately.

Hero: That's ok. I'm not afraid  
of any monster!

Roman: Hello, young lady.  
Are you all alone?

?????: .....

Roman: You're new around here.  
What's your name?

?????: .....

Roman: Are you lost?  
Is everything alright?

Hero: My name's Hero.  
What's yours?

Lufia: Lufia. My name is  
Lufia.

Hero: That's a nice name. Hey,  
Lufia! Where are your  
parents?

Lufia: .....

Hero: Where do you live?

Lufia: Let's play.

Hero: Huh?

Lufia: Let's go outside and play!

Hero: Ok.  
What do you want to do?

Lufia: Tag! I'll run and Hero,  
you come after me.

Hero: Alright. I'll count to  
three. Ready? One, two....

Lufia: Whee! Ha, ha, ha!

Hero: Three! Ready or not!  
Here I come!

Roman: Seems like a nice girl.  
I wonder who she is?

Nine years later....

Hero: Time for afternoon  
training.

Knight 1: Nobody's coming today,  
anyway. Just another  
day off.

Knight 2: Hey! I have an idea! Jack  
said he was going to chase  
Yuria around the castle  
again. Let's go watch!

Knight 1: This I have to see!

Hero: I don't believe this.

Knight 3: Lighten up Hero! They're  
just having some fun.  
And that's what peace is  
all about, right?

Hero: And what would you do if  
the monsters suddenly  
attacked?

Knight 3: Monsters? get real! There  
haven't been any monsters  
around here for 100 years!

Hero: Lufia....

Lufia: Why, Hero. Aren't you  
new guys supposed to be  
training today?

Hero: How'd you know that?  
Then, you also know why  
I'm here.

Lufia: Skipping out again, I  
imagine. The commander  
won't like it if you  
don't practice!

Hero: I'm not skipping out!  
No one came, so drill  
was cancelled.

Lufia: Oh, I see.

Hero: How about you, Lufia?  
What are you doing?

Lufia: I found some Priphea  
buds over here. Take  
a look.  
Here.

Hero: Which ones?

Where are they?

Lufia: They're all over the place.  
Look closer.  
Priphea almost never  
bloom. But they're so  
pretty when they do.

Hero: Always the flower lover.

Lufia: I guess you're right. I  
remember making wreaths  
for you, Hero, when  
we were children.

Hero: Mmm. You made me  
dizzy with so many  
flowers.

Lufia: Yes. Those were happy  
times, weren't they?

Hero: Tell me, Lufia. What  
do you think about  
life the way it is today?

Lufia: It's good, I think. We have  
peace and....well, you're  
here.

Hero: I wonder how long this  
peace will last.  
Life used to be so hard  
100 years ago.

Lufia: Are you thinking about  
the past again?

Hero: What would we do if the  
Sinistrals returned?  
Maxim is dead. Who would  
defend us?

Lufia: You're a knight of Alekia,  
aren't you? Doesn't Maxim's  
blood run in your veins?  
Won't that be enough?

Hero: .....

Lufia: We should be getting home  
soon. I'll make you some  
cinnamon tea. I haven't  
made it for a while.

Hero: Cinnamon tea.  
One of your recipes that  
actually tastes good.

Lufia: Oh, you! I'll have you  
know that it's very popular  
with our guests.

Hero: Hmm. That's odd.  
Aren't you using.....

Lufia: What?

Hero: You know. Herbs that  
change the taste of things?  
The stuff people say is  
made by the Lyden Wizard?

Lufia: Well, I never! If that's  
what you think, then I'll  
never let you drink it.

Hero: Come on, Lufia.  
I'm just kidding, ok?  
Don't be angry. Come on.  
Let's have that cinnamon  
tea. And how about some  
of your cinnamon pie?

Lufia: .....

Hero: Your cinnamon pie is  
the best in the whole  
world.

Lufia: You have some nerve!  
Well, if you're going to be  
that nice, I'll have to make  
a cinnamon pie, won't I?

The two run to the inn.

Lufia: Roman? I'm going  
to use the oven now.

Roman: Well, what's got into you?  
Going to bake something,  
are we?

Lufia: Cinnamon pie. Lots of  
cinnamon pie. You're  
going to love it!

Roman: Lufia is in a good mood.  
What happened?

Hero: Nothing. I just said that  
her cinnamon pie was the  
best in the world.  
That's all.

Roman: I see. I see. Well, she  
hardly ever bakes for me  
when I ask her, you know.

Hero: What? Lufia owes you so  
much. You'd think the least  
she could do for you is

bake a pie!

Roman: Oh, I don't do that much.  
I'm just an innkeeper.

Hero: I remember nine years ago.

Roman: Has it been nine years  
already?

Some guy 1: Have you heard? People  
say that monsters attacked  
the Kingdom of Sheran.

Some guy 2: I don't know about that. If  
it were true, why don't the  
knights look into it? That's  
what they're for, right?

Some guy 1: The Kingdom of Sheran won't  
let the Alekian knights  
enter.  
Besides, they're all too  
lazy. No one will go and  
see.

Some guy 2: Isn't that the truth!

Hero runs off.

Lufia: Hero. Go ahead and have  
some tea. The pie will be  
ready soon.  
Hero? Where are you?

Some guy 1: You mean the young man?  
He just left.

Lufia: Really?  
Whatever is he thinking?  
That Hero! I'll never  
forgive him!

Hero: Monsters is Sheran?  
It can't be true!

When you locate and talk to the commander.

Commander: What?! Monsters attacked  
the Kingdom of sheran?  
I've heard nothing about  
this!

Hero: It may be a rumor, but we  
should be cautious.  
Commander, form a detail  
and check it out.

Commander: It isn't that easy.  
We can't just send out

knights off on a rumor.  
I won't send anyone until  
a scout goes to Sheran.  
When you locate and talk to Yuria.

Yuria: Oh, it's you, Hero. Don't  
tell Jack I'm here. He's  
been chasing me around the  
castle again!

Hero: Jack is looking for you.

Yuria: What? He's inside?  
Now what will I do?

When you locate and talk to the Princess Estea.

Princess Estea: The Kingdom of Sheran?  
I know. The rumor  
worried me as well.

Hero: Princess Estea. Did you  
know about it?

Princess Estea: I have no authority to  
order the knights. But  
I am worried about  
Sheran. I....

Hero: Put your mind at ease.  
I was leaving for  
Sheran anyway.

Princess Estea: Really? Good. Our country  
still has a few good men  
left. Please use this.  
This is all the help  
I can give you.  
(Hero gets 100 gold  
pieces.)  
I leave Sheran in your  
hands.

Things said by people in Alekia when Hero talks to them:

This is a merchant's shop.

This is a weapons shop.

This is an armorer's shop.

What can I do for you today.

Yes. It's really peaceful.

Lufia was crying.  
Whoever made her cry must  
be cruel and unfeeling.

Why aren't you with

Lufia? You two are always together. What happened? Did you have an argument?

The latest dress designs are at the biggest shop in Lorbenia. Why don't you go there with Lufia?

Roman's cinnamon tea is the best. I wish I could make it, but Roman only taught Lufia.

Hey. You shouldn't let such a pretty lady run away like that!

The Sheran rumor is true? Well, I don't know. I've never actually seen monsters in Sheran.

Roman:  
Lufia got mad and left. That's understandable when you bake for someone and he skips out. Why don't you take a break?

You're an Alekian knight? You seem strange.

Chatam is north of Alekia. Be sure to visit their inn!

The way to Sheran lies through the northern caves, But beware! Monsters roam the tunnels.

My husband hates rain! That's why he uses the underground path.

When you want to use magic, select the staff icon with the cross key and press the "A" button. During battle, use the cross key to choose a spell. Press the "A" button to cast it.

Press the "A" button when in front of the dresser. Maybe you'll find something. When you walk around, touch objects in towns and villages to find hidden

items. For example you could  
look around outside  
this room.

Monsters in the Kingdom  
of Sheran? The commander  
didn't say a word about  
that!

Maybe you should ask  
the commander first.  
He's in the castle.

What? The commander?  
Same as always. He's  
sleeping in the backroom  
on the far left side.

You can't change your  
weapon once you're in  
battle, so be careful.

Hey, Hero? Have you  
seen Yuria? I'm going to  
ask her out today!

This castle needs more  
help, Hero.  
Do you know anyone?

The Princess has been  
acting strange lately.  
I wonder what's the  
matter?

This is the guest room,  
but we haven't used it  
much lately.

This is the Princess' room.  
Not just anyone may enter.  
Please leave.

Where did Yuria go?  
There's a ton of work  
to do!

I'm worried. Our Princess  
hasn't eaten much lately.  
Is it my cooking?

This is the throne room.  
Please behave in front  
of His Majesty.

What? The rumor about  
monsters in Sheran?  
I can't send anyone  
until you've checked it.  
No matter how many times

you ask, I can't send the  
knights until you've checked  
to see if the rumor's true.

\*\*\*\*\*  
6. Chatam 1 \*\*\*\*\*  
\*\*\*\*\*

Thing's said by people in Chatam when Hero talks to them:

Welcome. What can I do  
for you?

I know about the Sheran  
story. But, I'm not going  
to see if it's true!

I haven't seen Danil  
recently. His sister, Lilah,  
is a maid at the castle.  
I'm very worried about them.

I want to go to the store  
in Lorbenia. It might have  
things we can't get here.

Monsters in Sheran?  
Everyone knows about it,  
but nobody wants to find  
out.

My friend Kilah works in  
Sheran. I'm worried about  
her.

\*\*\*\*\*  
7. Sheran 1 \*\*\*\*\*  
\*\*\*\*\*

When you find and talk to the only person not knocked down in Sheran.

Some guy: Oh no.

Hero: Are you alright?  
Can you hear me?  
What happened?

Some guy: Something evil attacked us.  
That's why the monsters  
went crazy.

Hero: Let me take care of you.  
You'll be fine.

Some guy: Never mind about me.  
You must go and help  
the others.

Hero: Sir....?  
Sir!!

When you talk to the guy in the merchant shop.

Some guy: The monsters attacked us.  
Their leader wore a black  
cape.....

Hero: Be brave!

Some guy: .....

Thing's said by people in Sheran when Hero talks to them:

Go quickly, and return  
to Alekia.

Be careful. It's  
still here.

You must do something  
before Alekia is destroyed.  
Go back and inform the  
king right now!

It's dangerous here.  
Go home! Quickly!

\*\*\*\*\*  
8. Alekia 2 \*\*\*\*\*  
\*\*\*\*\*

When you talk to Roman at the inn.

Roman: What? Monsters in Sheran,  
you say? Come to think of  
it, we haven't had any  
guests from Sheran lately.

Hero: By the way, Roman.  
Has Lufia returned?

Roman: She's back, but she shut  
herself in upstairs.  
Still angry, I suppose.  
You should say something.  
Why don't you take a break?

When you talk to Lufia on the second floor of the inn.

Lufia: How could you do that to me?  
I'll never forgive you!  
Never!

Hero: Please listen. I'm sorry I  
left like that. But, there's  
trouble in Sheran right now.  
I had to go there.

Lufia: You could at least have  
stayed for some pie.

Hero: You can always make

cinnamon pie!

Lufia: So, Sheran is more  
important than my pie.  
Is that what you're saying?

Hero: That's ridiculous!  
You can't possibly  
compare the two.

Lufia: Why, you....! I understand.  
Go away! Leave me alone!

After walking out of the in.

Roman: Hey, Hero.  
You know, Hero.  
Lufia isn't really angry  
because you didn't eat  
the pie.

Hero: I know.

Roman: It's because you went off  
into dangerous territory  
alone.

Hero: I know. I know.  
But do you think she  
would listen to me?

Roman: Sometimes you're so funny.  
There's no need for you to  
go running off to such  
dangerous places.

Hero: Hmmm. I don't even  
understand it myself.

Roman: Must be that Maxim  
blood in you.

Hero: Would you take Lufia  
some hot mil later on?  
And please tell her the  
Priphea are in bloom.

Roman: Priphea?

Hero: Flowers. She was waiting  
for them to bloom.

Roman: Don't push yourself so much.  
Come back here if you get  
hurt. We're always open.

After exiting Alekia.

Lufia: Hero! Wait!

Hero: What's wrong, Lufia?

Lufia: You're going somewhere  
dangerous again, aren't  
you?

Hero: Yes.

Lufia: Even if I tell you not to  
go, I know you'll leave  
anyway.

Hero: You know everything,  
don't you?  
You're right. I'm going.  
I have to go.

Lufia: I won't stop you.  
Take me with you.

Hero: I can't.

Lufia: I thought you'd say that,  
but I still want to go  
with you.

Hero: No!

Lufia: Please....I

Hero: No way!

Lufia: Hero is so stubborn!  
Fine.  
Even if he says no,  
I'm still going with him.  
I won't take no for an  
answer. I'm still mad  
at you about the pie!

Hero: Still angry about that?  
I don't care.  
You want to come? Fine.  
Do as you like.  
Don't blame me if something  
happens.

Lufia: That's alright with me.  
I don't need your help.  
I can take care of  
myself just fine.

Hero: A brave thing to say. Ha!  
Suit yourself!

Lufia: You don't like me, do you?

Hero: .....

Lufia: I'm selfish and I have

a short temper.  
No wonder you're tired  
of me.

Hero: If that's all it take,  
then I was tired of you  
long ago.

Lufia: ....Hero.

Hero: Lufia, dangers lie ahead.  
I can protect myself, but I  
don't know if I can protect  
you. Please understand.

Lufia: Well, I don't.

Hero: Why won't you listen?

Lufia: Whatever the danger ahead,  
I'm not afraid.

Hero: What are you saying, Lufia?  
I....

Lufia: You'll learn how, I'm sure.  
No matter what happens,  
you'll protect me, won't  
you?

Hero: Well....yes.

Lufia: Please. Let me go with you.  
I promise I'll do my best!

Hero: .....

Lufia: .....?

Hero: You might die.

Lufia: I won't die.

Hero: How can you say that?

Lufia: Just because. If you're  
with me, I just won't die.

Hero: You always want it  
your own way, don't you?

Lufia: You figured that out  
just now?

Hero: I knew it all along.  
Ha, ha, ha, ha!

Lufia: Why are you laughing  
like that, Hero?

Hero: Because I thought it would  
end up like this!

Lufia: Me, too.

Hero: Lufia....

Lufia: Promise me Hero, that  
you'll never leave me.

Hero: I promise.

Lufia: That's all I wanted to hear.

Hero: Let's go, Lufia.  
We must get to Sheran.

Lufia: Alright.

When you go to the castle and speak to the commander.

Commander: What? Monsters actually  
attacked Sheran? I'll send  
a detail immediately!

Hero: Good. When will they  
leave?

Commander: First, we'll hold a meeting.  
They'll leave when everyone  
agrees to go.

Hero: So, when will they go?

Commander: Let's see. The chairman's  
in Lorbenia. I think he  
returns next week.

Hero: You mean, they won't  
leave until next week?

Commander: Well, the chairman returns  
next week. And then, we'll  
hold a meeting to choose  
the members of the detail.

Hero: I've heard enough!  
Excuse me!

\*\*\*\*\*  
9. Sheran 2 \*\*\*\*\*  
\*\*\*\*\*

When you talk to Danil on the floor in the cave on your way to Sheran.

Hero: Are you alright?  
Pull yourself together!

Danil: I'm fine. Are you a knight?  
My sister Lilah is in  
Sheran Castle.

Hero: Sister?

Danil: I came here because I was worried. Monsters attacked me. Please take me to Sheran.

Hero: Listen. You can trust me. Go back to the village. There's danger ahead.

Danil: I understand. Please help Lilah.

Hero: I'm sure she's fine.

Danil: Thanks. Take this key. Lilah used it at the castle. I'll be fine. Please hurry to Sheran.

When you find the King of Sheran.

Lilah: Who's there?

Hero: Hero, knight from the Kingdom of Alekia. I've come to help.

Lilah: Knight of Alekia? Great! Are you here to rescue the King?

Sheran's King:  
What? Only two?  
What are knights of Alekia doing in our country?

Lilah: Sire! These are dangerous times! You should be grateful.

Sheran's King:  
I know.

Lufia: Hero. It's amazing that someone would scold a king!

Hero: Probably very important. Excuse me. Is Lilah here?

Lilah: I'm Lilah.

Hero: You're Lilah? Your brother asked us to find you.

Lilah: My brother, Danil?

Hero: He's been worried about  
you. Let's get out of here.  
I'll take you to Alekia.

Lilah: I understand. Thank you.

After exiting the castle.

Gades: Who dares to enter  
my domain?

Lilah: It's him! He's the one  
who destroyed everything!

Gades: Ah! an Alekian knight!  
Yet, you seem different  
from the others...

Hero: ...Lufia!  
Take everyone and leave.  
You're in great danger!

Lufia: But! But, Hero!

Hero: Go! Go and get the knights.  
Quickly! Something evil is  
at work here!

Lufia and the others flee leaving Hero behind.

Hero: Why? Why did you  
destroy so many?

Gades: I need no reason!  
My mission is destruction.  
No more, no less.

Hero: Destruction?  
Do you think you can  
get away with such an  
evil deed?

Gades: Puny knight!  
I AM EVIL!

Hero: E....Evil?

Gades: I am Gades! Siniatral of  
Destruction!!

After Gades defeats Hero. Lufia returns.

Gades: You. Woman.  
You!

Lufia: What? Stay away from me!  
I won't let you take Hero!

Gades: .....

Lufia: Go away! Leave us alone!!

Gades: So be it!  
Farewell, woman.  
Until the next time!

Lufia: Are you alright, Hero?

Hero: Don't worry about me.  
I'm fine, but what about  
the king and the others?

Lufia: Everyone arrived in Alekia.  
They're safe inside the  
castle walls.

Hero: What about the knights?  
Where are they?

Lufia: They couldn't leave right  
away. So, I returned alone.  
I was so worried about you,  
Hero.

Hero: Thanks! I wouldn't have  
made it without you!

Lufia: Who was that anyway?

Hero: I couldn't believe my  
ears, but he called  
himself Gades.

Lufia: Gades?  
The Sinistral Gades?  
I thought he died at  
Doom Island!

Hero: That's right.  
He was supposed to  
have been defeated.

Lufia: That means....

Hero: We don't know that.  
If it was Gades, what  
about the other three:  
Amon, Daos, and Erim?

Lufia: I don't want to know!  
Let's return to Alekia.

Hero: You're right. Let's return  
Lilah to Chatam village.

\*\*\*\*\*

10. Alekia 3 \*\*\*\*\*

\*\*\*\*\*

After entering Alekia.

Roman: Hero

Hero: Roman

Roman: You're alright, Hero. I  
heard from Lilah and I  
was worried.

Hero: I'm fine.

Roman: Well, let's head home.  
You challenged Gades,  
didn't you, Hero?

Hero: Yes.

Roman: What are you going to  
do now?

Hero: First, I'm going to escort  
Lilah from the castle to  
the village of Chatam.  
And then, I....

Roman: Going off even further?

Hero: Uh....yes.

Lufia: Hero. Would you  
mind leaving us for  
a moment?

Hero: I'll wait outside.

Lufia: Roman....I....

Roman: It's alright to go  
with him.

Lufia: What?

Roman: Don't leave Hero. It's  
no accident that you  
met each other.

Lufia: But, I can't leave you  
all alone.

Roman: Don't worry about me.  
I'm sure I'll see you  
again.

Lufia: Roman....

Roman: Go now.

Lufia: I'll be back.

Lufia walks outside to Hero.

Lufia: He said, "Go."

Hero: I see.

After going to the Castle and speaking to Lilah.

Lilah: I don't know how to thank  
you Hero.

Hero: It's nothing. I should  
take you to Chatam Village.  
You're brother is waiting.

Lilah: Thank you.

After talking to the Princess in the castle.

Princess: Hero. You've returned  
safely. I heard from the  
King. But, who was it that  
you fought against?

Hero: You won't believe me,  
but it was Gades.

Princess: Gades? one of the  
Sinistrals from Doom  
Island? How is this  
possible?

Hero: I must find out if the  
Sinistrals really have  
returned to our world  
again!

Princess: I too, must know. Forgive  
my request, for I fully  
realize the dangers you  
are about to face.

Hero: I'm prepared for danger.  
And if it is Gades, my  
mission is to destroy him.

Princess: Missions....I see. Yes. You  
are descended from Maxim.  
Good. But be careful.

\*\*\*\*\*  
11. Chatam 2 \*\*\*\*\*  
\*\*\*\*\*

When you talk to some kid in Chatam.

Kid: You're lady friend looks  
tough.

Hero: Do you think so? I'd say  
she's rather gentle.

Kid: Maybe, But, she still  
looks strong.

Hero: You shouldn't try to  
fool children.

Lufia: What do you mean  
by that?

Hero: Oh, nothing. Nothing at all.

When you cross the bridge in Chatam.

Lilah: Danil!

Danil: Lilah!

Lilah: Danil!

Danil: Lilah, is it really you?  
I'm so glad you're alright.

Lilah: Danil, oh Danil.

Lufia: Everything is alright  
now. Lilah...

Hero: What's the matter,  
Lufia?

Lufia: I....I'm just so happy.

Danil: I don't know how to thank  
you for bringing Lilah  
back safely. I....

Hero: Please. Don't worry  
about it.

Lufia: Just be sure to take  
good care of your sister.

Danil: I give you my word.

Lilah: Hero. It's just a rumor,  
but there's someone in  
Treck who knows about the  
Sinistrals.  
Treck is southwest of  
Sheran. It's far, so be  
careful.

\*\*\*\*\*  
12. Treck 1 \*\*\*\*\*  
\*\*\*\*\*

After speaking with a woman in the Lodge.

Woman: The old fellow at the port  
said he was a knight. He  
used to be with the Guy  
Legion.

Hero: The guy who survived the

Battle of Doom Island?  
That one?

Woman: I....I really don't  
know.

When you talk to some kid at the docks.

Kid: My father works at the  
largest shop in Lorbenia.  
What do you think of  
that?

Lufia: Really? That's great!  
Does he bring you lots of  
presents when he comes  
home?

Kid: Yes! But, he hasn't  
returned yet. I wonder  
what's happened?

When you talk to Former Guy Legion Knight at the docks.

Former Guy Legion Knight:  
I sense unusual energy  
from you. Did you battle  
a strong enemy lately?

Hero: How did you know that?

Former Guy Legion Knight:  
Because I used to be a  
knight with the Guy  
Legion.

Hero: Guy? you mean the Guy of  
Doom Island?

Former Guy Legion Knight:  
Yes. It was a long time  
ago.

Hero: Did you know anything  
about Gades?

Former Guy Legion Knight:  
So, you know about the  
Sinistral Gades. Pretty  
rare these days for one  
so young!

Hero: Know him? I fought him!

Former Guy Legion Knight:  
Wha....what's that?  
You fought Gades?  
Is this true?

Hero: Yes.

Former Guy Legion Knight:  
If you're telling the truth,  
that explains the imbalance.  
But....Gades was destroyed.

Hero: Please tell me what you  
know about Gades. I  
must know.

Former Guy Legion Knight:  
Why such interest in the  
Sinistrals? Don't you  
fear for your life?

Hero: I am Maxim's descendant.

Former Guy Legion Knight:  
Maxim? You? Hmm.  
Follow me.

They walk to the house west of the entrance.

Former Guy Legion Knight:  
Ainea. You there?

Ainea: What is it, uncle? Who's  
that behind you?

Former Guy Legion Knight:  
This is Hero. Show them  
to the East Cave. I want  
him to meet the One.

Ainea: Are you sure? I mean, the  
One said he wouldn't meet  
anybody.

Former Guy Legion Knight:  
It's alright. He's a  
descendant of Maxim.  
They must meet.

Ainea: Maxim? Hero, please come  
with me to the East Cave.

Hero: East Cave?

Ainea: An important person lives  
just beyond the East Cave.  
He often helps me. Please  
come.

Things said by people in Treck when Hero talks to them:

Monsters recently captured  
most of the Lorbenia-bound  
ships. Shipping has  
stopped. It's a pain.

You wish to see me.

Welcome. I've some great  
pear cider on hand!  
What will it be?

An old man who watches the  
sea all day is unusual.  
That's what I think!

We've had few customers  
lately. The work is easier,  
but.... Oh, we'll take your  
order downstairs.

We have fine cider in the  
basement, but so does  
Arubus.

Yo! How's business? As  
long as I have my  
precious ship Maberia,  
business is grand!

New dresses have arrived  
at the shop in Lorbenia.  
Why don't you get something  
for your lady friend?

It's 10 gold pieces a night.  
Do you want to stay over?

Take a look at what  
we have here!

Please come in. Take  
your time and look  
around.

Our weapons are the best  
on this island. Going on  
a voyage? We have  
everything you need!

No ships are ready to  
set sail for Lorbenia.  
Many were attacked by  
monsters.

Ships have stopped  
coming recently.  
Why?

Great ship, isn't she?  
That's my Maberia. When  
you trade with Lorbenia,  
she'll never go wrong!

Our cider is too bitter  
for you young folks. But,

I'll sell it to you if  
you still want it.

\*\*\*\*\*  
13. East Cave \*\*\*\*\*  
\*\*\*\*\*  
When you reach the door.

Ainea: Just a moment. I'll  
open the door.  
It's open. Go through  
there.

Guy: Oh, Ainea. Was I  
expecting you today?

Ainea: No. I'm here for a  
special reason.

Guy: Who's that behind you?

Ainea: This is Hero, a descendant  
of Maxim.

Hero: Pleasure to meet you.

Guy: Descendant of Maxim?  
Then would you be so  
kind as to focus your  
thoughts?

Hero: Thoughts?

Guy: Just think of any one  
thing. That will be enough.

Hero: Sure.  
.....

Guy: Strong energy. Just like  
Maxim's. The very same  
power runs through you,  
too.

Hero: You know about Maxim?  
Who are you?

Guy: I am Guy. I fought  
with Maxim against  
the Sinistrals.

Hero: You're Guy? But....!

Guy: No need to be surprised. I'm  
over 100 but still kicking!  
Now. What would you want  
with such an old man?

Hero: Guy. I battled Gades.

Guy: Gades? But.....  
That's not possible!  
He lost at Doom Island!

Hero: But it was Gades.

Guy: Impossible! Absolutely  
out of the question!

Lufia: Guy. Hero isn't one  
to lie.

Guy: Hmmm? Who is that?

Hero: This is Lufia, a  
childhood friend. We're  
traveling together.

Lufia: How do you do?

Guy: Lufia, eh? Hmmm.

Lufia: .....?

Hero: If you know anything of  
Gades and the Sinistrals,  
please tell me.

Guy: It hurts to recall. But, if  
Gades has really returned,  
there's no time to rest.  
Not even for me!

Ainea: You can't, Guy. You'll  
hurt yourself!

Guy: But I can't just sit still.  
I....I can.....ugh!!

Ainea: Guy! What's wrong?

Guy: It's my time. It's....

Ainea: Don't say that. You'll  
be fine.

Guy: Hero. Seek Artea, the elf.  
They live a long time. I'm  
sure he'll help you.

Hero: Is Artea alive, too?  
Where can I find him?

Guy: There's one in Grenoble  
who knows about Artea.  
Remember....find....Artea...

Hero: I understand. I'll look  
for him.

Guy: Don't give in to the  
Sinistrals. You mustn't!  
You have Maxim's blood....  
You....

Ainea: Guy! Guy! No!

After Guy dies and the they bury him.

Ainea: A great warrior, Guy. May  
he rest in peace. We'll  
never forget you.  
What will you do now?

Hero: We'll go to Grenoble.  
Someone there knows  
about Artea.

Ainea: Well, be careful. I'll look  
forward to the day when  
peace comes to this land.

Hero: Guy. I will defeat the  
Sinistrals. I promise.  
Rest. Rest peacefully.  
Let's go, Lufia.

Lufia: Ok.

Hero walks away.

Ainea: Lufia.  
It may be that the only  
one who can defeat the  
Sinistrals is one who  
has Maxim's blood.

Lufia: Yes. I know.

Ainea: Stay close to Hero. Your  
support is more important  
than any sword or armor!

Lufia: I won't let Hero get  
hurt, no matter what.  
I....

Ainea: Lufia. You be careful, too.

\*\*\*\*\*  
15. Treck 2 \*\*\*\*\*  
\*\*\*\*\*

When you speak to the Former Guy Legion Knight.

Former Guy Legion Knight:  
Yes. Artea would be able  
to help, wouldn't he?

Hero: There's someone in the town  
of Grenoble who knows about

Artea. That's where we'll go.

Former Guy Legion Knight:  
Grenoble is southwest of Lorbenia. We used to sail there, but not anymore.

Hero: Anyway, we won't get anything done unless we go to Lorbenia.

Former Guy Legion Knight:  
Some soldiers from Lorbenia are here. They're asking about the Four Sinistrals. How about meeting them?

When you go to the dock and speak to Aguro.

Aguro: I am Aguro, commander of the Lorbenian Army. I came when I heard that Gades invaded Sheran. Can you tell me anything?

Hero: You want to know about Gades?

Aguro: And you as well, I see. Do you know anything?

Hero: You may not believe me, but I fought him.

Aguro: What! Is this true? Who are you? What's your name?

Hero: I am Hero, knight of Alekia.

Aguro: Hero. Tell me more of your battle. Let's dine together at my camp. You will be my guest.

A ship with four Demon Lords on it docks.

Aguro: Wha....what!

Hero: Monsters!  
Monsters everywhere!

Aguro: How interesting! We'll talk later, Hero. Come on! Let's get them all!

After defeating the four Demon Lords.

Aguro: Never before have I seen  
such swordsmanship!

Lufia: Of course. Hero is a  
descendant of Maxim.

Aguro: Descendant of Maxim? So,  
you were destined to meet  
Gades. Most people flee  
when they hear that name.

Hero: If Gades and the Sinistrals  
have returned, my quest is  
to destroy them.

Aguro: I see. By the way, Hero,  
what are your plans now?

Hero: I'm off to Grenoble. It  
seems someone there knows  
about Artea.

Aguro: Grenoble is southwest of  
Lorbenia, I believe. I've  
been there. You can use my  
ship to cross the sea.

Hero: Really? I'd appreciate  
that.

Aguro: Hey! No problem. Trust me.

Some guy in the Lorbenian Army:  
Commander. The sh...ship  
was sunk by...,by  
monsters.

Aguro: What!!

Some guy in the Lorbenian Army:  
This town has no more  
ships.

Aguro: Hmm. So, Hero. First,  
let's find a ship.

Lufia: Will it be alright?  
Can we trust him?

\*\*\*\*\*  
16. Maberia \*\*\*\*\*  
\*\*\*\*\*  
When you reach the Maberia.

Hero: This must be the Maberia.

Lufia: Hero! Behind you!

Three Goblins run up from behind your party.

After defeating the Goblins.

Hero: They're the ones who stole  
the Maberia!

Lufia: Hero. Let's board the ship  
and sail to Treck.

Hero: Good idea.

\*\*\*\*\*  
17. Treck 3 \*\*\*\*\*  
\*\*\*\*\*

When you talk to the Maberia's Captain.

Captain: Found my Maberia? Where?  
The port? Right! Of course.  
Let's go!

Your party and the Captain walk to the Maberia.

Captain: My Maberia! Thank you!  
Anytime you want to go  
to Lorbenia, you ride free.  
That's my thanks to you.

\*\*\*\*\*  
18. Lorbenia \*\*\*\*\*  
\*\*\*\*\*

After you arrive at Lorbenia.

Aguro: I'll return to headquarters  
to officially request the  
dispatch of the Lorbenian  
Army. And you, Hero?

Hero: Well, first.....

Lufia: We're in Lorbenia now.  
I'd love to see those new  
dresses at the big shop.  
can we go, Hero?

Hero: I knew you'd say that!  
Alright. I'll hand around  
here a little longer.

Aguro: I'll come to the inn later.  
I have many questions to  
ask you.

When you talk to some girl at the Docks.

Girl: My boyfriend is a sailor.  
He was on the ship that  
left today.

Lufia: Sailors are wonderful.  
They're so cool!

Girl: I love listening to his  
tales of adventure.

When you talk to the Toymaker.

Toymaker: Hi. We sell stuffed animals.

Lufia: So many cute animals.  
Did you make them  
yourself?

Toymaker: Yes. I made all the  
animals here.

Lufia: Isn't that something?  
They're all so cute.  
Especially that cat. I  
love that.

Toymaker: Oh, I'm sorry. This one  
isn't for sale. It's for  
my daughter. But I'll  
discount the other ones.

When you enter the Dress Shop.

Lufia: Wow!!  
Look at all these dresses!  
Oh, Hero! What do you  
think about this one?

Hero: Well, it's fine, I guess.  
It's pretty, too. It must  
be pricey!

Lufia: Oh, I love this one!  
Don't you think it's  
perfect, Hero?

Hero: Give me a break! How much?  
5,800 gold pieces?! That's  
crazy! You can buy plated  
mail for that!

Lufia: I know. I know.  
It's expensive.

After speaking to a woman who works in the Dress Shop.

Woman: We're having a sale today!  
Buy now before we're  
sold out!

Lufia: Sale! Hero, I'm going  
to check it out.

Some kid steals Lufia's gold and runs off.

Thief: Piece of cake!  
Let's see. What do I have

Today?

Hero catches the thief.

Hero: Hey!

Thief: What? Who are you?

Hero: Give me the gold you  
took from Lufia.

Thief: Wha...what are you talking  
about? Are you calling me  
a thief?

Hero: Don't lie to me.  
I saw you!

Thief: .....

Hero: Don't try to run away.

Thief: Darn it! I haven't done  
anything!

Lufia comes.

Lufia: Hero? Here you are.  
What? Who is this child?  
What's going on?

Hero: Lufia. Do you have  
the gold?

Lufia: What? Money? No, I don't!  
Did he...?

Hero: Mmm. What should we do  
with him? Let's see. The  
army!

Lufia: Wait, Hero. He's just a  
child. We have the money.  
Let him go.

Hero: But....!

Lufia: It's alright.  
Boy. Don't you ever do  
this again. Can you  
promise me that?

Thief: Yes! I promise.

Lufia: Good. You can go now.

Hero: You're too kind, Lufia.

Lufia: It's just that I know  
he has some reason

to steal.

When you speak to the innkeeper.

Inkeeper: Hello. Were you having  
problems with Lou at  
the big shop?

Lufia: You know about him,  
do you?

Inkeeper: Everyone around here knows  
about him. His name's Lou  
Shaia. He's the son of  
Professor Raile Shaia.

Hero: Professor Raile Shaia?  
Who's that?

Inkeeper: He's studying something  
weird. I heard he's  
traveling around the world  
to find whatever it is.

Lufia: Then, why doesn't he  
take Lou with him?

Inkeeper: There are so many  
dangerous places out  
there. He decided to  
leave his son at home.

Hero: But why does Lou steal?

Inkeeper: I hear that Raile Shaia's  
research doesn't pay very  
well. I guess he doesn't  
pay Lou well, either.

Lufia: Some father!

Inkeeper: For that reason, people  
in this town sort of  
ignore what Lou steals.

Lufia: So that was it. Now I  
understand.

Inkeeper: Oops. I took too long.  
So. 20 gold pieces. Are  
you staying?

As you exit the inn.

Hero: Aguro.

Aguro: Oh, it's you, Hero.  
I was coming to visit  
you.  
Hero. You're going ahead

with your journey to  
destroy the Sinistrals.  
Am I correct?

Hero: Yes. The Sinistrals are  
evil. If they have returned,  
then I must defeat them.

Aguro: I see. Then, I'm coming  
with you.

Hero: What? Will you really  
join us, Aguro?

Aguro: What do you mean? Am  
I not worthy enough for  
you?

Hero: Don't be ridiculous! Of  
course you are. But, if  
you come with me, won't  
the army suffer?

Aguro: I asked the army to battle  
the Sinistrals. No interest  
at all. I can't stay there  
any more.

Hero: All armies are the same.

Aguro: Well, Hero? Where are  
we off to first?

Hero: Grenoble. Someone is there  
who knows about Artea.

Aguro: Grenoble is in the  
southwest. Let's get going!

Things said by people in Lorbenia when Hero talks to them:

The streets turn empty  
when there's a sale.  
Everyone goes shopping!

My ship departed.  
She's heading for port.  
I don't know when she'll  
return!

This is the headquarters  
of the Lorbenian Army.  
Sorry. Non-authorized  
personnel cannot enter.

What can I do for you today?

An items shop just opened

near here. That will kill  
my business. I'll have to  
find something new.

Hello. Sharpness makes  
the weapon! You'll find  
none sharper than ours.

Light weight and ease  
of movement make our  
armor the best around.

We have things the shop  
next door doesn't have.  
Take your time and look  
around.

Power Gourd temporarily  
boosts your power. Great  
against strong enemies, but  
it weakens as you fight.

New dresses are on the  
third floor. If you're  
taking the lady behind  
you, please be prepared!

My brother wants  
everything he sees!

This is cool, Sis!  
Please buy it for me!

Hello. We sell accessories.  
How about a present for  
your lady friend?

Gee, everything looks so  
wonderful! I can't make  
up my mind!

I want the biggest teddy  
bear in the stuffed  
animal shop.

My girlfriend asked me to  
come with her. I've been  
here all morning! I'm  
exhausted!

Hey! I found this dress!

We'd better choose fast  
before everything is sold  
out!

19. Grenoble 1 \*\*\*\*\*  
\*\*\*\*\*

When you talk to some guy near the entrance.

Hero: Excuse me. I heard someone here knows about Artea. Do you know who that might be?

Some guy: Well, I don't know. But the old man in the Spring Basement might know.

When you talk to a Knight in the treasure hunters shop.

Knight: I found some great treasure today. How about you?

Hero: What kind of shop is this anyway?

Knight: What? You didn't know and still came? This shop takes treasures found in the Old Cave.

When you talk to a Knight in the treasure hunters shop.

Old man: You're new here. I've been living like this for 40 years. I'm a pro. Keep your hands off, understand?

Hero: Excuse me. Do you know someone called Artea?

Old man: Artea? Oh, you mean the elf who fought at the Battle of Doom Island! I've heard of him....

Hero: You know him? Please tell me more.

Old man: You don't understand how the game is played. When you ask for something, you have to....you know....

Hero: I have a little money, if that's what you mean. But....

Old man: Not money. What I want is the "Fairy Kiss" treasure at the 2nd level of the Old Cave. Only a woman can reach the "Fairy Kiss". There's no way I can get it.

Things said by people in Grenoble when Hero talks to them:

The monsters in the Old Cave are powerful. You must use strong weapons against them.

It's 40 gold pieces a night. Do you want to stay over?

When walking in the toxic marsh, sometimes you hit things you can't see. These may be hidden treasures.

Inside the Old Cave is a fabulous treasure that only women can find. You could be rich.

My husband hasn't returned from the Old Cave yet. I don't know what I'll do if something's happened to him!

What can I do for you today?

Be strong if you choose to enter the Old Cave.

Take a Smoke Ball when you enter the Old Cave. You can avoid monsters with it.

I've been to the Old Cave many times but I've never reached the bottom. How far down can it go?

I'm going to be a treasure hunter when I get older.

Sorry, but you can't pass here.

Do you know the power of the ring? The Flash Ring increases the power of Flash magic. There are many kinds of rings. You must use them as each situation demands. You can't find many rings in the shops. They're usually inside treasure chests.

Have you heard the rumor, too? I'll let you pass for 50 gold pieces. Will you pay?

The Old Cave holds many treasure. Of course, much has been stolen. Most of what's left is worthless.

You don't look anything like a treasure hunter! That's ok. Try to find something valuable!

Here you get a task suited to your level. You get a new task for every 5 levels of experience you reach.

\*\*\*\*\*  
20. Old Cave 1 \*\*\*\*\*  
\*\*\*\*\*

When you reach the door only women may enter.

Lufia: Wait here. I'll go and get it.

Hero: Will you be alright by yourself?

Lufia: Of course. Trust me.

Hero: We'll be right here if something happens.

After Lufia returns from the room.

Hero: Are you alright, Lufia?

Lufia: I'm fine. Let's return to Grenoble.

\*\*\*\*\*  
21. Grenoble 2 \*\*\*\*\*  
\*\*\*\*\*

After speaking to the old man in the treasure hunters shop.

Old man: Wow! This is it! This is what I've looked for these 40 years!

Hero: So, what do you say?

Old man: Ok. Ok. Artea, right? See the man in the tower northwest of town.

Hero: Northwest Tower. Got it!

Old man: He's a strange one. Won't meet anybody unless they show him this letter from me.  
He was Artea's apprentice.

So he must know something.

\*\*\*\*\*

22. Northwest Tower \*\*\*\*\*

\*\*\*\*\*

When you talk Apprentice on the top floor of the tower.

Apprentice: Who are you? Don't  
interfere with my  
practice!

Hero: Wait. I have a letter  
for you.

Apprentice: A letter? Show it to me.  
Oh! From my friend in  
Grenoble. He helped me  
a lot when I was young.

Hero: Uh....

Apprentice: Ah, yes. You want to  
ask about Artea.

Hero: Do you know him?

Apprentice: I do. But, I can't tell  
you anything.

Hero: Why not?

Apprentice: You may be someone  
important. But, I can't  
tell you where Artea  
lives.

Hero: Well, then. How can I  
make you tell me?

Apprentice: We shall battle each other.  
One-on-one. For real. Are  
you truly brave enough to  
accept my challenge?

After defeating Apprentice.

Apprentice: You are a good person.  
I can tell by your energy.

Hero: You'll tell me?

Apprentice: Artea is in Elfrea now.

Hero: Elfrea?

Apprentice: The village of elves.  
Humans may not enter. You  
will not find him without  
an elf helper.

Hero: So, where's Elfrea?

Apprentice: Go south and cross the  
desert. You'll find a small  
island surrounded by three  
islands. That's Elfrea.  
Listen. Elfrea is far away.  
You'll have to travel  
through three towns to get  
there.

Hero: I understand. Thanks for  
all your help.

Apprentice: Take this. It'll make  
you faster and stronger.  
(Hero get speed potion)

\*\*\*\*\*  
23. Kirof 1 \*\*\*\*\*  
\*\*\*\*\*

When you enter the backroom of the Merchant's shop.

Mark: I promise I'll make you  
well, Reyna.

Reyna: Thank you, Mark, but it's  
alright. No medicine has  
ever worked for me.

Mark: You'll be fine. Our town  
has a ruby, the "Hope Ruby".  
It makes your wishes come  
true. I'll bring it here.

Reyna: I know of it. But I thought  
it was a treasure of the  
Kingdom of Medan.

Mark: I'm sure I can borrow it  
if I ask. Next time I come,  
I'll bring the "Hope Ruby".

Reyna: Thank you, Mark.

Mark: I'll go back to Medan.

When you talk to Reyna.

Reyan: I hope Mark doesn't  
do something stupid  
because of me.

Lufia: Is Mark Reyna's boyfriend?

Reyna: Yes. He lives in the  
eastern town of Medan.  
He came to see me even  
after I became ill.

Lufia: He's so sweet.

Reyna: I know. But I wonder  
if I'll ever see  
him again?

Lufia: That' won't happen.  
You have to get well.

Reyna: Yes. You're right.

\*\*\*\*\*  
24. Medan 1 \*\*\*\*\*  
\*\*\*\*\*  
After walking to the castle's entrance.

Lufia: Oh, it's you. Didn't  
I see you at the  
items shop in Kirof?

Mark: What? Oh! You're the  
lady who came to  
Reyna's house.

Lufia: What's the matter? You  
look troubled.

Mark: I asked the King to lend  
me the ruby, but he wouldn't  
even see me. I promised  
Reyna. What shall I do?

When you walk up to the hope ruby.

Lufia: Hero. I'm going to go  
make a wish.  
Ask me what I wished for.

Hero: What did you wish for?

Lufia: Hee, hee! I won't tell.

When you find the Princess and a Knight on the bottom floor.

Knight: Princess. You shouldn't be  
in a place like this!

Princess: You've been collecting all  
the coins thrown into the  
fountain again, haven't  
you?

Knight: Well? That's my job.

Princess: It's sad. We call it the  
"Hope Ruby", but I know  
it's just made of glass.

Knight: But the coins thrown into  
the springs are what our

country needs.

Princess: I know. That's why it's sad.  
We can't defend the ruby  
forever. Our country must  
wake up someday.

Knight: Princess....

Princess: I wish the ruby was  
broken!

When you exit the castle.

Mark runs by.

Lufia: Wasn't that Mark?

Knights run after him.

Hero: What's happened?

Knight: The "Hope Ruby" was  
stolen! It's the most  
important thing in  
Medan!

Lufia: No. It's not possible.

Hero: It can't be.

\*\*\*\*\*  
25. Kirof 2 \*\*\*\*\*  
\*\*\*\*\*

After entering Kirof.

Mark: Reyna has disappeared!

Lufia: What? Reyna?  
But she's sick!

Mark: I thought Reyna  
couldn't even stand!  
Please help me find  
Reyna!

Lufia: Of course. You stay here,  
Mark. It's dangerous from  
here on out.

Mark: No! I'm going. I promised  
Reyna that I'd show it to  
her!

Lufia: I knew it! You're the one  
who stole the ruby!

Mark: I know it was wrong.  
I just wanted to make  
Reyna well, that's all.

Lufia: But Mark, that ruby  
doesn't have any power.....

Hero: It's alright, Mark. Let's  
go together. It's very  
dangerous. Are you ready  
for that?

Mark: Of course!

\*\*\*\*\*  
26. Ghost Cave \*\*\*\*\*  
\*\*\*\*\*

When you find and speak to Reyna.

Mark: Reyna

Reyna: .....

Mark: Reyna! It's me. Mark!  
Hang on! We're coming!

Reyna: Aaah!!  
(phantasm appears behind Reyna)

Phantasm:  
Ha, Ha, Ha! At last!  
The ruby will be mine!

Aguro: Miserable phantom! How  
dare you kidnap the weak  
and helpless!

Phantasm: Do you know how long  
I've waited for her?  
Miserable humans! I  
won't let you stop me!

After defeating phantasm.

Reyan: Oh.....ahhh.

Mark: Reyna!

Reyna: Mark? Why the face?  
Where are we?

Mark: Reyna! Are you alright?

Reyan: I feel a bit light,  
but I'm fine.

Lufia: The ghost kidnapped Reyna.  
Now I know why the medicine  
didn't work.

Reyan: Mark. Is that....the....  
"Hope Ruby"? Oh, no!

It's broken!

Mark: What?! It broke during our battle! Well, we don't need it now, anyway.

Reyna: It's very valuable, isn't it? What should we do?

Mark: Tell the truth and apologize. They might forgive us.

Lufia: Apologize to the princess, Mark. She'll understand, won't she Hero?

Hero: Of course she will. Right, Aguro?

Aguro: Maybe she'll reward you instead! Ha, ha, ha!

Mark: .....?

Hero: Let's return to Kirof.

\*\*\*\*\*  
27. Kirof 3 \*\*\*\*\*  
\*\*\*\*\*

Lufia: Mark. Reyna. Take care of yourselves.

Reyna: Are you leaving us already?

Lufia: Yes. We have to find a village called Elfrea.

Mark: I thought you couldn't get to Elfrea without an elf in your party!

Lufia: Do you know anything about this, Mark?

Mark: I don't know where Elfrea is, but there are elves in Belgen.

Lufia: Belgen?

Mark: Belgan is a village southeast of Medan. My father went there. He said an elf woman lives there. It was the first time my father ever saw an elf. He was so excited. He

told me the story later.

\*\*\*\*\*  
28. Medan 2 \*\*\*\*\*  
\*\*\*\*\*

After entering Medan.

Princess: I have something very  
important to tell everyone  
today.

The "Hope Ruby" that was  
stolen the other day is  
made of glass.

Some guy 1: Great! So the real one is  
hidden somewhere, right?

Princess: The glass ruby was  
the only one in Medan.

Some guy 1: What?

Some guy 2: Are you saying there  
was no "Hope Ruby"  
in the first place?

Some guy 1: That can't be true!

Some guy 2: My wish came true  
once, you know.

Some guy 3: But, why would anyone  
make a fake ruby?

Princess: Medan was rich in gemstone  
mines. But they ran out  
years ago.

When the gemstones ran  
out, the people of Medan  
survived through tourism.  
And that's why we had  
the "Hope Ruby".

But this is fraud! It's  
wrong to attract tourists  
to see a fake ruby.

I really want to make  
Medan rich country.

To do that, everyone  
must pitch in.

Some guy 1: .....

Some guy 2: .....

Princess: We're sorry for fooling  
everyone. Please find a  
way to forgive my father  
and I for this.

Some guy 1: Princess! Princess!

Please don't bow to us!

Some guy 3: We, too, completely  
depended on the ruby.  
We failed you.

Some guy 2: We were wrong, too.

Princess: Oh! I....

Some guy 1: It's alright. This country  
will survive without  
the ruby.

Some guy 3: If we really try, we  
can make a country  
equal to Lorbenia!  
I think you're right.  
Let's do the best we can!

Lufia: Medan will survive,  
I think.

Hero: Thanks to Mark, perhaps.

Aguro: Yes. That boy did it.

\*\*\*\*\*  
29. Belgen 1 \*\*\*\*\*  
\*\*\*\*\*

After entering Belgen.

Guard: What? Who are you?

Some guy:  
What is it? Are the  
monsters coming?

Guard: No. Humans!

Lufia: Hey! Some way to treat  
travelers! Is that the  
way of this village?

Guard: No! No! Of course not!

Some guy: The monsters attacked us  
recently. People are a  
bit tense, you see.

Guard: Forgive us. Please  
come in.

After talking to some girl.

Some girl: Monsters started attacking  
the village again. That's  
why we offered them a  
ransom for Jerin.

Lufia: What? Ransoming? I can't believe there's a village that still does that!

Aguro: Me, too. I thought offering ransoms was just a story.

Lufia: How can you do such a thing?

\*\*\*\*\*  
30. Dais \*\*\*\*\*  
\*\*\*\*\*  
At the Altar in Dais.

Lufia: Hero. Look!  
Isn't that Jerin? She's still a child!

Aguro: Not really. Look at her carefully.

Lufia: ....?

Aguro: She's half elf! The blood of elves and humans mixed. I've heard of this, but never seen it, until now.

Hero: If she's half elf, you can't tell her age by looking, can you?

Lufia: Her age doesn't matter now. What should we do, Hero?

Hero: Well, we can't leave things like this.

Lufia: Let's get these two in front of the stairs. That's how we can help her!

Hero: That's easy, but they'll just kidnap someone else.

Aguro: We have to stop this kidnapping nonsense once and for all!

When you try to exit Dais.

Jerin: Aaaaah!

A monster picks Jerin up and flies away.

Lufia: Hero! Jerin!

Hero: OH NO!

\*\*\*\*\*  
31. North Tower \*\*\*\*\*  
\*\*\*\*\*

When we reach Jerin and the monster (Follower) on the roof.

Follower: Amon will be revived!  
This daughter will be  
our key! No one can  
stop us now!

Hero: Did you say Amon?

Lufia: Amon? The Sinistral of  
Terror? No! It's not  
possible!

Follower: You know of Amon? That's  
splendid! Now you shall  
help us as well!

After defeating follower and speaking to Jerin.

Jerin: I'm so happy somebody  
saved me!

Lufia: Kidnapping! Hmph.  
I won't stand still  
for such nonsense!

Hero: In any case, no one was  
hurt. Can you stand up?

Jerin: Yes. I'm fine.

Hero: I'll take you as far  
as the village.

\*\*\*\*\*  
32. Belgen 2 \*\*\*\*\*  
\*\*\*\*\*

Everybody back in Belgen.

Hero: Well, Jerin. We have to  
leave. It's time to say  
farewell.

Jerin: What?

Aguro: Enjoy the village's  
hospitality.

Lufia: Take care now, Jerin.

Jerin: Excuse....excuse me. Please,  
if you don't mind: take  
me with you.

Hero: It's dangerous where  
we're going. We really  
can't take you with us.

Jerin: I'll be in your way,  
won't I?

Hero: I didn't say that. We  
saved your life. I'd  
hate to see you lose it.

Jerin: You're right.  
Life is precious,  
isn't it?

Hero: That's right. Well,  
it's time to go.

Jerin: Wait! Wait a second!  
Please take this. Just  
to show my appreciation.

(Jerin gives him a miracle)  
Will...will I see you  
again someday?

Hero: I can't promise. But,  
yes, you will.

Jerin: I know. We'll meet  
again...someday.

\*\*\*\*\*  
33. Guide Station to the Lost Forest \*\*\*\*\*  
\*\*\*\*\*

After speaking to the old man and answering yes to his question.

Old man: The "Lost Forest" is just  
ahead. But, you'll never  
get through without a  
guide.

Hero: Is there someone who  
can show us the way?

Old man: Well, yes. But, she's only  
a child. Do you still want  
to go?

Hero: Yes.

Old man: Alright! You can come out  
now!

Jerin: Hello, Hero.

Hero: Jer...Jerin!

Jerin: I knew you'd have to  
come this way if you  
were continuing your

journey.

Hero: Hey, old man! This child  
won't do. Isn't there  
anyone else?

Old man: She's the only one.

Lufia: Hero, let's try it  
without her. We might  
be able to find the way  
through by ourselves!

Jerin: Only elves know the way  
through the forest.

Lufia: You're not an elf!

Jerin: I'm half elf, so I know  
the way. But for you,  
it's not possible.

Lufia: .....

Aguro: What do you say, Hero?

Hero: What choice is there?  
We know no other elves.

Jerin: So, you'll let me join  
your party?

Hero: It's so dangerous! Why do  
you want to come with us?

Jerin: You saved my life.  
I want to help you,  
Hero. I.....

Hero: I understand. Lead on,  
Miss Jerin.

Jerin: Just Jerin, please.

Hero: Right. Let's go, Jerin.

Jerin: Yay!

Lufia: Hero? Wait a moment!

Aguro: Calm down, Lufia.  
She's just a child.

Lufia: You can't tell with half  
elves. And besides, I am  
calm!

Aguro: Alright...alright.

Lufia: Hero! Are you really

going to let her join  
our party?

Hero: There's no one else to  
guide us. We have to  
count on Jerin.

Aguro: I agree.

Lufia: I don't!

Hero: Why not?

Lufia: Why? Just...well,  
just because. That's  
why!

Hero: That's not an answer.  
Come on. Let's go.

Jerin: What's wrong with Lufia?

Hero: She's just jealous. It's  
always the same thing.  
Nothing to worry about.

Lufia: Hero!!  
I'll go first, Hero!

Jerin: Is she always like this?

Hero: Ha, ha, ha.

\*\*\*\*\*  
34. Jenoba \*\*\*\*\*  
\*\*\*\*\*  
When you speak to an old woman in the lodge.

Old Woman: Did you come to find  
Elfrea?

Hero: Yes.

Old Woman: I have some information.  
Will you buy me some cider?  
Do that, and I'll tell you.

Hero: Yes.

Old Woman: Ah, you're a bright one!  
Well, I'll have that  
cider now. Ah, how sweet!

Hero: So, what do you know  
about Elfrea?

Old Woman: In a hurry, eh? You young  
folks can't rush me. How  
about buying me another

cider?

Hero: Yes.

Old Woman: Why, you're getting  
brighter all the time! I  
like that. People should  
be generous.

Hero: Alright. Now, let's have it.

Old Woman: Hmm. Hmm. To reach Elfrea,  
you have to collect three  
gems: blue, green, and red.

Hero: Three gems?

Old Woman: There are three islands  
here. Each one has a tower.  
The towers hold the gems.  
Find them, and the way to  
Elfrea will open.  
If you want to find  
Elfrea, You must get  
your hands on these  
three gems.

\*\*\*\*\*  
35. Medan Mining Cave \*\*\*\*\*  
\*\*\*\*\*

When you find and speak with the old man.

Old Man: 70 years I've been mining. (I decided to leave this error unfixed.)  
rubies. My whole life has  
been spent on rubies!

Hero: Listen, sir. We really  
need rubies. Are you sure  
there are no more here?

Old Man: Why do you need rubies?

Hero: We need them to meet  
someone called Artea.

Old Man: Artea? The Artea of  
Doom Island?

Hero: You know about him?

Old Man: Everyone of my generation  
knows about Artea! But why  
do you want to see him?

Hero: The Sinistrals are about  
to return. We need his  
help to stop them!

Old Man: The Sinistrals? Hmm.  
Wait. I'll give you the

ruby I've been saving.  
Take this one. It's  
the "Hope Ruby".

Hero: The "Hope Ruby"? Why...  
why is it here?

Old Man: The Kingdom of Medan  
depended on rubies.  
I thought that Medan would  
die without it. So, I kept  
the real one here.  
Of course, a fake one was  
used after that. Perhaps  
there wasn't a reason to  
keep this one.

Hero: The fake was destroyed.  
The King of Medan  
finally found out.

Old Man: I see. I'm glad to hear  
that. Well, this ruby isn't  
necessary. Here. You take  
it.

Hero: Are you sure?

Old Man: If I could wish on the  
"Hope Ruby", I'd ask that  
the Sinistrals never  
re-appear.  
It's the best I've found  
in 70 years. I want you  
to have it.

\*\*\*\*\*  
36. Red Tower \*\*\*\*\*  
\*\*\*\*\*

When you speak to the monster in front of the pedestal on the top floor.

Dark Ghost: Who are you? This tower  
is mine! Did that dratted  
Water Fairy send you?  
I hate intruders!

After defeating Dark Ghost.

Water Fairy: I am the Water Fairy.  
Thanks for removing the  
Dark Ghost. Now I can  
restore the lake again.  
and the toxic marsh  
under this tower will  
also return to it's  
original splendor.  
I really can't thank you  
enough!

After you place the red sapphire on the pedestal.

Jerin: I hear something.

Aguro: I don't hear anything.

Jerin: Only I can hear it. The  
voice of the wind. The  
whisper of Shilf.

Hero: What do you hear, Jerin?

Jerin: A magical spell. Elfrea's  
spell.

Hero: Is it possible?

Jerin: Away we go!

\*\*\*\*\*  
37. Elfrea \*\*\*\*\*  
\*\*\*\*\*

When you enter Artea's house.

Mirka: Who are you people?  
Where do you think  
you are? This is.....

Artea: Mirka. It's alright.  
Let them pass.

Mirka: Fine. As you wish.

Artea: You came about the  
Sinistrals, didn't you?

Hero: How did you know that?

Artea: Your energy told me.  
You're related to Maxim,  
are you not?

Hero: My name's Hero. I am  
a descendant of Maxim.

Artea: I see. I feel the same  
energy from you as Maxim.  
For a moment, I thought  
he was back.

Hero: You....you're Artea?

Artea: Yes, I am.

Hero: Artea, the Sinistrals are  
about to return. I must  
have your help.

Artea: I'm sorry, but I can be  
of no help to you.

Hero: Why not?

Artea: I lost my sight at the  
Battle of Doom Island.  
Besides, I'm old now.

Hero: Oh, no.

Artea: I'm sorry that I can't  
help you.

Hero: .....

Artea: I can't help, but perhaps  
the Dual Blade can.

Hero: Dual Blade? Isn't that the  
sword Maxim used at the  
Battle of Doom Island?

Artea: Exactly. The sword that  
defeated the Sinistrals.  
It's power comes from the  
owner's energy.

Hero: But I don't have the  
Dual Blade! I don't  
even know where it is!

Artea: It's probably at the bottom  
of the sea with Doom Island.

Hero: In the sea....?

Artea: You must use the Dual  
Blade to defeat Daos,  
the Chief Sinistral.  
Only one who has the same  
power as Maxim can wield  
the Dual Blade.

Hero: But what can I do? The  
Dual Blade is at the  
bottom of the sea!

Artea: Do you know Professor  
Raile Shaia?

Lufia: I think we've heard that  
name before, haven't we,  
Hero?

Artea: He's a descendant of Lexis  
Shaia who helped Maxim  
and I a long time ago.  
He's a genius inventor.  
Professor Shaia might know  
a way to travel under the  
sea.  
Odel is south of the small

Shrine and over the mountains. Shaia's lab is in the basement of the castle.

Hero: Alright. I'll go to Odel.

Artea: Hero. You must defeat the Sinistrals. We cannot relive the nightmare of 99 years ago.

Hero: I understand. I swear I'll stop them!

Artea: I'll give you this key. You should be able to reach the small shrine from the cellar. The rest is up to you.

As you walk away.

Artea: Wait. You. Elf child. I have something for you. Mirka, give her that one.

Mirka: Ok. Here. Take this. (Jerin gets Artea's Bow)

Artea: This is my bow. You have elf-blood in you. You'll know how to use it.

Jerin: Are you sure I can have this?

Artea: How can I help Hero if I keep it? Take it and help Hero.

Jerin: I understand. Thank you.

Piron: The bridge to Arus is broken? It's old. That's why. I can repair the bridge, but not alone. I need my own tools and my old crew. One of my old gang in Lyden. I wonder if you'd call him for me?

Hero: Yes.

Piron: Lyden is southeast of here.  
You'll probably find him  
eating at the restaurant.

Some guy from Piron's old Gang:  
What? Piron's calling me?

Hero: Seems like he needs your  
help to fix the bridge  
at the Arus Cave.

Some guy from Piron's old Gang:  
Piron and I built Odel  
Castle. If he's calling me,  
I have to go.  
I haven't had my desert  
yet, but I'm going to  
Odel right now.

Chef: Here you are. Your des...  
What happened to the  
customer who was here?

Lufia: Something came up. He  
had to leave for Odel.

Chef: My customers leave before  
they finish? I need to  
study more!

After you examine the red door.

Lufia: "Le fallas. La fallas."  
Must be some kind of spell.

Aguro: I can't use magic. It's  
your turn, Jerin.

Jerin: I'll give it a try.  
"Le fallas. La fallas."

Hero: .....

Aguro: .....

Jerin: I can't do it!

Hero: Stand back. It's my turn.  
"Le fallas. La fallas."

Aguro: .....

Jerin: .....

Lufia: I'll try now.  
"Le fallas. La fallas."

Aguro: The door disappeared!  
Lufia! You did it!

Lufia: I guess magic is my strong  
point, Hero. Have you  
changed your mind about me?

Hero: Yes. Yes.

Jerin: I can't stand this!

Lufia: Well, the road is open.  
Let's see what's up ahead.

\*\*\*\*\*

Lufia: Whoa! Beautiful!  
Hero. Look at this flower!

Hero: Priphea?

Lufia: Yes! Amazing. So many of  
them! And they're in  
bloom.

Aguro: Hey, Hero. Is this flower  
special?

Hero: It seems to be.

Lufia: Wonderful! Really  
beautiful!

Aguro: Lufia seems so happy.

Hero: I know. She's ;loved  
flowers ever since she  
was a little girl.

Jerin: Hero? You're known  
Lufia that long?

Hero: Uh....I guess you could  
say that.

Jerin: I'm a little jealous....

Hero: .....

Lufia: This village is wonderful!  
I love this place already.

Hero: Did you have fun?

Lufia: Oh, yes.

Hero: Well, let's go then.

Lufia: Ok.

When you speak to some old man.

Old man: The people in this village  
are magicians. We locked  
the cave door. How did you  
get through?

Hero: Lufia opened it.

Old man: Only the most skilled  
magician is supposed to  
know the spell!  
Lufia, eh? You're very  
experienced, I see.

Lufia: No. Not really.

Old man: You should meet the elder  
in the "Tower of Grief". If  
you're a magician, you can  
learn a lot from him.

When you speak to Flake on the top floor.

Flake: I'm Flake, elder of Arus.  
You fought the Sinistrals.

Hero: You know about that?

Flake: Feel the energy and  
you'll know right away.  
Hmm. Strong power. I  
sense great ability.

Aguro: You can see through Hero's  
character! People are always  
more than they appear to be.

Jerin: Aguro! Don't be rude!

Flake: Ha, ha, ha! It's alright.  
The truth is always best.  
More importantly, who  
removed the magic barrier  
to the village?

Lufia: I did.

Flake: You must have great skill  
to remove such a barrier.  
Come here.  
Your powers will grow.  
I sense much potential.

Lufia: Really?

Flake: Oh, yes! But you've only  
begun to understand. Let  
me help you. Close your  
eyes.

Lufia: Alright.

Flake: Awake! I call upon  
those powers yet  
untouched. Come forth!

(Lufia's maximum MP  
increases by 10.)

Hero: Wow!

Aguro: The magic increased  
merely by those simple  
words!

Flake: It's not my power. She's  
always had it. I simply  
drew it out.

Lufia: I had no idea it was  
there.

Flake: You learned through battle.  
That's the hard way. Had  
you studied, you'd have  
discovered it earlier.

Lufia: I can't thank you enough.

Flake: I sense a great imbalance.  
I fear we may see the  
return of Daos and the  
Sinistrals.

Hero: We're looking for  
Professor Raile. Do you  
know him?

Flake: He returned to the lab.  
You just missed him.

Raile: Hey! Don't touch anything

without asking.  
The other day, a man  
touched a machine that  
turns people into frogs.  
That was a tough one!

Jerin: What...what happened  
to him?

Raile: Too bad, that. I made a  
new frog-to-people machine.  
But, he came back as a  
snake instead. Hmm.

Jerin: Snake?

Raile: Then, he became a lizard.  
Then, an iguana. Some people  
are just unlucky, I guess.

Jerin: Did he ever return to  
normal?

Raile: Oh, yes. After 3 days,  
he said, "I never want to  
see a lizard's face as long  
as I live!" Ha, ha, ha!

Jerin: I feel sorry for him.

Raile: Excuse me. Who are you,  
anyway? You don't look  
like my lab students.

Hero: I'm Hero. These are my  
friends: Aguro, Jerin,  
and Lufia.

Lufia: We're looking for Raile  
Shaia. Would that be you?

Raile: Yes, it would. I am the  
genius Raile Shaia. Why  
the face? You don't  
believe me, is that it?

Hero: No...no. Of course not, but....

Raile: Alright. I'll prove it to  
you. You look like fighters.  
Wait right here.  
How about this tonic?  
With this, you'll have four  
arms! Be twice as strong!

Hero: Well, no. I don't think  
so.

Raile: No? I've already run  
experiments on this, so

the effects are  
guaranteed!

Aguro: You did? On who?

Raile: Let's see. You're Jerin,  
right? For you....  
This is perfect. It's  
guaranteed to make your  
hair grow!

Jerin: Really? Well, maybe I  
could try....

Lufia: Don't you dare!

Jerin: I see. You won't like it  
if my hair looks better  
than yours! Ha, ha, ha!

Lufia: Even if you try it,  
my hair will still be  
longer. Isn't that right,  
Hero?

Hero: Well, I wouldn't know.  
I've never really  
thought about it.

Lufia: Can't you tell?  
Where are your eyes,  
anyway?

Hero: I'm not always looking  
at your hair!

Aguro: Hey, Hero. Lufia.  
What are you two  
talking about?

Hero: Right. We're not here to  
talk about hair.  
We're here for a ship  
that goes under the sea.

Raile: Oh! You mean Falcon. One  
of my best inventions!

Hero: And Falcon can really  
travel underwater?

Raile: Not only that! It can  
fly through the air!

Hero: Wow! Where is it?

Raile: It's docked in the  
basement. I normally don't  
show it to anyone. However,  
I'll let you see it.

Raile leads everyone down to the bottom floor.

Raile: Just a second. I'll open  
the door.  
This is Falcon! Isn't she  
amazing?

Jerin: Hero. This ship is  
covered with dust!

Lufia: And the wings are a  
little chipped.

Aguro: Hmm. There's a hole in  
the ceiling.

Hero: Sorry to ask, but you've  
never used Falcon before,  
have you?

Raile: How did you know that?

Lufia: Well, anyone could tell  
just by looking at it.

Raile: Well, if that's all you  
have to say, I'll give  
you a demonstration.

Hero: Right now?

Raile: You wanted to use Falcon,  
didn't you? I'm saying you  
can. Are you having second  
thoughts?

Hero: Actually, he's right.

Lufia: Are you seriously getting  
into this thing?

Raile: What are you waiting  
for? Let's go!

Hero: Come on! We need this  
ship to find the Dual  
Blade.

They all board the ship.

Raile: Everyone ready?  
Ahead half speed!  
Prepare to dive!

?????: Is this vessel really  
seaworthy?

Raile: What do you take me for?

?????: Hey! It's leaking! Are you  
sure we won't sink?

Raile: We're fine. Pipe down!

?????: I'm getting soaked!

Raile: Prepare to surface!

?????: I think traveling above  
the sea was a better idea!

Raile: Will you be quiet? You  
amateurs know nothing!

The ship docks back at Shai lab.

Raile: There's a slight problem.  
Underwater navigation is  
impossible. There's no  
problem on the surface,  
though.

Hero: .....

Raile: Of course, I can repair it.  
But my equipment isn't here.  
Come to Shaia Lab 3 later.  
Straight west from here.

Lufia: He ran away, didn't he?

Hero: I guess so.

Aguro: He just wanted to leave  
us with this contraption,  
didn't he?

Hero: He's different. That's  
for sure!

Jerin: But somehow, I like him.

Lufia: .....

Aguro: .....

Hero: He doesn't seem so bad.

Aguro: Anyway, we can travel  
across the sea now. Let's  
make good use of it.

Hero: Let's head for Shaia lab  
3. He said he could  
repair Falcon, right?

Cooper?

Aguro: You should go and get him  
yourself!

Hero: Aguro!  
Sorry, Professor. He's  
really a good fellow. But,  
sometimes he behaves badly.

Jerin: His mind is worse!

Aguro: What?

Jerin: I just told the truth!

Lufia: Listen, you two.  
Don't start here!

Hero: Professor. You want us to  
bring Cooper back here?

Raile: Yes. Cooper is my right  
hand man. I really need  
him to help me repair  
Falcon.  
He's probably at the  
cleric's hut in Bakku.  
You'll find it if you

Cooper: How do you know my name?  
Who are you?

Hero: I'm Hero. Professor  
Raile asked me to take  
you to him.

Cooper: Professor Raile needs me?  
Then I have to go. Let's  
move!

Jerin: He's a bit strange, Hero.

Aguro: Probably because he's  
Raile's right hand man.

Cooper: We'll talk later. Luckily,  
I have "Escape". I'm  
always prepared. It'll  
take us outside.  
Escape!

Hero: .....

Lufia: .....?

Cooper: No. No. Not right! Uh,uh.  
It's damp. No good. Nope.

Cooper: Sorry for being away so

I do for you?

Raile: I need you to help me  
repair Falcon. It won't  
travel underwater.

Cooper: I can see that. It's  
not ready yet. We need  
Alumina.

Raile: I though so. Is there  
any left?

Hero: What's Alumina?

Raile: It's a light metal that  
doesn't rust. Falcon is  
made of Alumina.

Hero: How much do you need?

Raile: Seven pieces should  
do it.

Hero: Where can I find it?

Raile: There's a cave in the Fargo  
Islands. In Linze is a man

named Brant. He knows where  
it is. Ask him.

The "Tower of Light" is  
north of Bakku. Linze is  
beyond the tower.

Guardian: Who dares to disturb our

Hero: Amon? The Sinistral of

Guardian: Those who interfere have

After defeating Guardian.

Amon: I have awakened.

Hero: Who....who?

Amon: That mortal was weak. He  
lacked the will to live.  
But I.....I have waited a  
long time for this moment.

Hero: What are you saying?

Amon: The energy of your battle  
revived me, earlier than I  
expected.

Lufia: Who's there? Show yourself!

Amon: Is that Lufia? Indeed it  
is! Just as Gades said.

Lufia: How do you know my name?  
What's all this about Gades?

Amon appears.

Amon: Behold! Amon has returned!  
My revival is complete!

Gades appears.

Hero: Gades!!!

Gades: We meet again, little  
knight. What's wrong?  
You don't look happy  
to see me! Ha, ha, ha!

Lufia: And why should our

happiness be any  
concern of yours?

Gades: Unchanged, I see. Always  
wanting to win.

Aguro: What are you waiting for,  
Hero? Here's your chance!  
Destroy them! Now!

Amon: Foolishness.  
I have no time to toy  
with you. Enough!

Amon knocks everyone down with a blast.

Amon: The Great Reunion draws  
nigh! Even now, our  
brother Daos awakens!

The two Sinistrals leave.

Hero: Is everyone alright?

Lufia: Yes.

Jerin: I'm fine.

Aguro: Hero!  
Were those really the  
Sinistrals Amon and Gades?

Hero: Yes.

Aguro: Such power. I felt it  
right away. Can we win,  
Hero?

Hero: We must. If all of them  
are revived, the world will  
suffer great catastrophe.

Aguro: They said Daos was nearly  
revived, didn't they?

Hero: I must have the Dual Blade  
before that happens!  
We have to find those 7  
Alumina so Falcon can  
travel underwater!

Lufia: Brant is in Linze. He should  
know where he can find some.

Hero: Let's move! Quickly!

When you find and speak to Clack.

Hero: Are you Brant?

Clack: No. I'm Clack, the Doom  
Island researcher.

Hero: Doom Island researcher?

Clack: I'm interested in Doom  
Island. Ask me anything  
about it.

Hero: I want to know about:  
Doom Island

Clack: East of here is Ring Island.  
It was created when Doom  
Island fell into the sea.  
There's a lagoon in the  
middle of the island. Some  
folks say that the Fortress  
of Doom is at the bottom.

Hero: In the center of Ring  
Island. I see.

Clack: There are three sea caves  
around Ring Island. They  
lead to the center of  
the lagoon.  
I recently discovered  
something unbelievable  
about Doom Island!

Hero: What did you discover?

Clack: The ocean currents flow  
near Doom Island. But  
they've changed recently.

Hero: What caused that?

Clack: Well, it seems that the  
island is starting to move.  
I'm afraid that something  
terrible is about to happen!

Hero: I want to know about:  
Dual Blade

Clack: The Fortress of Doom should  
hold the Dual Blade.

Hero: The Fortress of Doom?

Clack: It's where the final battle  
was fought. The Dual Blade  
sank with it into the sea.  
The fortress was supposed  
to have disappeared with

Doom Island when it fell  
into the center of Ring.

Hero: I want to know about:  
Brant  
Do you know anything  
about Brant?

Clank: He's my friend. What's  
your business with him?

Hero: I need Alumina. I heard  
that Brant knows where  
to find some.

Clank: Yes. He'd be the one to  
know. He lived by it.  
Of course he said that  
there's hardly any left  
these days.

Hero: I heard Brant was here,  
so I came. Do you know  
where he is?

Clank: He told the townspeople  
that? Hmm. Brant's in  
Marse.

Hero: Is Marse near here?

Clank: His girlfriend lives there.  
It's a secret, you see.  
So, he said he was here.  
Marse is a port north of  
Linze. Follow the shoreline  
by boat and you'll find it.  
If he's not in Marse, he's  
in the caves, looking for  
Alumina.

Hero: I want to know about:  
Alumina

Clank: There was a lot of it in  
the old days. Now, you can  
only find it in the Fargo  
Islands.  
The Fargo Islands are  
north of here.  
Brant goes there all the  
time.  
There might even be some  
Alumina here, if you  
search this cave well.

When you walk away from Clank.

Clank: By the way, who are you?

Hero: I'm Hero, descendant  
of Maxim.

Clank: Maxim's descendant?  
No kidding!

Hero: It's true.

Clank: I have something to give  
you. Follow me.

They follow him.

Clank: Found it long ago. The  
ring Maxim used. This  
might be of great help  
to you.

(Hero gets wave ring.)

Hero: Can I really have this?  
It's been yours for so  
long!

Clank: Please. Take it. If it helps  
to destroy the Sinistrals,  
then all my research hasn't  
been in vain after all!  
If you really have Maxim's  
blood, you will defeat the  
Sinistrals. I believe it.

If you can use magic, please  
help me.

Hero: Yes.

Jerin: You'll be fine. My  
magic will bring you up.

Brant: Really? Great! Thanks  
a lot!

Hero: By the way, we're looking  
for Brant. Are you by any  
chance....?

Brant: That's me. You're looking  
for me?

Hero: I'm looking for Alumina,  
too. I heard you knew

where to find it.

Brant: I see. Well, you helped me.  
So, I'll make an exception  
and tell you where it is.  
There's 1 piece in the cave  
on Elba Island, 2 on Ulupp  
Island, and 1 on Loire  
Island.  
Warp zones link the caves  
on Elba and Ulupp. You  
must remember this fact,  
or you could become lost.

Hero: I understand. Let's  
get you out of here.

Jerin: Escape!

When you speak with Brant after escaping.

Brant: Thanks. Take this for all  
you've done.

Jerin: Oh. Wow! Delicious!  
But strange. Mm.  
What is it?

Chef: Strained slime.

Jerin: Slime? Oh! Yuck!  
Don't let people eat  
this! Ugh!

Aguro: Hey, slime elf! How  
was it? Ha, ha, ha!

Jerin: Slime elf? Do you think  
I ate this on purpose?  
Oh, Hero!

Hero: Aguro! You hurt Jerin's  
feelings! How could you?

Aguro: Just a little joke,  
that's all. A joke!

Hero: Jerin. No one will call  
you a slime elf anymore.

Jerin: Oh. I know, Hero.

Lufia: YAH! Slime elf!

Jerin: WAAHH!

Hero: Lufia!!!

Lufia: Well? You always pay  
attention to Jerin!  
Why don't you ever  
notice me?

Chef: It's not poison. You  
won't die if you eat it,  
you know.

Hero: Why are you cooking with  
slime, anyway?

Chef: My King loves good food.  
But, he's been so picky

Wizard of Taste:  
What? King Herat said he  
wanted something to eat?  
Now that's the King I

Lufia: Do you know King Herat?

Wizard of Taste:  
He's famous for his  
appetite. He's eaten almost  
everything I've made.

Jerin: Are there any dishes that  
surprised him recently?

Wizard of Taste:  
Well, there's one....but  
it's not really a dish.

Jerin: What is it?

Wizard of Taste:  
It's a flavor. A spell has  
been cast on it. That's  
why any food tastes great  
with it.

Jerin: Fantastic!

Wizard of Taste:

Don't jump to conclusions  
so quickly. You think the  
dish is good, but that  
doesn't mean it is good.

Aguro: So, you're saying that  
even dishes everyone  
hates would actually  
taste good. Right?

Wizard of Taste:

Right.

Lufia: But that's amazing! Why  
did you make such a thing!

Wizard of Taste:

It was originally for  
emergencies. You use it  
when there's nothing to  
eat. Like a famine.

Lufia: I see. I guess it has  
some uses.

Wizard of Taste:

I sympathize with the  
people. The King's appetite  
was becoming intolerable!

Lufia: Such tastes are expensive,  
aren't they?

Hero: I don't mind.  
Can I have some?

Wizard of Taste:

To tell the truth, I haven't  
really finished it. I need  
a purple newt.  
I heard I could find one in  
the cave east of Herat. I  
went there myself. But, I  
didn't see any.  
I could finish this if I  
had a purple newt.

When you speak to the Wizard of Taste after getting a purple newt.

Wizard of Taste:

That's a purple newt!  
Wait. I'll fix up a dish  
right away!  
Take this. I guarantee that  
it will satisfy King Herat!

(Hero gets the "Magic Flavor".)

\*\*\*\*\*  
52. Herat 2 \*\*\*\*\*  
\*\*\*\*\*

When you speak with the Chef in the kitchen.

Chef: This is the magic flavor  
made by Lyden's "Wizard of  
taste"! Just a minute.  
I'll just whip it up  
right here!  
It's done. Please try it.

Hero: Mm. Wow! That's good!

Lufia: Yes! Really delicious!

Aguro: Now this is excellent!  
What's the matter, Jerin?  
Don't you want to try it?  
Uh, no. Not right now.

Chef: The King will love this!  
You've been a big help.  
Please see him. I know  
he'll reward you.

When you speak to King Herat.

Herat: I heard about you from the  
cook. Thank you! My jewel  
collection is in the  
basement. Please go there.

\*\*\*\*\*  
53. Aisen Tower \*\*\*\*\*  
\*\*\*\*\*

When you find Raile locked in a room.

Raile: Hello. Some here I turned  
out to be! Now I'm the one  
who has to be rescued!  
Please find the prison  
key. The head pirate  
should have it.  
You must press four switches  
to open the door. Get the  
order right. I messed up and  
got caught.  
I learned the hard way!  
I'm sure the first switch  
is the upper left one!

When you approach the Pirates on the top floor.

Bosun: Scurvy scum! Come to rescue  
the lad, have ye? Arrr!  
Don't be thinking you'll  
leave here safely!

After defeating the pirates.

Hero: Good to see you again, Lou.

Lufia: Do you remember us?

Lou: You...you! Are you still chasing me? My stealing days are over!

Lufia: Don't be silly. We're here to rescue you.

Hero: What were you doing hanging around a place like this anyway?

Lou: Well, you know. I had some business to take care of.

Lufia: Looking for your father, weren't you?

Lou: No way! I don't care at all for someone like.....

Lufia: He's here, looking for you. But the pirates caught him.

Lou: Really? Father tried to rescue me? Father?

Lufia: Let's return together after we rescue your father.

After rescuing Raile.

Raile: Good grief! Thank you!

Lou: Caught so easily by the pirates, eh? What a klutz! You haven't changed a bit!

Raile: Huh? Isn't.....isn't that boy.....? Why, it's Lou!

Lou: Yo! Dad! You didn't know it was me for a moment, did you?

Raile: That's because boys of your age grow so fast. It's hard to recognize them.

Lou: You can't recognize your own son just because I grew taller?

Raile: Don't be silly.

Lufia: Stop it you two! It's been  
a long time since you've  
met. Don't start by arguing!

Hero: Like father, like son, eh?

Aguro: Oh, brother!

Hero: By the way, Raile. We've  
found 7 pieces of Alumina.  
Can we repair Falcon now?

Raile: Of course. Let's start  
right away! Please go to  
Lab 3.

Everybody appears outside.

Raile: I'm sailing back to Lab 3.  
What will you do, Lou?

Lou: Oh, I don't know. Maybe....

Lufia: Go with your father, Lou.

Hero: Yes. Go with your father,  
Lou.

Lou: To tell the truth, I  
really don't want to go with  
him. But, I don't know what  
he'll do without me.

Aguro: You're right. Watch him  
carefully. Ha, ha, ha, ha!

Lufia: Raile, be good to him,  
won't you?

Raile: I'm always good to Lou!

Lou: If that's true, why don't  
you write once in a while?

Raile: Write? You know, I just  
invented a voice box.  
Use this and you can speak  
to someone far away.  
You won't need letters.

Jerin: Awesome! That sounds  
really handy.

Raile: Of course, you'll need  
a cord to connect them,  
you see.

Lou: Why are you always

making such useless  
things?

Raile: Useless? I don't think so.  
You can talk to anyone,  
anywhere in the world  
with this!  
Isn't that amazing?

Lou: Who's going to lay the line?  
THINK before you dream  
something up!

Lufia: Oh, these two....

Hero: Don't worry. Look.  
They're laughing.

Lufia: I guess so.

Raile: Like I said, I'll be  
in Lab 3.

\*\*\*\*\*  
54. Carbis 3 \*\*\*\*\*  
\*\*\*\*\*

Raile: Good. Let's start the  
repairs. Cooper! Bring  
Falcon around.

Cooper: Right.

Raile: Let's go!

Cooper: Professor. Everything  
is ready!

Raile: A genius like me can repair  
this in a matter of seconds!

Jerin: Have you fixed it already?

Raile: I told you I'm a genius!

Hero: So, can we travel  
underwater now?

Raile: Of course! There's nothing  
to worry about. Climb  
aboard!

Lufia: Hero! At last we can go  
to Doom Island. I hope  
we'll find the Dual Blade!

Raile: Falcon can dive wherever  
there's an eddy.  
There's a ring-shaped  
island north by northeast.  
They say that's the place

where Doom Island fell.  
The village of Soshette is  
on the north side of the  
island. Let's go there  
first.

Hero: Thank you so much,  
Professor! Let's go!

\*\*\*\*\*  
55. Doom Island Fortress 1 \*\*\*\*\*  
\*\*\*\*\*  
Upon entering the fortress.

Hero: There's still air in here!  
Something feels strange.

When you find the Dual Blade.

Hero: Is this the Dual Blade?

Aguro: What's that sound?

Hero: The Dual Blade. It's  
ringing!  
(Hero gets the Dual Blade.)

Aguro: What the.....!?

Statues rise from the ground.

Hero: Sinistrals!

Aguro: No. Stone statues of the  
Sinistrals.

Hero: Those ones are Amon and  
Gades. Good work. Looks  
just like them.

Aguro: That means Daos and Erim  
are at the back.  
Hero. Come here for a  
moment.

Hero: This one!?

Lufia: Is this statue...me?  
Is this me?

Jerin: This is Lufia, isn't it?  
Why is a statue of Lufia  
among the Sinistrals?

Lufia: How would I know?

Jerin: But everyone would agree  
that this is a statue of  
Lufia.

Lufia: What? Are you saying  
I'm a Sinistral?

Jerin: Well, no. I didn't mean  
it that way.

Lufia: I'm Lufia. I was raised by  
Roman at the Alekia Inn.  
I'm just an ordinary woman.  
I know nothing about this.

Hero: Lufia.

Lufia: Hero! It's true. I really  
don't know anything!

Hero: I know. How long do you  
think we've known each  
other? You're Lufia, and  
no one else.

Lufia: Hero....

Aguro: Wait! Could this be a trap?  
Is someone trying to break  
us up?

?????: Possibly.....

Amon and Gades appear.

Hero: Amon! Gades!

Daos Appears.

Daos: Maxim's descendant lives.

Hero: Daos? Is that Daos?

Daos: Yes. I am Daos. The waiting  
is finally over. The day of  
our reunion has arrived.

Hero: Reunion? Where's Erim?  
I don't see her.

Daos: Erim was revived  
16 years ago.

Hero: 16 years?

Daos: Indeed. Erim is Lufia.  
Lufia is Erim.

Lufia: LIAR! You lie!

Daos: Lufia. Do you remember  
your parents?

Lufia: .....

Daos: Of course not. You have no parents. They never existed. You are Erim.

Lufia: .....!

Daos: We can use our energy to assume any form we choose.

Hero: Lufia doesn't remember her parents because they died when she was small.

Daos: So you say. But why do you think we let you live this long?

Hero: .....

Daos: I am pleased. You have brought Lufia back to me.

Hero: What are you saying?

Daos: Don't you see? Maxim destroyed us 99 years ago. Now Lufia has returned us to life. Lufia's power brought our energies together once more.

Lufia: NO! NOOO!!

Hero: It's a lie! She could never revive you! You're lying!

Daos: Hear me, mortal! Look past your emotion. see the truth of my words. Go ahead. Ask her a question.

Daos uses a spell on Lufia.

Lufia: Aaaah!

Hero: Lufia! Lufia! Speak to me!

Daos: She is still alive. I only shocked her to unlock the memories.

Lufia: My head. Hero, help me!

Hero: Lufia! Hang on!

Amon: Daos. Her recovery will take time.

Daos: We have all the time  
in the world. Come....

The three Sinistrals leave.

Aguro: An earthquake!

Hero: No! The fortress is  
moving.

Jerin: Hero!

Hero: Jerin! Escape!

Jerin: Let's get out of here!

They escape and see Doom Island floating.

Jerin: Hero! Doom Island!

Aguro: I don't like the look  
of this, Hero.

Hero: Let's head to the inn at  
Soshette. I'm worried  
about Lufia.

\*\*\*\*\*  
56. Soshette \*\*\*\*\*  
\*\*\*\*\*  
Everybody at the inn.

At the inn.

Jerin: Lufia went to sleep.

Aguro: Hero. About what the  
Sinistrals said...

Hero: Tomorrow, Aguro. I'm  
tired. I just want to  
get some sleep.

In the morning.

Lufia: Is this place Soshette?  
I remember now. I fainted.

Lufia walks over to Hero and Aguro's room.

Lufia: Hero? Are you awake?

Aguro: Hero. What are we  
going to do?

Hero: About what?

Aguro: Lufia, of course.

Hero: What's wrong with Lufia?

Aguro: Stop living in a fantasy!  
Can you deny what Daos  
said?

Hero: What are you saying?  
Erim's dead. All we have  
to do is destroy Amon,  
Daos, and Gades!

Aguro: I agree. But, remember what  
Daos said about the reunion!  
Do you think Lufia brought  
the Sinistrals back to life?

Hero: What are you trying  
to say?

Aguro: Even if we destroy the 3  
remaining Sinistrals,  
they'll continue to return  
as long as Lufia lives!

Hero: .....

Aguro: If it's true, Hero, what  
are you going to do?

Hero: We have to destroy them!

Aguro: Hero? Do you realize what  
you're saying?

Hero: .....

Aguro: You'll have to destroy  
Lufia, too. Can you do  
that?

Hero: Truthfully, I'm not sure.  
I've never really thought  
about it.  
Obviously, I don't want  
to think about it either.  
Aguro. Listen to me.

Aguro: What is it?

Hero: Do you think Lufia would  
try to harm us?

Aguro: Why are you asking me?  
How should I know?

Hero: Let's not talk about it  
anymore. We'll just wait  
and see what happens.

Aguro: Alright.

Hero: Let's see if Jerin and  
Lufia are awake yet.

Lufia runs back to her and Jerin's room and gets into bed.

Hero: Jerin? Lufia? Are you  
awake? I'm coming in.

Jerin: Ahh....Is it morning  
already?

Aguro: Let's get moving! Let's  
go!

Jerin: It's too early to shout,  
Aguro!

Lufia: Good morning, Hero.

Hero: Good morning, Lufia.  
Sleep well?

Lufia: Mm.

Hero: How's your head?

Lufia: Ok. It doesn't hurt now.  
I'm fine.

Hero: Good.

Lufia: Aren't you going to ask me?

Hero: What?

Lufia: My memory! Don't you  
want to know if my  
memory's returned?

Hero: You don't remember a  
thing, do you?

Lufia: No. But, do you trust  
me?

Hero: It doesn't matter. You're  
Lufia. You don't have to  
remember anything.

Lufia: Hero.

Hero: Do you trust yourself?

Lufia: Thanks. I'm fine.

Aguro: Hero: What will we do  
now?

Jerin: Doom Island is floating

in the sky!

Hero: The Professor said that  
Falcon can fly. Let's go  
to Lab 3.

\*\*\*\*\*  
57. Carbis 4 \*\*\*\*\*  
\*\*\*\*\*

Raile: Are you alright? I was so  
worried when I saw Doom  
Island rising in the sky!

Hero: We escaped just in time.  
And Professor....

Raile: I know. Falcon can travel  
through the air. But you  
need Power Oil for that.

Hero: Power Oil?

Raile: It gives great lift. We  
haven't used it because  
it's very dangerous.

Hero: And where is it?

Raile: It should be for sale in  
Epro. Go and buy some.  
I'll head for Frederia.

Hero: Frederia?

Raile: Lab 4 is there. It's the  
only place where I can  
refit Falcon.  
Frederia is due south. I'll  
go on ahead. Come and see me  
when you get the Power Oil.

\*\*\*\*\*  
58. Epro \*\*\*\*\*  
\*\*\*\*\*

When you speak to a merchant in epro.

Merchant: Sorry, we're closed. We  
couldn't get any Power Oil  
today.

Hero: Where do you get Power  
Oil?

Merchant: In the "Oil Cave" north  
of town. But, a large  
landslide closed off the  
road recently.  
A man named Hedge tried  
to get through, but he

couldn't pass.

Hero: And where can I find this  
Hedge?

Merchant: I think he's north of town.  
He's looking for a way  
through.

When you find and speak to Hedge.

Hero: Are you Hedge?

Hedge: That's right. Who  
are you and what do  
you want?

Hero: Please tell us where  
the Power Oil is.

Hedge: It's in the Oil Cave  
north of here.  
This is the road, but, as  
you can see, it's been  
blocked by a landslide.  
You're searching for  
the Power Oil?

Hero: Yes.

Hedge: The door to the Oil Cave  
is locked. Take this key.  
I'm going to look for a  
new job.

(Hero gets the "Oil Key".)

\*\*\*\*\*  
59. Frederia \*\*\*\*\*  
\*\*\*\*\*

When you speak to Professor Raile in Shai Lab 4.

Raile: I see you have the Power  
Oil. Well, then. Let's  
start the refit!  
Louise! Bring the Falcon  
around.

Louise: Ok.

Raile: Here we go!  
The refit is finished.  
Press the "A" button to  
make her fly.

Hero: Thanks for everything,  
Professor. I promise to  
do everything in my power  
to defeat the Sinistrals!

Raile: Take Falcon. Please bring

it, and yourselves, back  
in one piece, won't you?

Lufia: The four of us!

Aguro: That's right. We'll be  
back when this is over.

Jerin: Yes. We'll all return  
together, right Hero?

Hero: Trust us, Professor. We'll  
bring her back.

Raile: Remember that, and you'll  
be fine. I'm finished here.  
The rest is up to you.

Hero: I understand.

Some guy: Professor! Doom Island is  
moving again! It's over  
the roof of Glasdar Tower!

Raile: What? Glasdar Tower?  
I don't like the sound  
of that!

Cooper: There's bad turbulence  
around Glasdar Tower.  
Falcon can't get close  
enough for a landing!

Raile: There's a connecting cave  
south of the tower. It's  
surrounded by mountains, but  
Falcon can take you there.

Hero: Very well. Let's head  
for the cave.

\*\*\*\*\*  
60. Dragon Shrine \*\*\*\*\*  
\*\*\*\*\*  
After speaking to the Dragon.

Dragon: So, you have 8 Dragon  
Eggs.  
Tell me what you want:

Raise everyone two level.  
Give each 3 "~ Potions".  
We want a Might shield.  
We want a Might bow.

After choosing one.

Dragon: Dragon Eggs were scattered  
around the world and placed  
in different treasure boxes.

You must bring me 8 more  
eggs if you want other  
wishes to come true.

\*\*\*\*\*  
61. Arubus \*\*\*\*\*  
\*\*\*\*\*

When you speak to some guy.

Some guy: There's a locked door to  
the passage that leads to  
Mt. Glasdar.  
I know where it's hidden.  
Do you want to know?

Hero: Yes.

Some guy: First, bring me some apple  
cider from the basement.  
The old man only sells to  
people he likes.

When you speak to the old man.

Old man: Best plum cider in the  
world! Made it myself!

After you give the guy Apple Cider.

Some guy: Now that's what I call  
great apple cider!  
Mm. Good stuff! Delicious!  
The key should be in the  
cave that's north of  
Glasdar Tower.

\*\*\*\*\*  
62. Glasdar Tower \*\*\*\*\*  
\*\*\*\*\*

When you reach the top of the tower.

Nazeby: Welcome! I am Nazeby, agent  
of Daos. I have the honor  
of sending you.....TO YOUR  
DOOM!

After defeating Nazeby.

Nazeby: Defeated by mortals?!  
How will....I explain  
this to my master?  
I know! you shall be  
my gift!

Lufia: Aaaah!

Hero: Lufia! What's wrong?  
The Dual Blade is  
ringing!

Lufia: My.....my head! Aaah!

Hero, Aguro, and Jerin are thrown to the floor unconscious.

Lufia: What? Did I do this?

Daos: The power is release. In  
time all shall be revealed.

Lufia: That voice! It's Daos!

Hero: Lu....Lufia.

Lufia: Maxim....Maxim?  
No. It's Hero!

Daos: I am pleased. The Dual  
Blade triggered your mind.  
My little gamble succeeded.

Lufia: Daos? Where are you?  
What do you mean?  
What are you saying?

Daos: Why do you think I would  
not destroy the very thing  
that threatens me?

Lufia: .....

Daos: Is it not clear? I gave  
you Dual Blade to restore  
your memory, Lufia.

Lufia: No....it can't be....

Daos: Accept the truth. I sense  
your struggle. The memories  
of Lufia are fading, while  
Erim's grow stronger!

Lufia: .....

Daos: Didn't you call Hero  
"Maxim"? Their energy  
is the same.  
Erim. Take the Dual Blade  
and come to me!

Lufia: You must be joking!

Daos: Lufia's memories are  
fading away. Accept the  
truth. You are Erim, the  
Sinistral of Death!

Lufia: No! I don't believe you!

Daos: Erim! Take the Dual Blade,  
or it will be you who fades

into oblivion!

Lufia: Hero will destroy me.....

Daos: Our only foes are those  
with the blood of Maxim!

Lufia: Hero? The foe?

Daos: Lufia is gone. Forget  
about Hero. Come back  
to me.

Lufia: Forget about Hero?

Lufia takes the Dual Blade and warps away

?????: Daos! Destroy Hero now!  
We have him!

Daos: No. She still has Lufia's  
thoughts. There will be  
another time.

?????: I understand.

Daos: We have Dual Blade.  
Hero is nothing  
without it!

Aguro and Jerin awake.

Aguro: What....what happened?  
Are you alright, Hero?

Hero: I'm fine. Lufia?  
Jerin? Are you alright?

Jerin: Yes.

Hero: Lufia? Where's Lufia??

Aguro: She's gone!

Jerin: Hero! The Dual Blade!

Hero: Where is it?  
I can't find it!  
IT'S GONE!!

Aguro: Hero. Can it be true?

Hero: Don't say it, Aguro. Not  
a word! This can't be  
true!

Jerin: Hero.

The scene switches to Lufia and the three other Sinistrals.

Daos: Erim. Welcome, my sister.

Lufia: I have the Dual Blade.

Daos: Good. Give it to me.

Lufia: Why didn't you destroy me?  
I could have defeated you  
with this.

Daos: You wouldn't do that.  
You are Erim. You're  
one of us.

Lufia: .....

Daos: Now. Give me the Dual Blade.  
Wretched sword!  
Feel my wrath!

Daos breaks the Dual Blade.

Daos: We are one. The world will  
once again be ours. The  
reign of Terror returns!  
Ha Ha Ha Ha Ha Ha!

The scene switches back to Hero, Aguro, and Jerin.

Aguro: Hero! Doom Island is  
starting to move again!

Jerin: It's heading southeast.

Hero: Come one! After it!

\*\*\*\*\*  
63. Doom Island Fortress 2 \*\*\*\*\*  
\*\*\*\*\*

When you reach the end of the Fortress.

Jerin: Hero! The Dual Blade!

Aguro: It's smashed into splinters!

Daos, Gades, and Amon warp in.

Hero: Daos!

Daos: You cannot win without  
the Dual Blade.

Hero: .....

Daos: Hero. Why do you fight us?

Hero: I want Lufia back.

Daos: Really? But does she want

you? I wonder.....

Lufia warps in.

Hero: Lufia.

Lufia: .....

Hero: Lufia!

Daos: There is your answer.

Lufia: .....

Hero: LUFIAAA!!

Aguro: Wait! What's that sound?

Hero: It's the Dual Blade!

Daos: Impossible!  
We destroyed it!

Aguro: It's flowing with  
Hero's energy!

The Dual Blade fixes itself and returns to Hero.

Hero: Dual Blade!

Jerin: Hero!

Aguro: Hero!

Hero: Maxim. Thank you.

Gades: So! The little knight has  
a little sword! But does  
he know how to play with  
it?

After defeating Gades and moving forward.

Amon: Here is your reward for  
99 years of grief!

After defeating Amon and moving forward.

Daos: Your energy flows just  
like Maxim's did.  
But can you wield the  
Dual Blade? Let us see!

After defeating Daos.

Daos: This time I will finish  
what I started 99 years  
ago!

Aguro: Four Sinistrals become

one!

Jerin: How can this be possible?

Hero: Lufia! Lufia!

Gades: The energy of the Dual  
Blade! It can't be!

Amon: Daos! Erim's energy is  
growing unstable!

Daos: Erim! My sister!

Lufia: My...my head! Aaaah!

Hero: Lufia!  
Lufia! Can you hear me?

Lufia: Hero?

Hero: Do you know me?

Lufia: I remember....but, who  
am I?

Hero: Good. Good!

Lufia: Hero.

Aguro: Hero, Lufia! Stand back!  
The Sinistrals are changing  
again!

Daos: Descendant of Maxim!  
Nothing will stand  
against me this time!  
Come to me! Meet the  
hideous destiny you  
so richly deserve!

After defeating Guard Daos.

Hero: Lufia.  
Lufia?

Lufia: Hold the sword, Hero.

Hero: Lufia....Lufia. What....?

Lufia: 16 years ago, I was born  
as Lufia. But I was Erim  
long before that.

Hero: I....I don't believe that!

Lufia: Just as the Sinistrals are  
your enemies, those with  
Maxim's blood are mine.

Hero: How can we be enemies?  
The Sinistrals are my foes,  
not you.

Lufia: I am the Sinistral Erim.  
Even if you defeat Amon,  
Daos, and Gades....they'll  
return again as long as  
I live.

Hero: .....!

Lufia: Finish this, Hero.

Hero: Lufia! Don't do this!

Lufia: Hero. destroy me!!

Hero: The Dual Blade?  
Why did the Dual Blade  
go to Lufia? Where is  
she? I never wanted to  
fight her!

Lufia: Hero.

Hero: Lufia!

Lufia: I was so scared. All the  
memories of Erim flooded  
into my mind! They just  
wouldn't stop!  
I started to forget about  
you, Hero.

Hero: That's why you disappeared  
in front of me?

Lufia: But....when you called  
my name, I realized....I  
remembered you, Hero.

Hero: Don't talk now.

Lufia: Hero, it's alright.  
The Sinistrals are gone  
forever.

Hero: Lufia! Hold on!

Lufia: Hero. I was much happier  
in the short time I lived  
as Lufia than the eternity  
I spent as Erim.

Hero: What are you talking about?  
We'll always be together.

Lufia: Hero, I don't want to  
go, yet. I want to be

close to you, Hero.

Hero: You won't die! I won't  
let you, Lufia!

Lufia: Really?

Hero: Trust me!

Lufia: We'll always be together?  
For a long time? Good.  
Good.....

Hero: A long time, Lufia.

Lufia: .....

Hero: Lufia?

Lufia: .....

Hero: Lufia!

The bridge starts to collapse and Lufia falls off.

Aguro: Hero! Doom Island!  
It's falling!

Jerin: Let's get out of here!  
It's too dangerous!

Aguro: Hero! Come quickly!

Hero: Lufia.

Aguro: What are you doing?  
Come on!

64. The Ending \*\*\*\*\*  
\*\*\*\*\*  
The scene switches to Shai Lab 4.

Cooper: Professor! Doom Island  
is descending!

Raile: Is it trying to land  
somewhere?

Cooper: No! It's out of control!  
It's falling!

Raile: What? Falling? Wow!  
They did it!

The scene switches to the Tower of Grief.

Old man: Elder! Doom Island!

Flake: I know. I felt the

energy vanish.

Old man: You mean?

Flake: It's finished.

Old man: At last!

Flake: The people of our world  
can live in peace and  
safety once more.

Old man: Hurray!

The scene switches to Elfrea.

Artea: It's finished.

Mirka: What's the matter, Artea?

Artea: My long battle is over  
at last. Finally, real  
peace will arrive!  
Guy. Maxim. Selan.....All  
over. Everything is  
coming to an end.

The scene switched to Guy's grave.

Ainea: Uncle!

Former Guy Legion Knight:  
I know.  
Everything is fine now,  
Guy. Rest in peace.  
Sleep well.

The scene switches back to Doom Island.

Aguro: Hero! We're getting out  
of here!

Jerin: Hero! Quickly!

The three escape, board Falcon and fly to land.

Aguro: Whew! We escaped just in  
time!

Jerin: Any longer, and we would  
have disappeared with  
Doom Island!

Hero walks away.

Jerin: Hero!

Aguro: Don't Jerin. There's  
nothing you can say to  
Hero right now.

Jerin: But....but!

Aguro: We defeated the Sinistrals.  
Our journey ends here.  
No one can stop Hero.

Jerin: So, are we supposed to  
say goodbye now?  
Must it end this way?  
I can't.....  
Hero....

One year later....

In Lorbenia.

Knight: Commander Aguro! Where  
are you going? We're  
training recruits today.  
You have to be there!

Aguro: I have something else to  
do. I leave the training  
to you. You can do it.

Knight: But! It's my first time!  
I can't....!

Aguro: Silence! Stop moaning!  
Just do it! That's an  
order!

Knight: Yes, sir!

Aguro runs to the Jerin at the dock.

Aguro: Sorry to be so long,  
Jerin.

Jerin: It's been a year.  
Hasn't it, Aguro?

Aguro: Yes.

Jerin: I wonder what happened  
to Hero?

Aguro: I don't know. He's not in  
Alekia. I don't know where  
he is now, but....

Jerin: But what?

Aguro: I know I'll see him again.  
I just feel it.

Jerin: Yes. I feel the same thing.  
We'll see him again.

Aguro: A year has passed, Jerin.  
And there's something I  
want to tell you.

Jerin: What's going on, Aguro?  
It's not like you to be  
so serious.

Aguro: How long do you think  
you're going to stay in  
this town?

Jerin: What?

Aguro: What do you mean, "What?"  
A year ago, you said there  
was no place for you to go.  
So I brought you here.  
And yet, you've never  
looked for a new home.

Jerin: What are you saying?  
Am I bothering you?

Aguro: Yes. You're bothering me.  
Thanks to you, I can't even  
eat unless I serve in the  
army!

Jerin: Hey! I earn my keep,  
don't I?

Aguro: It costs more than that  
when two people live  
together. I don't even  
have a girlfriend!

Jerin: You couldn't find a  
girlfriend even if I  
wasn't living with you!

Aguro: You weren't cute when I  
met you! One year later,  
you're still not cute!

Jerin: I don't care if you think  
I'm cute or not!

Aguro: What an attitude!  
No wonder you can't find  
a new place to live!

The scene switches to Arus.

Hero: Arus village. Lufia's  
favorite flower, Priphea,  
was in full bloom then.

Hero walks to the flower and sees Lufia?

Hero: .....!!

Lufia: Hello. Are you a traveler?

Hero: Yes. I'm Hero. I've been traveling around the world for about a year now.

Lufia: Around the world? I envy you. I've never been far from the village.

Hero: Excuse me, but may I ask your name?

Lufia: I'm Lufia. I live in this village with my grandfather.

Hero: Lu....Lufia?

Lufia: Is there....is there something wrong with my name?

Hero: No! No. Not at all.

Lufia: Oh, Grandpa! Grandpa. This is Hero. He's been traveling around the world.

Flake: Oh my! Welcome to our little village. We're simple people, but please enjoy your stay here.

Lufia: Say, Grandpa. If it's alright, why don't we let him stay with us? I want to hear about the world outside this village.

Flake: Now, that's a good idea. What do you say, Hero? Would you tell her some of your stories?

Hero: Of course. I'd be happy to.

Lufia: Oh, thank you! I'll go and make some tea!

Hero: Tell me, Flake. Who is she?

Flake: That's Lufia.

Hero: That can't be true!

Lufia is....a year ago....  
I....

Flake: We moved to this village  
after her fall from Doom  
Island. She was weak, but  
she survived.

Hero: So, you're saying that  
she's really Lufia?

Flake: Yes. She's Lufia alright.  
But she can't use magic  
now.

Hero: What do you mean, she  
can't use magic?

Flake: She's just an ordinary girl  
now.

Hero: But, why....?

Flake: Maybe because of the Dual  
Blade. It's great power  
affects people in  
different ways.  
The blade's energy changed  
Lufia. Her magic and her  
memory.....all gone.

Hero: Changed her? How can  
that be?

Flake: No doubt about it. When  
I found her, she couldn't  
even remember how to  
speak.

Hero: Well, what about her  
memory now?

Flake: I taught her what she  
knows. Parts of that  
are just an illusion.

Hero: I didn't know. But why  
do you want me to help  
Lufia so much?

Flake: I don't know. I just....

Lufia: Grandpa! Hero! Tea's ready.  
Come inside and relax.

Flake: Oh, you made cinnamon tea.  
You usually don't make it.  
What changed your mind?

Lufia: Well, we have a guest and I

thought it would be nice.

Flake: When my guests come,  
you make ordinary tea.

Lufia: That's not true! Sometimes  
I make it for your guests!

Flake: Ha! Ha! That's alright. My  
friends alone can't make  
you do this. I understand.  
But Hero is your own age,  
Lufia. I know you'd want  
to do something special!

Lufia: What! Oh, you! How can you  
say that, Grandpa?  
Forgive us, Hero.  
Just ignore him.

Flake: I see. So, Lufia. You're  
saying you don't like  
him?

Lufia: I never said that! Let's  
just have our tea, please.

Hero: It's Lufia. It's really  
her, isn't it?

Flake: Yes. But she's different  
from the Lufia you knew.

Hero: I don't care! As long as  
she's alive.

Flake: Even without her memory?  
She doesn't even remember  
you.

Hero: Memories.....  
That's alright. We'll  
make new memories.

Lufia: What are you two talking  
about? The tea's getting  
cold. Come inside quick!

Flake: Come. Come in, Hero.  
Lufia's waiting.

Hero: I'll be right there.
