This is a Role-Playing game which was released by Vic Tokai in 06/23/95. You can get more information about this game at http://www.fuchu.or.jp/. There are also many scrrenshots available at http://www.vgmuseum.com/. This game is about 10 years old but there is still not a full guide it. So, I decided to write a Full FAQ for this game.

This game is based on the anime of Princess Minerva. the story take place in Kingdom Of Whistler. Princess Minerva participates in tournament and fight against all the young and beautiful women all over the country. Finally, all these women join up and try to defeat the archenemy of the Queen of Whistler,

Produm City

#### Produm northwest cave

The guard will come and fight you once you are inside the cave. He has 15 HP only. He is extremely weak and you can simply kill him with a single blow. Folloe the path and you will find an old man. Get ready for your first boss fight.

[Boss Battle: Cruz]

He has 185HP. His after image skill can attack all the members in your party. But, his skill has low accuracy and give you about 15 points of damage. You can kill him with 2 blows if you use Minerva team.

After the boss battle, go back to Produm City.

#### 

[Boss Battle: Commander]

He has 200HP. Sadly, he doesn't have any skill, just use unite attack and you will be able to wipe him out in 3, or 4 rounds.

Then, you will receive 20000G.

Then, watch the scenes! After that, just go out of the city and follow the path on your right until you reach Capital. Tsuerumal City.

Nirisu North Cave

Finally, go to the left and step on the moon switch to reveal four holes. If you step on the wrong switch, you will be transported to the entrance of the cave. Now, jump down into the hole on the left, grab the queen whip below you and then step on the teleporter on your left. You have to do it fast because the enemy in this area is really strong. Escape is your only option if you encounter them. Now, repeat the process and jump into the hole above you. Grab Tua's Blanket and step on the teleporter. Repeat the process and jump into the hole on the right. Go up and take 3000G before you step on the teleporter. Repeat the process and jump into the hole below you. Now, get the forest map on your left and get out of here. Head back to Shifo City.

#### 

[Boss Battle: Nightmare]

She has 430HP. Her instant dead spell is deadly and she can cast sleep to your one of your party member. Just use unite attack to attack her. If she puts your party member to sleep, use your magic attack. You should be able to finish her shortly.

After that, go up and check the rooms. One of them conrtains teleporter which can take you to the other tower.

#### 

#### Enter Razu Tower

[Boss Battle: Dream Naby]

She has 400HP. She can cast fire magic to damage all the party members. Her illusion spell can confuse all your character. So, bring a character who can remove the confuse status with you. Then, do not bring character with high physical attack with you because she will always attack you if she is confused. So, bring all the magic user to this battle is the easiest way to defeat this boss. Cast Fire or wind attack will give her 30 points of damage. Heal your character when their HP is lower than 40.

#### 

[Boss Battle: Mirror Tecnica]

She has 1200HP. She has many Melee and magic skills. Elemental Magic works very well on her. Melee skill works very well too. Just remember to bring more potion to this battle as she has high HP.

Free Tyrolia from the prison and she will rejoin the party. Now, you unlock

the cave in northeast of the map. The cave can boost your ability but it is very expensive. When you are fully prepared, go to Capital Uisra.

Go to upper left and upper right corner. Take Tent, Shuraf and blanket from the chests. Go into the castle. Walk north and DON'T enter the door yet. walk west and then north to take the Strength Fruit from the chest. Walk south and the west. Go through the garden and then walk north into the room with 4 treasure chests. Take Tent, Medicine and Potion from the chests. Walk northeast and you will find Storm Whip from the chest. Travel all the way south. Travel east and get the Escaper from the chest. Travel east and go into the room with 10 treasure chests. Take Hipotion, Tent, Ikaros Wing X 2, Elixir, Potion, Escapers and Defense Fruit X 2. Travel southeast and get 2000G and Agility Fruit from the chests. Travel north and get Dropping of the chest. Go to the east of the castle. Go north into the room which is beside the door. Take Medicine, Moon Reipia and Elixir from the chests. Travel all the way south and go into the door with 3 chests. Get Braddy Sword and Iron Sword from the chests. Travel northeast and get Sky Rod from the chests. Go through the door in the middle of the castle. Go left and get Medicine, Tent X 2, Hope Sword and Potion. Walk north and jump into the hole. Walk west and use the stair if you wish to get out of the castle. Make sure all your characters have at least 43 Levels. Go north east and try to use the stair and Fire Preshijen will fight you.

[Boss Battle: Fire Preshijen]

She has 1600HP. Her fire damage can give 40 damage to one or all your party members. Water Spell work well here. Heal when your HP is less than 50. Make sure you equiped items with high Magic Defense because all the bosses use magic attack.

Use the stair. Walk north and try to use the stair. Wind Ote will stop you. [Boss Battle: Wind Ote]

She has 1200HP. Her wind slash can give 50 damage to all your character. But, her defense is very weak. Use Unite attack can give her 200 something damage. Heal if your HP is below 50.

Go northeast and try to use the stair. Dream Naby will stop you.

[Boss Battle: Dream Naby]

She has 800HP. Bring a character who can cure abnormal status into this battle. She always use confusion attack. So, bring character with low physical attack and strong magic attack to finish her. By the way, her fire attack is quite weak, it only gives 30 damage to one of your character.

After the battle, walk one step north and Water Grohil will stop you.

[Boss Battle: Water Grohil]

She has 1600HP. Her wind attack can give 40 damage to all characters. Then, her water attack can give 40 damage to one character. Next, her water2 attack can give 60 damage to one character. Again, her physical defense is weak. Use Unite attack or melee skill to damage her. Heal when your HP is less than 70. After the battle, walk northwest and use the stair. Walk north and Metal Elbatta will stop ypu.

[Boss Battle: Metal Elbatta]

She has 1000HP. She will cast ironize to increse her defense at second or third turn. So, attack her with any strong magic before she turns into metal. Her quake attack can give 40 damage to all your character. So, heal if your HP is less than 50.

Use the stair and walk north again. Mirror Tenica will stop you.

[Boss Battle: Mirror Tecnica]

She has 1600HP. She has many Melee and magic skills. Ice and Water Magics work very well on her. Melee skill doesn't work on her. Each of her skill can give all your party members 40 damage. Heal if needed.

Use the stair. Walk north and face Dynastar.

#### [Boss Battle: Dynastar]

She has 800HP. Her quake attack can give all your characters 40 damage. Her sword attack can give one of your character 60 damage. After a few turns, she may transform and gain a new attack which can give 45 damage to all your characters. Her fire damage may give same amount of damage to all your characters too. Unite attack works well. Each unite attack can give her 150 damage. This is a easy battle though.

[Boss Battle: Raigel]

She has 2500HP. Dynaster will join you in this battle. But, you cannot use unite attack anymore. Her lightning attack can give 55 damage to all your characters. Melee skill like Phoenix Sword works very well here. Heal when your HP is less than 70HP.

[Boss Battle: Karugari]

She has 3000HP. This is the final battle though. Now, there is a new battle command available. That command lets you to change your character whenever you want. Her fire damage can give 90 damage to one of your party member. Her light attack can give 35 damage to one of your character. Believe it or not. Weapon attack is the best way to defeat her. By the way, she has a skill which can confuse your party member.

After the battle, WATCH THE ENDING!! YUP, the LONG ENDING!!!!!!!!
