About the game

-----  
The hero Chiffon challenges to fight with his sword in order to save Kitan Kingdom from the evil "renpoushi" on stage in a different world where a gigantic machine knight develops an intense battle. In battle, you can fight by riding on the giant knight "souhei" by means of attacking with a weapon.  
-----

Note

-----  
In this game, you can only move in the souhei from location-to-location. During the battle, you cannot recover Chiffon's souhei, and the only way you can recover Chiffon's souhei's HP is when Chiffon levels up or at the blacksmith shop for 100 Golda. Also, you can get both EXP & Golda by going from location-to-location or from bosses. In dungeons, Chiffon & others can only get EXP.
