Nobrunes HP3000 EXP 1800 PBTrent4

Believe it or not, using dash attack is the best way to defeat him.

Fandoom HP3600 EXP2300 Pold 3 SG

Use dash attack to defeat him too. He is nothing except he got tons of HP. After the battles, go northeast into the room and get Main Key. Go back to 1F. Travel north all the way until you reach a room with stairs. Exit this room and travel east to upgrade your robot. After that, go back to the room and go up to 5F. Travel southeast into the room and get Nimeiya MG 4. Exit this room and travel north to 6F. Go southeast to the next screen. Travel northeast into the room and activate the switch. Exit the room and travel far southwest to the next screen. Go left and get Repair Kid X. Travel south into the room and activate the switch. Exit the room and travel north to get back to the previous room. Now, go to the room on southeast and travel south all the way. You will end up on 7F. Go north and explore the area to get MP Napalm 3 and PB Torent 4. Exit this room and go into the room in the middle of 7F. It is protected by security beam. Watch out for the beam attack. From the room, travel north to reach 8F. Take Repair Kid SP and save your game. Finally, go north to face the last boss.

```
CTICPU HP5900 EXP3900
```

Just use dash attack because it can't move at all.

#### NeoBysHait HP5000

SN 1 Raiden = Attack: 26

Again, use your dash attack all the time. Use all your items because this is the final battle..

After the battle, watch the ending!! Ion and the main character.....
