I. Introduction *****

In this FAQ I have typed up every piece of dialogue and story related text that appears in Spawn for the Super Nintendo Entertainment System. The text is exactly as it appears in the game except it's not all capitals.

II. Version History *****

III. Script *****

Newspaper Reads: THIRTEENTH CHILD
ABDUCTED!

Spawn: Cyan...

Overkill: I'm sorry my men
weren't much of a chal-
lenge to you.
It's so hard to find
good help these days.

Spawn: Back off Overkill.
I'm here to rescue the
children and I don't have
time for this. Walk away
and you leave in one piece
...maybe.

Overkill: Can't do that,
hero. I've been commis-
sioned by some guy named

Angel to keep everybody...and
if I gotta crush you into
paste, well hey, that's
just a fringe benefit.

After defeating Overkill.

Spawn: You should really
find a new line of work.

Thug: Do what the man paid
us for, bring'im down!

Redeemer: There's nowhere
to hide, Spawn.
I've finally caught up
with you...
The flesh of the innocent
will provide no sanctuary
for the likes of you.

Spawn: No, not now.
There's something wrong
with Cyan...The children.
I have to -

Redeemer: All you must do
is die! I don't care about
these children. If I have
to, I'll simply destroy
them to get to you!

After Spawn defeats Redeemer.

Spawn: Angela! I should've
known you'd show up with
this psychotic -

Angela: Silence, there is
little time...
I need your help -

Spawn: My help? Go to -

Angela: For the sake of the
innocent. You have
to save the children!
One of our own has
taken matters into
his own hands...
This "Mad One,"
by draining the
innocent essence of the
thirteen children,
has forged a weapon -
an "Orb of Purity."
Even now the

Mad One struggles through
the Darklands toward the
Lord of Darkness
himself. Perhaps you know
him by his favorite name...
Malebolgia.
If the Mad One succeeds in
reaching Malebolgia, he
will use the orb in an ef-
fort to destroy Malebolgia
once and for all. The es-
sence of the children will
be lost forever, leaving
them as you see them now...
little more than breathing
corpses. You must not al-
low the mad one to sacri-
fice the essence of the in-
nocents. As a Crusader,
I may not journey to the
Darklands.

Spawn: This "Mad One"
didn't seem to have much
problem.

Angela: His insanity prov-
ided him the gateway. Your
powers are from Malebolgia
himself...with the proper
individual, you too could
make a gateway to the
Darklands.

Spawn: I don't trust you.

Angela: You must! I will
delay the redeemer until
you are gone.
You must find a man
with a heart black enough
to serve as the gateway...
into darkness.

Hiram Bedding
Institute for the
criminally insane

"Bedlam"

Security: All inmates
advised to return to cells.
Security is preparing for
sanctioning procedures...
lock-down achieved...

Spawn: Good...I don't want
anybody escaping. I need to
pay a visit to Kincaid.

Spawn: Time to meet your
maker, Kincaid...

Spawn: Violator! What are
you doing here?

Violator: I can't thank you
enough for the snacks,
Spawn.
These cons are the best
eats I've had in a long
time!

After defeating Violator.

Violator: Another time,
Spawn, another time!

Spawn: Guess what,
murderer? Only a heart of
evil can serve as a gateway
to the Darklands, and yours
is the perfect candidate.
Prepare to pay your debt to
society, Kincaid.
I hope this hurts.

Mad One: You, the minions of
Malebolgia are no match
for me!
No one can defeat
Malebolgia but me!

Mad One: Now, Dark One,
Your eternal evil come to
an end...with the power of
this orb, with the essence
of innocent, I summon
the light to banish your
darkness forever!

Spawn: No, don't do it!

After defeating the Mad One.

Malebolgia: Thank you my
little Spawn, for saving me
the trouble of eliminating
this...pawn.

Spawn: Let the children go,
Malebolgia, or else -

Malebolgia: Ah yes the
children. Their innocence
shall make a formidable

foundation bonded with my
neural parasites. They
shall become my prodigal
offspring...my new breed!
Ah, the irony
is exquisite. To tempt a
crusader into capturing
what I cannot...innocence
...so that it may be per-
verted into my greatest
creation. Just as the
Violator feed on the
guilty, my new breed may
feed on the innocent! Now
go, my greatest creation,
to earth...feed and grow
strong!

Angela: T-too strong...just
too strong...it kept feed-
ing...I failed...the in-
nocent...the children...

Spawn: No more terror. No
more destruction. No more
victims.

After defeating Malebolgia's new creation.

Malebolgia: Relax...I have
not come to fight you, my
little Spawn...
you are serving me well.

Spawn: Then leave me alone-

Malebolgia: You prevented
me from wasting valuable
resources. After all, if
you alone could defeat my
new breed, then perhaps I
erred. I...misjudged the
power of my creation. I
will not make that error
again.

Spawn: All right, if you
didn't come to fight, what
did you come for?

Malebolgia: I have come
here...to give you a gift.

Spawn: A...gift?

Malebolgia: Hold still,
this may sting a little...
heh, heh.
Don't expect this favor

ever again...but it was the
least I could do consider-
ing the gift you gave me.
Heh, and such lovely ma-
terial to work with, too...

Spawn: Nooo...
