This is not just a FAQ consisting of lists, but instead a FAQ consisting of alphabetically categorized information throughout, and which is readily available to have a quick search through in finding the solution to the puzzle. The quickest way to find the solution to a certain puzzle is to use the search function on the document viewer, searching for a certain section number that corresponds to the category of the puzzle (for example, search for 06 to get into the "People" category). Once the correct category has been found, manually searching through the list may be the quickest approach if the first letter(s) are known for the solution, or doing another search in the category section for part of the solution already available in the game may be best. If none or too little letters are displayed in the game at the time of wanting to search for the solution, counting the amount of letters for the word or each word is the only way to find the solution, although it won't guarantee success.

If you find any errors in this guide, with the categories, answers, or even missing data, please send me an e-mail. While I always try to ensure everything is flawless in the guide, I'm unable to guarantee such accuracy.

Time Flies When You're Having Fun  
Time Is Money  
Time Is on My Side  
To be Or Not to Be  
To Each His Own  
To Err Is Human  
To the Shores of Tripoli  
Too Big for His Britches  
Too Close to Call  
Too Little Too Late  
Too Many Cooks Spoil the Broth  
Too Much Time on My Hands  
Too Much Too Soon

Water Under the Bridge  
We Aim to Please  
We've Got to Stick Together  
Wearing Myself Ragged  
What a Difference a Day Makes  
What a Way to Go  
What Goes Around Comes Around  
What Time Is It  
What's Up Doc

When it Rains it Pours  
Where's the Beef  
Wild and Crazy Guy  
Will You Marry Me  
Will You Please Excuse Me  
Win One for the Gipper  
Winner and Still Champion  
Wish You Were Here

You Have the Right to Remain Silent  
You Hit it Right on the Nose  
You Only Live Once  
You're Out of Your Gourd  
You've Got Nothing to Lose
