WHEN YOU WISH UPON A SHELL

Patrick and Spongobob are playing with their toy robots, but they are getting bored. Spongobob has the great idea to wish upon a magic whistling shell for real robots! They wake up the next morning to discover their wish has come true, but not exactly as they had hoped. An army of mindless robots is destroying Bikini Bottom and it is all Spongobob's fault! What is he going to do?

Or maybe...

The night before, the evil Plankton put into motion his most diabolical plot ever. He created an army of robots using his new Invisibility device called the Duplicationator 2000. The only problem is that he forgot to turn on the "Invisi-Plankton" switch and now his robot army is running amok in Bikini Bottom. So it is not Spongobob's fault, but he does not know that...

What is a sponge to do?

INTRODUCING... OUR HEROES

"As long as these pants are square and this sponge is Bob, I will not let Bikini Bottom down!"

Welcome to Bikini Bottom! Let's meet our three heroes, the ones who are going to save Bikini Bottom (at least we hope so):

Magie! It's not the strongest, or even the handiest, but Spongobob Squarepants has something no one else has - Bubble Blowing! From Bubble Flying Helium to spinning Bubble Heads, Spongobob's bubble creations are unique.

Patrick. Happy Patrick. Patrick is very strong. He may not have Bubble Blowing or Lenses but he's strong enough to pick up small robots and throw them long distances. Watch those robots fly!

INTRODUCING... OUR HEROES

Sandy is our all around action gal. With her trusty Lasso by her side, she can traverse long gaps, swing over hazards, or tie up bad robots before they even get close. And let's not forget her squirrel-like agility.

ITEMS

Need to get another pair of Bikini Bottom? First, Spongobob or his friends will have to earn Golden Spectacles by completing tasks.

Star objects are used as currency. Spongobob can use them to purchase Golden Spectacles or to gain access to some off-limits areas.

Nothing makes Spongobob feel more like a real sponge than a pair of clean underwear! Every time Spongobob takes damage, he'll lose a pair so don't lose them all or you will return to the last check point if you want Spongobob to have even more underwear than he normally does. Find a pair of Golden Underwear. They're difficult to find, but oh so worth it.

Whenever you see this icon, walk Spongobob over to it to turn him into Spongobob Squarepants. Spongobob will roll himself into a ball!

Throw Fruits are found throughout the world and look like watermelons. Patrick can use them to destroy robots, click and to tilt the moving objects.

Texas Tractor Kitchen can be found floating in mid-air. Sandy uses her Lasso to attack herself to these and launch herself over large gaps, or even move rapidly from one end of a level to the other.

ITEMS

Wood Tikis - These are the most common Tikis in Bikini Bottom, and the easiest to break open.

Floating Tiki - Unlike other Tikis, these Tikis float around. Patrick's Throw moves come in handy when trying to open one of these.

Shark Tiki - Sharks are the largest Tikis of the bunch. Raising their big ears, these Tikis hide when someone approaches, only reappearing when the coast is clear. If you are playing as SpongeBob, try to sneak up to them quietly!

Thunder Tiki - Tread lightly around this growling Tiki! The slightest touch triggers a thunderous explosion a few seconds later. This explosion destroys surrounding Tikis and reduces health of whoever's nearby.

Stone Tiki - Constructed of solid rock, the stink Stone Tiki is impervious to most attacks. Only SpongeBob's Creative Bubble can break a Stone Tiki.

You must collect enough Slime Objects to pay the Clam to open up additional growling areas.

Fast Stands will take SpongeBob to new levels once he has collected enough Golden Splatulas.

Use the Bus Stops to switch between playing SpongeBob, Patrick and Sandy.

Patrick's socks have been stolen by the menacing robots. Return Pat's socks to him, and he will reward SpongeBob with Golden Splatulas.

Information Signs give SpongeBob helpful tips along his adventure.

LEVELS

BIKINI BOTTOM

Heg Spongopolis! It's time to visit the neighbours and get some help! Of course, collecting Slime Objects and Golden Splatulas is a good thing too!

Tip: Want to know if you can talk to something? Look for the button prompts.

JELLYFISH FIELDS

Squidward's been stung by Jigglyfish! To help him, SpongeBob embarks on a dangerous journey to the top of Spark Mountain to collect King Jellyfish's Jelly, the only known cure for severe jigglyfish stings. The only problem is that King Jellyfish is up there and he's not interested in sharing.

Tip: If you need to swap out characters, look for a Bus Stop.

DOWNTOWN BIKINI BOTTOM

There's trouble brewing in Downtown Bikini Bottom - robot trouble. SpongeBob heads there to find out what the word on the streets is and how he can help.

Tip: Sandy throws her Lasso at whatever the big pointing hand is, well pointing at.

LEVELS

GOO LAGOON

After Downtown, SpongeBob takes a minute to relax out at Goo Lagoon. The problem is the robots aren't taking it easy. Larry the Lobster needs SpongeBob's help - and fast!

Tip: If you need Patrick to pick up something, hit the X Button once. If you want him to throw it, hit the X Button again.

POSEIDOME

Melvin Bottom's ultimate sporting venue has been infested with robots! King Neptune demands that SpongeBob and Patrick rid him of the robot menace.

ROCK BOTTOM

Mrs. Puff tells SpongeBob that the robots are remaking the Rock Bottom Meadow. Can he find a way in and stop them before it's... gahp... too late??

Tip: Having a problem spotting something? Try rotating your camera around to get a better look.

LEVELS

MERMALAIR

Deep in the wily robots have even invaded Mermaid Man and Barnacle Boy's secret lair! Can SpongeBob shut down the security system, disable the robots, and defeat the evil of PRAWN before Mermaid Man and Barnacle Boy get back from their doctor appointment?

Tip: Wind a little more up in that bubble sword! Just hold on to that button a little longer... longer... yeah! That's about right!

SAND MOUNTAIN

It's time for some tongue-boarding—Trixie style! And if you jump down into a deep, dark, dark pit, Plankton will give you a Golden Spatula!

Tip: If you tap the A Button 3 times, Sandy can use her Lasso like a helicopter.

INDUSTRIAL PARK

Jack! Nothing like liquid industrial waste to give an ulcerous SpongeBob the shivers. And why does that glass robot you're fighting look so familiar?

LEVELS

KELP FOREST

It's dark. It's spooky. Must be the Kelp Forest. Be careful, or you might not be able to "sense."

Tip: For a nice bonus or two, try going back to previous levels as different characters. You might find a few hidden treasures that were left behind.

FLYING DUTCHMAN'S GRAVEYARD

The Flying Dutchman's ghost is so upset he can't even work up the nerve to scare anyone. Those dastardly robots have commandeered his ship and are using it to battle each other. Can SpongeBob get the ship back?

Tip: Try talking to everyone you can. That's right! Everyone! They might know something you don't. Or they might have something for you to do. Or they might be lonely. Poor lonely people!

SPONGEBOB'S DREAM

So sleepy... It's a SpongeBob dream! With Dreams Bubblegum And Golden Spunkfest! Well, it's just a dream. It can't hurt to grab a few things, can it?

Tip: For wandering around levels, nothing beats a quick trip to the Pause Menu.

LEVELS

CHUM BUCKET LAB

Abel Plankton's scheme has been foiled and it's time to teach him a thing or two about gravitational robot renewals, but some unexpected surprises still await SpongeBob.
