## INTRODUCTION

QUIZ WIZ is one hot question and answer game. We recommend that you read through the entire manual before you begin the challenge.

## OBJECT

YO! You gotta be a Quiz Wiz to be a Wise Guy! QUIZ WIZ is a game of trivia that certainly isn't trivial. Choose from one of the five categories and get ready to test your knowledge. You receive one point for each correct answer. Can you attain the perfect score?

## PLAYING THE GAME

Make sure your game.com system is OFF. Insert the QUIZ WIZ cartridge into cartridge slot 1. Turn on game.com. Touch CARTRIDGE on the Main Menu Screen. After a brief animation, you will find yourself at the Quiz Wiz Title screen.

At the main Quiz Wiz Title screen, you can choose START GAME or OPTION. START GAME begins the preliminary set-up questions that will determine how the game is played. More information about OPTIONS follows.

TOUCH **START GAME** TO SET UP THE GAME AND BEGIN PLAYING.

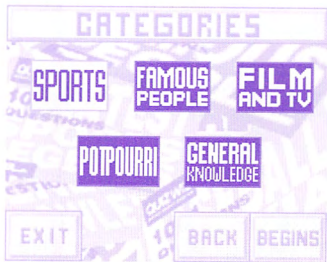

First you will be asked how many players will participate. Touch **ONE**, **TWO** or **THREE** and then touch **FORWARD**.

TEST YOURSELF, OR COMPETE WITH FRIENDS.

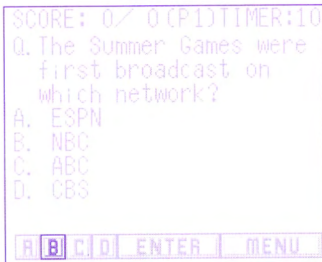

Now you will find yourself at the CATEGORIES Screen. Choose from SPORTS, FAMOUS PEOPLE, FILM AND TV, POTPOURRI and GENERAL KNOWLEDGE.

When you have determined which set of questions will be used, touch the BEGIN button to start the quiz.

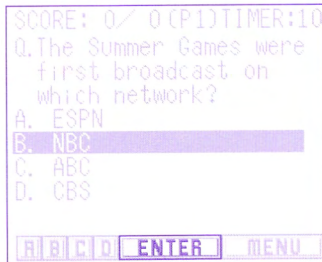

SELECT ONE OF THE FIVE CATEGORIES. THEN TOUCH BEGIN TO START THE GAME.

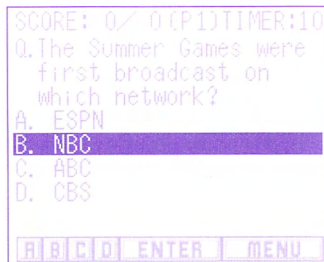

When the questions appear, you may either touch the answer directly or touch the letter (located toward the bottom of the screen) that corresponds to the answer. Make sure to touch the ENTER button to lock in your choice.

TOUCH A LETTER TO SELECT YOUR ANSWER.

BE SURE TO TOUCH ENTER TO LOCK IN YOUR CHOICE.

OR TOUCH THE ANSWER ITSELF TO CHOOSE IT.

Your score will be displayed at the top of the screen. The number of questions that you've answered correctly will appear just before the number of the question you have completed. So, if you are on question 5 and you've gotten 2 of the previous 4 questions correct, your score will be displayed as 2/4.

Just to the right of the score will appear the current player status. If you are playing a 1-player game, this will always be displayed as (P1) for Player 1. In multi-player games this will change as the turn of the player alternates. (P2) will indicate Player 2 and (P3) for Player 3.

Next to the Player status is the Timer. If you have the Timer turned on, the seconds will count down next to it. If the Timer is not activated, the word "OFF" will be written adjacent to the Timer.

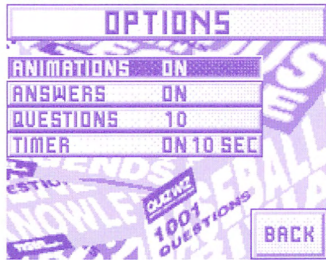

Once the game is completed, a SCORE Screen will be displayed.

ARE YOU A QUIZ WIZ OR A DUNCE, DUDE?

From the SCORE Screen you may play the same game AGAIN or start a NEW one.

## OPTIONS

If you touch the OPTIONS button on the first screen instead of START GAME, you will be taken to the OPTIONS Screen, where you can change the options that will affect your game.

CHOOSE THE PARAMETERS FOR YOUR GAME.

## Included Options:

Timer

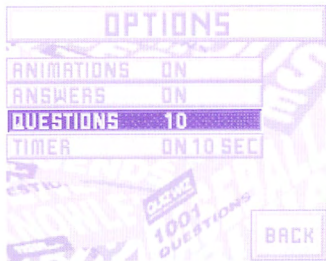

If you touch the Animations button, you may turn off (or on) the wacky antics of your Quiz Wiz host, the Wise Guy.

QUIZ WIZ IS A RAD WAY TO WIDEN YOUR WISDOM!

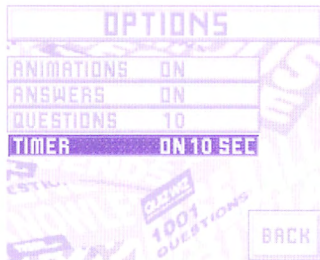

The Answers option will allow you to turn on (or off) the answers to the questions you respond to incorrectly. If you're curious about the answers you miss, leave this turned ON.

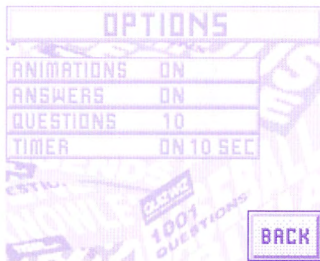

Touching the Questions button will give you the opportunity to cycle through various Quiz Wiz game lengths. You may choose from a 5, 10, 15, 20, or 30 question game.

The Timer button gives you the option of shortening or lengthening to amount of time you have to answer a question. If you fail to answer before the timer runs out, it will count as an incorrect answer. Choose from 5, 10, 15, or 20 seconds. Also, you may turn the Timer off altogether.

When you are happy with all of your selections, touch the BACK button to return to the Quiz Wiz Title Screen.
