READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION®2 FORMAT DISC:

i SAN ANDREAS

is one of the country's most diverse visitor destinations, known for its huge size and incredible variety. Although justly celebrated for its 3 wildly different main cities each with its own style and attractions to offer - Los Santos with its celebrity and sprawling ghettos, San Fierro with its eclectic artist community, and Las Venturas with the glitz and glamour of casinos - it has so much more beyond that; such as mountains, ghost towns, dense forests and hot, dry deserts. Take time to visit the whole state and support local businesses.

✈️ AIRPORTS

Need to put some distance between you and your associates? The fastest way out of town is by plane from your nearest airport. There are 3 airports in the San Andreas area, don't expect them to take air miles.

LOS SANTOS AIRPORT
LSX is now the fourth busiest airport in the world. The airport is made up of five gates that are connected by a U-shaped two-level main terminal.

SAN FIERRO AIRPORT
This airport is bordered by the San Fierro Bay and provides a spectacular aerial view of the Gant Bridge as you take off.

LAS VENTURAS AIRPORT
Literally minutes away from the Las Venturas strip, you won't have to wait long to try your hand at the tables.

HOSPITALS

If you spend enough time on the streets of San Andreas, sooner or later you are going to wake up in a hospital! Check out the map to find the one closest to where you are.

PERSONAL SAFETY

There isn't a neighborhood in the entire state of San Andreas that we would categorize as 'safe,' so we recommend carrying a weapon at all times. Actually 2 is better. Visit the local Ammu-Nation superstore (see map for details) soon after arrival for firearm supplies.

MONEY

San Andreas is the epitome of consumer society; there's always something new to buy, spending money feels good, you need to spend money to look good and having the latest gear can be pretty important to those around you. Just remember though money isn't everything and some things like respect, can only be earned, not bought. The following credit cards are well reputed throughout the state but generally most people prefer cash.
