LIMITED WARRANTY

Sony Computer Entertainment America (SCEA) warrants to the original purchaser of this SCEA product that this software is free from defects in material and workmanship of a period of ninety (90) days from the original date of purchase. SCEA agrees for a period of ninety (90) days either repair or replace, at its option, the SCEA product. You must call 1-800-345-SOFTWARE to receive instructions to obtain repair/replacement services.

This warranty shall not be applicable and shall be void if the defect in the SCEA product has arisen through abuse, unreasonable use, mismanagement or neglect. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY NATURE SHALL BE BINDING ON OR OBLIGATE SCEA. ANY IMPLIED WARRANTIES APPLICABLE TO THIS SOFTWARE PRODUCT, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE NINETY (90) DAY PERIOD DESCRIBED ABOVE. IN NO EVENT WILL SCEA BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THE SCEA SOFTWARE PRODUCT.

Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of consequential damages, so the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

WARNING: READ BEFORE USING YOUR PLAYSTATION 2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game—dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, involuntary movement, or convulsions—IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:
Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:
The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:
This disc is intended for use only with PlayStation 2 consoles with the NTSC/LIC designation.
• Do not bend it, crush it or submerge it in liquids.
• Do not leave it in direct sunlight or near a radiator or other source of heat.
• Be sure to take an occasional rest break during extended play.
• Keep this disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

Our news is always hot! Visit our website and find out what's happening—new titles, new products and the latest information about the PlayStation 2 computer entertainment system.

Getting Started

Set up your PlayStation 2 computer entertainment system according to the instructions in its Instruction Manual. Make sure the MAIN POWER switch (located on the back of the console) is turned on. Press the RESET button. When the power indicator lights up, press the open button and the disc tray will open. Place the *Jak and Daxter: The Precursor Legacy*™ DVD on the disc tray with the label side facing up. Press the open button again and the disc tray will close. Attach game controllers and other peripherals, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.

Auto Save
Every time you collect a Power Cell, a special Save icon will appear on screen indicating your progress is being saved. While the icon is on screen, DO NOT remove the memory card (8MB) (for PlayStation 2) or turn off your system.

Manual Save
If the Memory Card is removed or replaced, the application will disable the Auto Save function until a manual save has been performed. To perform a manual save, access the Save Game option located in the Options menu on either the title screen or on the in-game Pause screen.

Power Cells
 Power Cells are rare and valuable artifacts. They harness incredible power and can be earned, found or traded. Acquire as many as possible to open new areas and gain new wisdom.

Precursor Orbs
 Precursor Orbs can be found scattered throughout each area. They are in great demand and can be traded for Power Cells.

Oracles
 These ancient statues are from a time long forgotten. They contain Power Cells and words of wisdom for the worthy adventurer.

Strong Box
 These can't be opened by conventional attacks.

Treasure Chests
 Break these for various colored Eco.

Locked Boxes
 Scout Flies captured by Lurkers are locked in these boxes.

Dark Eco
 Dark Eco oozes with danger.

Dark Eco Boxes
 Dark Eco is stored in these boxes. Stay as far away as you can!

Eco

Eco is a magical and powerful substance throughout each world. It comes in a variety of colors and will effect you or the environment around you in special ways.

Green Eco
 Green Eco will help you recover energy. 50 units of "Small Eco" will give you one health point, collecting one "Large Eco" will give you one health point. Standing in a "Green Eco Vent" will bring you back to 100% health.

Red Eco
 Red Eco increases your power and attacks.

Blue Eco
 Blue Eco is a very powerful and magical substance. It affects the environment around you as well as expands your abilities. "Blue Eco" activates Precursor artifacts that can be found throughout the world.

Yellow Eco
 Yellow Eco is an energy source that you can shoot at on-coming enemies. For precision aiming press the O button and then shoot.
