⚠ WARNING: PHOTOSENSITIVITY/EPILEPSY/SEIZURES

READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. **IMMEDIATELY DISCONTINUE** use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- altered vision
- eye or muscle twitches
- loss of awareness
- disorientation
- seizures
- any involuntary movement or convulsion

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
- Avoid large screen televisions. Use the smallest television screen available.
- Avoid prolonged use of the PlayStation®2 system. Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation®2 system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PLAYSTATION®2 FORMAT DISC:

- This disc is intended for use only with PlayStation®2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

A long time ago in a galaxy far far, away...

The galaxy is on the brink of total darkness. The evil GALACTIC EMPIRE has overthrown the Old Republic and now holds countless worlds in the grip of fear. The Jedi Knights have been all but destroyed. Only a handful of Jedi have escaped Imperial forces, disappearing into hiding across the galaxy.

SAVING THE GAME

If you choose to end your playing session, enter the Pause Menu by pressing START and select SAVE GAME, then choose which game slot to save the game data on.

PREPARING FOR BATTLE

Health Canisters spread throughout the level.

2. MAP: The map shows your position in the level, as well as guides you to the final destination of the stage or the locations of the mission objectives.

3. ENEMY HEALTH BAR: If you are confronting a Force-wielding opponent or a large group of enemies, their Health is displayed at the bottom of the screen. Their Health will deplete as he or she is successfully attacked.

4. STATUS BOX: This box keeps track of a few different statistics during the game. The number on the upper left portion displays your Force Point multiplier. The number underneath it displays your current Force Point total. Points are earned for any number of things, such as enemies killed or successful use of a new Force Power. Points are deducted when you die and you must replay that area.

GAME SCREEN

1. HEALTH AND FORCE ENERGY BAR: These bars display your Health and Force status. The red bar on the bottom is your Health. Once the bar runs out, you are defeated. The blue bar above is your Force Energy. This bar depletes as you use your Force Powers and Advance Force Powers. The Force Energy bar will replenish over time, but the Health bar can only be replenished by collecting

Force Powers

Force Powers allow you to attack from afar, leap unimaginable distances, and manipulate the Force to damage your opponents. As you defeat enemies and progress through the game you earn Force Points, which you can use to upgrade your Force Powers. There are multiple levels of Force

Power upgrades, and each has a different price in Force Points. Upgrading your Force Powers results in more efficient or stronger attacks, and you may also use Force Points to purchase Advanced Force Powers. Upgrading can give you the ability to Force Push enemies farther, improve the power and range of your Repulse attack, or damage more enemies at the same time with Force Lightning.

Note: You also encounter lightsaber crystals in the world that can be equipped to improve your powers. Note that not every Force Power is upgradeable, such as Jump for example.

PREPARING FOR BATTLE (continued)

CORE POWERS

LIGHTSABER: As a Sith you are trained in the art of lightsaber combat and can strike with multi-hit combo chains. (Tap the **□** Button)

GRIP AND THROW: Lifts an enemy or object into the air, allowing you to move it around using the left analog stick. You will lift the object/enemy targeted in blue highlight. (Press and hold the **△** Button to Grip, use the left analog stick to move the object/enemy, and release the **△** Button to throw in the direction you are pressing the left analog stick)

LIGHTNING: This vicious power sends a blast of Force lightning at an enemy, dealing damage and stunning them briefly. (Press and hold the **○** Button to fire lightning)

FORCE PUSH: A wave of Force energy sends the enemies you are facing flying through the air, smashing into objects and taking moderate damage. Enemies hit by this blast are also stunned for a short period of time. You will also encounter doors and obstacles that can be destroyed by holding down the **△** Button to charge up your attack.

DASH AND EVADE: This Force Power allows you to quickly get out of harm's way by rapidly dashing forward. You may also dash while in midair, and take evasive action by dashing to the sides or backwards. (Tap the **R1** Button while moving with the left analog stick in each direction)

SABER DEFLECT: You are able to defend yourself with a lightsaber and can even deflect blaster bolts, sending the bolt back at its shooter. (Hold the **L2** Button)

SABER THROW: Throws your saber at a target with unerring accuracy, causing damage to any object or enemy with which it connects. Once it hits, the lightsaber will return to your hand. (Hold the **□** Button then press the **L1** Button)

Advanced Force Powers

Force Powers can be combined to create Advanced Force Powers. These attacks can be multi-staged, extra-powerful, or special in other ways. These are just four of the Advance Force Powers that are available in the game. As you progress through the story and gain new abilities, new Advance Force Powers will be unlocked.

AERIAL SHOCK: Jump and send out a two-pronged lightning blast to deliver a strong attack on your enemies. (Press the **X** Button then the **O** Button)

AERIAL ASSAULT: Jump and blast an extra powerful Push attack – sending enemies flying back in a strong burst of energy. (Press the **X** Button then the **△** Button)

REPULSE: Releases a shockwave of Force Energy in a circle around you, pushing back any enemies in its path and causing minor damage. (Hold the **LT** Button then press the **△** Button)

SABER IMPALE: Throw your lightsaber and impale an enemy with the power of the Force. (Hold the **△** Button to activate Grab and Lift, then release the **△** Button and press the **L1** Button + the **□** Button at the same time)

Combat Actions

SABER LOCK

Saber Locks occur when your lightsaber collides with your opponent's lightsaber. The goal of a Saber Lock is to overpower your enemy before they overpower you. Repeatedly tap the Button that appears on screen as quickly as possible to gain the advantage in this deadly lightsaber battle. Pay attention because some locks will switch buttons in the middle of the lock. Once the Saber Lock ends, the loser will temporarily be stunned, take damage, and be vulnerable to enemy attacks.

FORCE LOCK

Force Locks occur when your Force Powers connect with the opposing Force Powers of your foe, forcing each Jedi or Sith into a battle of the mind. The goal is to overpower your enemy before they overpower you. Repeatedly tap the **O** Button or the **△** Button (depending on which Force Power was being used) as quickly as possible to gain the advantage in the Force Battle. Once the Force Lock ends, the loser will be stunned, take damage, and be vulnerable for several seconds.

FINISHING MOVES

Some enemies are stronger than others. Once you have depleted their health to a certain level, you will be prompted to begin a Finishing Move. In order to complete it, you must press specific buttons on your controller as they flash on-screen. Failing to press the buttons in time or pressing the wrong button will result in the enemy regaining health. Successfully completing the Force Finisher will defeat the enemy.

ON A MISSION

COMBAT

Combat is an integral part of your quest through the galaxy. Defeating the enemies who would dare to stand against you is one of the duties of a Sith, not to mention a loyal servant of Lord Vader. Using your Force Powers and lightsaber skills in concert is the only way to make it through your mission alive.

TARGETING AURAS

In certain cases, objects / enemies will glow blue or red. When standing near these objects, you can use Force Grip to pick up and move, throw or slam them into the ground. Occasionally, large barriers that obstruct your path will initiate an on-screen prompt to destroy them. Press the **△** Button (hold) until the prompt begins flashing, then release the **△** Button. You can break open bulk-head doors and perform a number of other actions.

FORCE POINTS

Enemies will release blue orbs when they are defeated. These orbs will automatically float toward you, at which point they are absorbed and added into your pool of Force Points.

COMBAT (CONTINUED)

JEDI HOLOCRON

Hidden throughout the various missions are items called Jedi Holocrons. Collecting holocrons unlocks new concept art which can be viewed in the Rogue Shadow.

FORCE HOLOCRON

Hidden throughout the various missions are items called Force Holocrons. Each time you find a Force Holocron, your total amount of Force power will be increased.

HEALTH HOLOCRON

Hidden throughout the various missions are items called Health Holocrons. Each time you find a Health Holocron, your total amount of health will be increased.

ROGUE SHADOW

The Rogue Shadow is your base of operations in-between missions. You can converse with crewmembers, get information on missions, customize your costume and lightsaber, and launch your next mission from the bridge of the Rogue Shadow.

NAVIGATION COMPUTER

The Navigation Computer allows you to choose the destination for your next mission. When you have finished customizing and adjusting, select the Navi Computer and press the \times Button to select your destination or \triangle Button to check your objectives.

CUSTOMIZE COSTUMES

PROXY can assist you in altering your gear. You will unlock various costumes during the course of the game by successfully completing missions, and can alter your appearance in this menu by pressing [left] or [right] on the Left Analog Stick or Directional Pad.

CUSTOMIZE LIGHTSABER

In addition to altering your appearance, you can adjust your lightsaber color and powers here. As you progress through the campaign, you will discover lightsaber crystals that can be used to alter the color of your lightsaber, as well as enhancing different combat powers. You will also acquire various lightsaber hilts throughout the game, allowing you to create a truly unique weapon.

FORCE POWERS

In addition to the Pause Menu, the Rogue Shadow allows you to upgrade your Force Powers. Spend points here to upgrade Force Powers.

EXTRAS

The Extras option found on the right side of the control panel allows you to view the Data-bank containing a wealth of information about everything and everybody you come across in your adventure. You can review concept art that has been unlocked by discovering Jedi Holocrons, and even enter Cheat Codes that drastically alter gameplay. Now just what might these codes be?

SOFTWARE LICENSE AND LIMITED WARRANTY

PLEASE READ THIS LICENSE CAREFULLY BEFORE INSTALLING OR OTHERWISE USING THE SOFTWARE. BY INSTALLING OR OTHERWISE USING THE SOFTWARE, YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS LICENSE. IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, DO NOT INSTALL OR USE THE SOFTWARE AND PROMPTLY RETURN THIS PACKAGE AND ITS CONTENTS TO THE PLACE OF PURCHASE FOR A REFUND OR EXCHANGE SUBJECT TO THE RETURN POLICY OF THE RETAILER.

The computer program, artwork, music, printed materials, on-line or electronic documentation, and other components included in this product and all such materials as may be modified or updated (collectively referred to as the "Software"), are the copyrighted property of LucasArts, a division of Lucasfilm Entertainment Company Ltd. and/or its affiliates, entities or divisions, and its licensors (collectively referred to as "LucasArts" or "Publisher"). The Software is non-exclusively licensed (not sold) to you, and LucasArts owns and/or controls all copyright, trade secret, patent and other proprietary rights in the Software. LucasArts may make improvements, modifications, or updates to the Software at any time and with or without notice to you, which may be automatically downloaded into the memory card(s) used in connection with the Software. Such updates or improvements may change the game play associated with the Software.

Subject to the terms and conditions of this Agreement, you may use the Software, solely for your personal use and only in connection with a PlayStation 2 computer entertainment system or a Sony PSP (PlayStation Portable) system. You may not circumvent or attempt to circumvent any technological measures in the Software or the media designed to prevent copying or unauthorized access.

All rights not specifically granted under this Agreement are reserved by LucasArts and, as applicable, their licensors. You may not: (1) copy the Software in its entirety onto a hard drive or other storage device and you must run the Software from the included Compact Disc ("CD"), Digital Versatile Disc ("DVD"), or Universal Media Disc ("UMD") as applicable; (2) distribute, rent, lease or sublicense all or any portion of the Software; (3) modify or prepare derivative works of the Software, except as otherwise may be allowed herein; (4) transmit the Software over a network, by telephone, or electronically using any means, or permit use of the Software, in a network, multi-user arrangement or remote access arrangement except in the course of your network multiplayer play of the Software over authorized networks in accordance with its documentation; (5) engage in matchmaking for multi-player play over unauthorized networks; (6) design or distribute unauthorized levels; (7) reverse engineer the Software, derive source code, or otherwise attempt to reconstruct or discover any underlying source code, ideas, algorithms, file formats, programming or interoperability interfaces of the Software by any means whatsoever, except to the extent expressly permitted by law despite a contractual provision to the contrary, and then only after you have notified LucasArts in writing of your intended activities; (8) remove, conceal, disable, or circumvent any proprietary notices or labels contained on or within the Software; (9) export or re-export the Software or any copy or adaptation thereof in violation of any applicable laws or regulations; or (10) commercially exploit the Software or any portion or derivative thereof, specifically at any cyber café, computer gaming center or any other public site without first obtaining a separate license from LucasArts (which it may or may not issue in its sole discretion) for such use, and LucasArts may charge a fee for any such separate license.

You may transfer the Software, but only if the recipient agrees to accept and be bound by the terms and conditions of this Agreement. If you transfer the Software, you must transfer all components and documentation. Your rights in and to this license are automatically terminated if and when you transfer the Software.

LucasArts warrants to the original consumer purchaser only that the media furnished in this Software will be free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of purchase (as evidenced by your receipt). If the media furnished in this Software proves to be defective, and provided that the original consumer purchaser returns the media to LucasArts in accordance with the instructions in this paragraph, LucasArts will replace the defective media: (a) free of charge to the original consumer purchaser, if the media proves to be defective within the ninety (90) day period following the date of purchase, or (b) for a fee of \$15.00 (all references herein are to United States dollars) per DVD, CD, or UMD, if the media proves to be defective after the expiration of the ninety (90) day warranty period, provided that the request is made within a reasonable time from purchase, and LucasArts continues to distribute the DVD, CD, or UMD commercially. To obtain a replacement DVD, CD, or UMD, please return the defective DVD, CD, or UMD only, postage prepaid, to LucasArts, a division of Lucasfilm Entertainment Company Ltd., P.O. Box 29908, San Francisco, CA 94129, accompanied by proof of date of purchase, a description of the defect, and your name and return address, as well as a check for \$15.00 per DVD, CD, or UMD made payable to LucasArts after expiration of the warranty period. LucasArts will mail a replacement to you. In the event that the Software is no longer available, LucasArts retains the right to substitute a similar product of equal or greater value. This warranty is not applicable and shall be void if the defect has arisen through abuse, mistreatment, neglect, or from normal wear and tear. LucasArts has no obligation to provide support, maintenance, upgrades, modifications or new releases under this Agreement.

You expressly acknowledge and agree that use of the Software is at your sole risk. Except for the limited ninety (90) day warranty on the media set forth above, the Software and any related documentation or materials are provided "AS IS" and without warranty of any kind. LUCASARTS EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. LUCASARTS DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET YOUR REQUIREMENTS, THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE SOFTWARE WILL BE CORRECTED. LUCASARTS SHALL ALSO NOT BE LIABLE FOR ANY DELAYS, SYSTEM FAILURES OR SYSTEM OUTAGES WHICH MAY AFFECT ONLINE GAME PLAY OR ACCESS THERETO. LUCASARTS RESERVES THE RIGHT TO DISCONTINUE MAKING THE SERVER AVAILABLE (AND YOUR ABILITY TO PLAY THE GAME) AT ANY TIME AND FOR ANY REASON, THE ENTIRE RISK AS TO THE RESULTS AND PERFORMANCE OF THE SOFTWARE IS ASSUMED BY YOU, AND YOU (AND NOT LUCASARTS) ASSUME THE ENTIRE COST OF ALL SERVICING, REPAIR AND/OR CORRECTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU.

UNDER NO CIRCUMSTANCES INCLUDING NEGLIGENCE, SHALL LUCASARTS, OR ITS DIRECTORS, OFFICERS, EMPLOYEES, LICENSORS, AGENTS OR SUCCESSORS OR ASSIGNS BE LIABLE TO YOU FOR ANY INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOST DATA, LOSS OF BUSINESS INFORMATION, AND THE LIKE ARISING OUT OF THE POSSESSION, USE, INABILITY TO USE, OR MALFUNCTION OF THIS SOFTWARE, INCLUDING WITHOUT LIMITATION, DAMAGE TO PROPERTY AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURY, EVEN IF LUCASARTS OR A LUCASARTS AUTHORIZED REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR LOSS. SOME

JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

YOU AGREE THAT THE LIABILITY OF LUCASARTS ARISING OUT OF ANY KIND OF LEGAL CLAIM (WHETHER IN CONTRACT, TORT, OR OTHERWISE) WILL NOT EXCEED THE AMOUNT YOU ORIGINALLY PAID FOR THE USE OF THE SOFTWARE. YOU AGREE TO WAIVE ANY RIGHT TO EQUITABLE RELIEF, INCLUDING, WITHOUT LIMITATION, ANY INJUNCTIVE RELIEF TO ENFORCE THE TERMS HEREOF. THE PARTIES ACKNOWLEDGE THAT THE LIMITATIONS OF LIABILITY IN THIS AND OTHER PROVISIONS OF THIS AGREEMENT AND THE ALLOCATION OF RISK HEREIN ARE AN ESSENTIAL ELEMENT OF THE BARGAIN BETWEEN THE PARTIES, WITHOUT WHICH LUCASARTS WOULD NOT HAVE ENTERED INTO THIS AGREEMENT. LUCASARTS PRICING REFLECTS THIS ALLOCATION OF RISK AND THE LIMITATION OF LIABILITY SPECIFIED HEREIN.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS DEPENDING ON THE LAWS IN YOUR STATE.

This Agreement is governed in all respects by the laws of the State of California as such laws are applied to agreements entered into and to be performed entirely within California between California residents, and you hereby consent to personal jurisdiction in California. This Agreement will not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded. You and LucasArts each agree that any claim or controversy arising out of this Agreement or the Software shall be settled by expedited binding arbitration in accordance with the rules of the American Arbitration Association. Such arbitration shall take place in Marin County, California, and you waive any claim that such forum is inconvenient. Any such claim or controversy shall be arbitrated solely on an individual basis and shall not be consolidated with a claim of any other party. The arbitrator may not change the terms of this Agreement. The arbitrator may award injunctive or other equitable relief to enforce the terms hereof; provided, however, that no injunctive or equitable relief may be awarded that would enjoin or impair LucasArts' rights or ability to distribute or otherwise market, advertise, promote or exploit the Software. If it is judicially determined that any claim or controversy arising out of or related to this Agreement or the Software cannot be settled by expedited binding arbitration as noted above, then you agree that any such claims or controversies shall be brought and maintained in the state courts located within the County of Marin, State of California or the federal courts of the Northern District of California, and you waive any claim that either such forum is inconvenient. The foregoing shall not preclude LucasArts from seeking any injunctive or other relief for protection of LucasArts' intellectual property rights or similar rights in any court of competent jurisdiction. Because LucasArts would be irreparably damaged if the terms of this Agreement were not specifically enforced, you agree that LucasArts shall be entitled, without bond, other security or proof of damages, to appropriate equitable remedies with respect to breaches of this Agreement, in addition to such other remedies as LucasArts may otherwise have under applicable laws. The prevailing party in any action to enforce this Agreement shall be entitled to recover costs and expenses including, without limitation, reasonable attorney's fees. LucasArts shall have the right, but not the obligation, to defend or settle, at its option, any action or proceeding arising from a claim that your permitted use of the Software infringes or misappropriates any patent, copyright, or other ownership of a third party. You agree to provide LucasArts with written notice of any such claim within ten (10) business days of your first knowledge thereof and to provide reasonable assistance in the defense of such claim. LucasArts shall have sole discretion and control over the defense or settlement of such claim, unless it declines to defend or settle such claim, in which case you are free to pursue such course of action as you reasonably determine. LucasArts is under no obligation hereunder to indemnify or hold you harmless with respect to any actions, proceedings or claims. In the event of such a claim, if LucasArts believes such a claim is likely, LucasArts may: (i) procure for you the right to continue using the Software; (ii) modify the Software so that it becomes non-infringing; or (iii) terminate this Agreement. You agree to comply with any court judgment or other conditions imposed on you or LucasArts as a result of an allegation of patent or copyright infringement (whether by court order, agreement or otherwise), whether or not such judgment or conditions contradict the conditions of this Agreement, including without limitation, ceasing use of the Software.

If any provision of this Agreement is held to be invalid or unenforceable, such provision shall be struck and the validity and enforceability of the remainder of this Agreement shall in no way be affected or impaired thereby and such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable. LucasArts' failure to act with respect to a breach by you or others does not waive LucasArts' right to act with respect to subsequent or similar breaches, nor will any single or partial exercise of any right hereunder preclude further exercise of any other right hereunder. This Agreement sets forth the entire understanding and agreement between you and LucasArts with respect to the subject matter hereof. Except as provided herein, this Agreement may not be amended except in a writing signed by both parties; provided, however, that LucasArts has the right, without notice and/or without a writing signed by both parties, to amend this Agreement in connection with any modifications or updates to the Software.

The license term shall commence as of the date you install or otherwise use the Software. You may terminate this license by disposing of the Software. Without prejudice to any other rights of LucasArts, this Agreement will terminate automatically if you fail to comply with its terms and conditions. In such event, you must destroy all copies of the Software and all its component parts. Your disposal or destruction of the Software and any component parts must be done in accordance with applicable law. Except for the license granted herein and as expressly provided herein, the terms of this Agreement will survive termination.

If the Software is acquired under agreement with the U.S. government or any agency or instrumentality thereof or contractor thereof, it is acquired as "commercial computer software" subject to the provisions hereof, as specified in 48 CFR 12.212 of the FAR and, if acquired for Department of Defense (DoD) units, 48 CFR 227-7202 of the DoD FAR supplement, or sections succeeding thereto.
