⚠ WARNING: PHOTOSENSITIVITY/EPILEPSY/SEIZURES

READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. IMMEDIATELY DISCONTINUE use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- altered vision
- eye or muscle twitches
- loss of awareness
- disorientation
- seizures
- any involuntary movement or convulsion

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
- Avoid large screen televisions. Use the smallest television screen available.
- Avoid prolonged use of the PlayStation 2 system.
Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

1. After your age has been confirmed, the registration code entry screen will be displayed. Enter the PlayOnline registration code (a series of sets of four alphanumeric characters) printed in the back of this manual. PlayOnline IDs: Addendum

Only one PlayOnline ID may be obtained per registration code. Once associated with a PlayOnline ID, a player character (such as those from FINAL FANTASY XI) cannot be transferred to another PlayOnline ID. PlayOnline IDs obtained for the PlayStation 2 version of the software can also be used with the Windows or Xbox 360 versions of the software. However, you cannot use the same PlayOnline ID on two or more machines at the same time.

• Free Services

You can enjoy basic services such as chat, e-mail, and the Friend List free of charge.

• Fee-Based Services

Monthly subscription fees are required for fee-based services such as FINAL FANTASY XI and Tetra Master. These "Content ID fees" are applied toward Content IDs purchased for each fee-based service. Details on billing can be viewed from Service & Support.

- ❖ Monthly service fees apply to a period starting from the first day of the month that the Content ID was purchased to the last day of that month. Even if a Content ID is purchased in the later half of a month, a monthly fee will be incurred for the entire month.

About the Free Trial Period

Each fee-based service comes with a 30-day free trial period. No billing will take place during this time. The length of this free trial period or service fee's prices may change at any time without notice.

Statements

PlayOnline will not issue monthly statements detailing the Content ID fees being charged. However, you can review details of a charge from within PlayOnline by using one of the options described below:

At PlayOnline Login

A message regarding your billing will appear, asking if you would like to review the details of a charge for a given month. Please follow the instructions in the message in order to do so.

Within PlayOnline

Details for charges from the past six months are available for review within PlayOnline as well. To review these charges, please follow the steps below:

PlayOnline Main Menu ➔ Service & Support ➔ Membership ➔ Confirm Service History

Please follow the instructions there to view your billing details.

Declined Payment

If we are declined payment for a charge, either in whole or in part, from the company providing your method of payment, your access to PlayOnline services will be automatically suspended. Your access will also be suspended if we issue a refund on a past payment we have already received, either in whole or in part, to the company providing your method of payment (i.e. a "charge back"). When you next attempt to log in to PlayOnline, a message will notify you of the suspension and briefly explain the reason. If you were unaware of the circumstances behind your account suspension, please contact the company providing your method of payment before contacting the PlayOnline customer support.

To restore your access, you must first pay the amount that is overdue. You can do this by either registering a new payment method (such as a different credit card) or reregistering the current payment method once you have resolved your issues with the company providing it. To do either, please follow the instructions in the message displayed when you attempt to log into PlayOnline.

Unsubscribing from and Rejoining PlayOnline

Reviewing and Changing Member Information

If you would like to review or change the member information you registered during the PlayOnline registration process, you can do so from "Membership" in "Service & Support" from the main menu.

- ❖ You can also change your payment method, confirm your service history, cancel or reactivate Content IDs, and perform Content ID contract extensions from "Membership."

Canceling a Content ID

After cancelling a Content ID, you will no longer be able to use that Content ID's character data from the first day of the following month (or, in the case of free trial periods, from the next day). Even if you cancel all of your Content IDs, as long as you do not unsubscribe from PlayOnline, you will be able to use PlayOnline's basic services (PlayOnline's Friend List, mail, information pages, etc.). Once you have cancelled a Content ID, you will no longer be billed.

You can cancel a Content ID by selecting "Cancel ID" from "Content ID" on the corresponding game's top page or by following the steps below:

PlayOnline Main Menu ➔ Service & Support ➔ Membership ➔ Cancel Content ID

Reactivating a Content ID

A Content ID can be reactivated within 3 months after the Content ID has been cancelled. Even after this period has been exceeded, as long as the original data has not yet been deleted, it may be possible to reactivate the Content ID. However, if the data has already been deleted, reactivation will not be possible.

- ❖ A Content ID cannot be reactivated within the month it was cancelled.

You can reactivate a Content ID by selecting "Reactivate ID" from "Content ID" on the corresponding game's top page or by following the steps below:

PlayOnline Main Menu ➔ Service & Support ➔ Membership ➔ Reactivate Content ID

Unsubscribing From PlayOnline

You will be unable to use PlayOnline, including all PlayOnline Plus services, from the day after you have unsubscribed from PlayOnline. All purchased Content IDs will automatically be cancelled simultaneously with your unsubscription.

To unsubscribe from PlayOnline, go to Service and Support from the PlayOnline Viewer's main menu. From there, proceed to "Guide," then select "Unsubscribing from PlayOnline and cancelling Content IDs." Alternatively, you can call the PlayOnline Information Center to unsubscribe (the caller must be the person whose name is registered on the membership).

Reactivating a PlayOnline Account

If you try to log in to PlayOnline after the unsubscription date (the day following unsubscription), you will be given the option to access the PlayOnline reactivation screen where you can reactivate your PlayOnline account.

You can reactivate your account until 3 months after the unsubscription date. If you perform reactivation procedures after 3 months have passed and your data has not yet been deleted, you will be able to reactivate your account. If your data has been deleted, you will be unable to reactivate your account. If you would like to also reactivate the Content IDs that were automatically cancelled when you unsubscribed, you can perform the reactivation procedures after PlayOnline reactivation has ended by using "Reactivate Content ID." Reactivating your Content IDs will enable you to have the same data you had at the time you unsubscribed.

OTHER ONLINE SERVICES

PlayOnline also includes the online card-game, Tetra Master.

Tetra Master, which first debuted as a mini-game in FINAL FANTASY IX, can now be played online! In FINAL FANTASY IX, Tetra Master was played among residents and characters of the game, but now you can play against anyone in the world, as long as they are connected to PlayOnline. You can also trade or auction your cards, chat with fellow players, or see how you rate by checking the weekly rankings.

There is a monthly charge of US \$1.00 to play Tetra Master. You are only allowed to purchase one Content ID for the game (as of September 2007).

For information on how to play, please refer to the Tetra Master manual accessible from the Tetra Master top page.

FREE TRIAL PERIOD

Each fee-based service comes with a 30-day free trial period. No billing will take place during this time. The length of this free trial period or service fee's prices may change at any time without notice.

TROUBLESHOOTING**THE REGISTRATION PROCESS****Q. Can a child (minor) join PlayOnline?**

ERROR MESSAGES**Q. I received an error message during the connection configuration step of the PlayOnline Viewer installation process.**

A. If you encounter an error message, follow the instructions on screen to resolve it. If you are still unable to resolve the problem, contact the PlayOnline Information Center. (p.50)

PLAYONLINE IDS**Q. Can I change the name assigned to my PlayOnline ID, or transfer it to another person?**

A. You cannot change the name assigned to your PlayOnline ID or transfer it to another person.

Q. Can I change my PlayOnline ID?

A. Once assigned, a PlayOnline ID cannot be changed.

Q. How do I change the password associated with my PlayOnline ID?

A. Use the "Service & Support" page. On the Service & Support top page, select "Membership," then "PlayOnline ID," and then "Change Password."

FRIEND LIST**Q. Can I delete my entire Friend List and start over from scratch?**

- A. Since only one friend list is allotted to each PlayOnline ID, you cannot delete the entire list at once, but you can delete individual friends registered on the list. To delete a friend from your Friend List, select "Friend List" from the PlayOnline Viewer, select the friend you would like to delete, and then select "Delete friend" from the menu. If the friend you have deleted has not deleted you from their Friend List, you will be displayed as offline on their Friend List.

Q. Can I send a message to anyone?

- A. Messages are different from mail in that they can only be sent and received by members of PlayOnline. Furthermore, you cannot send a message to someone who is not registered as a friend or a member of a group you belong to.

Q. Can I read messages that I have sent previously?

- A. Select the "Message List" command on the Friend List. If you wish to view messages sent to each friend, select the friend from the Friend List, then "More Details," then "Message History." However, please be aware that once a certain number of messages have been reached, older messages will be deleted when new messages are saved.

Q. Out of the blue, I received a message from a total stranger.

- A. You either appeared in the results of a friend search, or you were messaged by someone using the same service that you were. If you do not wish to converse with the person, there is no need to reply. If you do not wish to be contacted by the person again, you can add him to your Ignore List.

Q. Whenever I send a message, it is sent from a different handle than I expected.

- A. If you have multiple handles, make sure to use the active handle name information to confirm which of your handles is currently active. If you are using another handle, select the handle you wish to use from the list and choose "Change." If you are currently using services such as FINAL FANTASY XI, you may be sending messages under your character name rather than your handle name.

Q. A friend that should be online is being displayed as offline.

- A. It is possible to set your online status so that you appear offline to all of your friends registered on the Friend List even though you are actually online. For example, either of the following is possible.
- ❖ Your friend has set his online status to "Invisible" and is displayed as being offline.
 - ❖ Your friend has set his active handle to one that you do not have registered on your Friend List and is therefore being displayed as offline. If one of your friend's handles that you do have registered as a friend becomes active, your friend will be displayed as online.

Q. How do I read mail that I have previously received?

- A. Messages that you have received will appear in your "Inbox." Select a mail message from the "Inbox" to read it.

On the FINAL FANTASY XI top page, move the pointer to "Content ID" and press the confirm button. Then, move the pointer to "Cancel" and press the confirm button. Select the Content ID that you wish to cancel and press the confirm button to cancel it.

CAUTION

You cannot cancel a Content ID by simply selecting "Delete Character" on the FINAL FANTASY XI top menu (even if you delete all of your characters with "Delete Character," you will still be billed monthly service fees). Be sure to use the procedures described above to cancel your Content IDs. *(continued)*

CAUTION (CONTINUED)

If you cancel your Content IDs without deleting your characters, you will no longer be able to play FINAL FANTASY XI, but your characters will still be temporarily stored on the server. If you reactivate a Content ID before this data storage period has ended, you will be able to reactivate the character associated with that Content ID. Please only use "Delete Character" when you would like to create a new character with the same Content ID.

Once you have cancelled a Content ID, from the following month, you will no longer be billed for it. If you are billed for a Content ID that you have cancelled, please contact the Square Enix Information Center (the caller must be the person whose name is registered on the membership).

A deleted character can only be reactivated once and only under the following conditions:

- It is still within the specified time period since the character has been deleted.
- The Content ID the deleted character was associated with has been reactivated.
- The character's character data and World cannot be changed.
- If there is another character with the same name as the character you deleted, you will need to rename the character once it is reactivated.
- If your Content ID has been deleted because too much time has passed since the Content ID was cancelled (including cases where the Content ID was cancelled because payment was stopped), the deleted character cannot be reactivated.
- ❖ Refer to Q&A for details on the length of the period mentioned above.
- ❖ For more information on reactivating a Content ID, refer to page 15.

ABOUT CONTENT IDS AND PLAYONLINE IDS

NOTE: MOVIE SCENE SOUND

This game contains Dolby® Digital 5.1 surround sound during select movie scenes. Connect your PlayStation®2 system to a sound system with Dolby Digital surround sound using a digital optical cable. Your sound system will automatically detect Dolby Digital during select movie scenes. If it does not, please refer to your sound system's instruction manual. You need to enable "Dolby Digital 5.1" in the audio options menu of the game. The audio from the analogue stereo cables of the PlayStation may be disabled during Dolby Digital.

Dolby and the double-D symbol are trademarks of Dolby Laboratories.

The Character Creation Process

When you select "Create Character" from the top menu, the character creation screen will appear.

I. RACE AND GENDER

The world of FINAL FANTASY XI is home to many different races. Pick the type that you feel best suits you. Once you begin the game, you will not be allowed to switch races or genders, so please read the description of each race carefully before making your decision.

Hume (Male/Female)

Possibly the most numerous of the five races, Humes have spread from Bastok to live all over Vana'diel. In comparison to the other races, Humes are characterized by having a relatively equal balance of abilities.

Elvaan (Male/Female)

A tall, slender race famed for their swordsmanship, the Elvaan form the majority of the San d'Orian population.

Tarutaru (Male/Female)

The Tarutaru form the majority of Windurst's population and are known for their skill with magic. Although they outwardly resemble small children, their physical appearance belies their true age.

Mithra

A race of catlike humanoids, the Mithra live in Windurst and its surrounding islands. They are characterized by their large ears, long tails, and superior agility. There are very few male Mithra, and only female Mithra venture out into the world.

Galka

The Galka are a physically imposing race, and are the minority population of Bastok. Characterized by their hulking frames, the Galka are renowned for their unsurpassed strength. The Galka reproduce through a form of reincarnation and hence have no specific gender, but are generally considered to be male.

2. CHOOSING A JOB

You must select a job for your character. Each job comes with a certain set of special proficiencies that are collectively referred to as abilities. You will find these special abilities invaluable as you proceed through the game. You can change your job at any time by going to your Mog House.

STANDARD JOBS

The "standard jobs" are the six jobs that you can select when you begin playing the game.

Warrior

Close-combat specialists capable of using a wide variety of weaponry. Have a high defensive rating stemming from the ability to wear many types of armor.

Unable to use magic.

Monk

Martial artists whose bodies are deadly weapons. Can turn even the weakest of weapons into a destructive force.

White Mage

Experts in white magic that specialize in healing and recovery spells. Weak in close combat, and prohibited from using bladed weapons.

Black Mage

Experts in black magic, specializing in offensive spells. Cannot use heavy armor that would compromise their ability to concentrate.

Red Mage

Capable of using both white and black magic; adept at swordsmanship. However, red mages take far longer to master powerful spells than white or black mages due to their broad range of abilities.

Thief

Agile combat support specialists that excel at hindering enemies and stealing their items rather than attacking directly.

EXTRA JOBS

Extra jobs can be selected only after you satisfy certain conditions.

Paladin

Dark Knight

Ranger

Beastmaster

Bard

Ninja

Samurai

Dragoon

Summoner

And more!

3. CHOOSING A NAME

Enter a name for your character. If you receive an error message stating that the name cannot be registered, please try another name for your character.

4. CHOOSING A WORLD

Select the World in which you wish to create your character. Available Worlds will be displayed in white.

- ❖ If you wish to join a friend in his or her adventures, be sure to select the same World your friend has chosen, otherwise you will be unable to meet in Vana'diel!

5. CHOOSING AN ALLEGIANCE

Now that you have made it this far, all that remains is to choose a nation in which you will begin your adventure. You may want to consider the relationships between races in each nation before choosing your allegiance.

When you decide on a country for your character, an opening sequence will play. After the movie has finished, your character will appear on a street in the country of your allegiance. Your journey has just begun!

THE GAME SCREEN

1. Help messages.
 2. The name of another character (refer to p.24 for an explanation of colors).
 3. Directional indicator (compass). Other player characters appear as blue, non-player characters as green, party members as pink, and pet monsters as yellow points. In addition, if you have certain main jobs, monsters will appear as red points.
 4. The log window.
 5. Connectivity information.
 6. Your character's name.
 7. Your character's name, HP, and MP. If you are in a party, the names, HP, and MP of the members will also appear.
 8. Vana'diel time and day, and information on weather conditions.
- ◆ After a certain period of time has elapsed without any new information appearing, the log window will begin clearing itself line by line, and will eventually disappear.

The window that allows your character to interact with the game world is called the action command menu. The commands that appear vary depending on the situation.

Chat

This option will be displayed when targeting a PC. Allows you to select a chat mode.

Attack

This option will be displayed when targeting a monster. Allows you to enter auto-attack mode with the main weapon that you have equipped. When in auto-attack mode, the top selection in the action command menu will become "Switch Target."

Magic

Select this option to open the magic spell selection window.

Disengage/Call for Help

Check

This command displays the targeted PC or monster's information.

Invite

This command is available when the targeted PC is in "Seek Party" status. (p.28)

Fish

There are many places to fish in Vana'diel. You must equip a rod and bait before fishing.

- ◆ Additional commands are available under various circumstances, such as when the player is riding a chocobo.

TARGETING

You can target many objects and characters in the world of FINAL FANTASY XI. You can discern information about a target from the color of its name.

Green	Friendly NPC
White	PC
Yellow	Monster not engaged in battle
Purple	Monster engaged in battle with a third party
Light Blue	Party member
Blue	Player with status set to anonymous

Try pressing the confirm button when another character is in front of you on the screen. You have just "targeted" the character. The targeted character's name will be displayed on the right side of the screen. You can select other on-screen targets by pressing the directional buttons. Press the cancel button to deselect the target.

Press the confirm button while targeting an object or character for the following results:

HEALING

Pressing the [L3] button (or pressing [Ctrl] or [Alt] and the [H] key, or the [*] key on the number pad) while not targeting anything will cause your character to begin healing. HP and MP gradually recover at a fixed rate during the healing process. After a certain period of time, they will fully recover. However, if you are attacked by a monster or move while you are healing, the process will be interrupted. You can press the [L3] button a second time to interrupt the healing process yourself.

You can make your character perform various actions by using text commands. If you own a keyboard, you can press [Space bar] to open the input window, enter one of the commands listed below, and press [Enter].

- ❖ You must begin all text commands with a "/" character. Commands that can be used even if your character has fallen in battle are displayed on a yellow-green background, while those that cannot be used will appear in yellow. THE MAIN MENU

During the game, press the  button or the [-] key on the numeric keypad to open the main menu. Once the main menu is open, you can use the up and down directional buttons to highlight an item. The main menu is broken up into two pages. You can switch between the two pages by pressing the left or right directional button.

For more information, refer to the "Game Guide" section located in the main menu of FINAL FANTASY XI.

YOUR CHARACTER

You can check your character's profile and parameters by selecting "Status" on the main menu. You can select "Magic" and "Abilities" to confirm or use the spells and abilities currently known by your character (abilities are automatically learned as you gain levels, and magic is learned by using an item called a "scroll"). Selecting "Item" will display a list of the items you are carrying (with usable items shown in yellow). This item list can be sorted automatically or customized to whichever order you wish.

EQUIPPING WEAPONS AND ARMOR

By selecting "Equipment" in the main menu, you can equip weapons, armor, and other accessories. Moving the cursor over an equipment slot and pressing the confirm button will display a list of items that can be used for that position. Choose an item from the list and press the confirm button to equip it on your character. Items shown in gray cannot be equipped. Currently equipped items appear in green. When you wish to remove an equipped item, select the item in the list (shown in green) and press the confirm button.

Highlighting an item with the cursor will display a window showing its stats. Be sure to check the required job and level of your equipment.

BATTLE

There are many monsters lurking beyond the walls of the town in which you begin your adventures. Fighting monsters is the path to gaining experience points, gil, and new items for your character.

After targeting the monster you wish to fight, select "Attack" from the action command menu to begin auto-attacking with your equipped weapon.

The following actions can be taken during battle:

- Magic** Use magic available to current jobs
- Ability** Activate special abilities of current jobs
- Item** Use an item carried by your character
- Disengage** Cancel auto-attack
- Call for Help** Select the "Call for Help" command by pressing right on the directional pad when the "Disengage" command is highlighted. Use this command when you wish to request help from players outside of your party.

PARTY

There are many monsters in Vana'diel that are too powerful for one person to defeat alone. Forming a party will allow you to join forces with up to five other players.

IF YOU WANT TO JOIN ANOTHER PARTY AS A MEMBER:

Select "Party" from the main menu, and then choose "Seek Party" to signal to other players that you would like to join a party. A "Seek Party" icon will appear next to your character's name on the screen. If another player sees the icon and tries to invite you to a party, you will receive a message in your log window asking you if you want to join their party. If you would like to join, select "Party" from the main menu, and then choose "Join."

IF YOU WANT TO BECOME A PARTY LEADER AND LOOK FOR MEMBERS:

Select "Party" from the main menu, and then choose "Find Member" to begin searching for members. A list including the name, job, and level of PCs in your region who are in "Seek Party" status will appear. Choose a PC from the list and send them a message saying that you would like them in your party. If the PC wants to join, you should then send an invitation by highlighting their name in the list and selecting "Invite." Alternatively, you can target an on-screen PC in "Seek Party Status" that you want to invite and select "Invite" from the action command menu.

AUTOGROUP

Select "Party" from the main menu, and then choose "Autogroup" to automatically form a party with other PCs who are using the Autogroup option. If the area you are in does not have enough potential members, the search range is broadened to the regional level. When you form a party with this command, you will not be asked to confirm that you wish to join a party. The system chooses the leader at random.

ALLIANCE

"Alliance" allows you to form an alliance among multiple parties. Alliances can consist of up to three parties and a total of 18 PC members.

Forming an Alliance

The leader of party A targets the leader of party B. Then, the leader of party A selects "Party" from the main menu, then "Form Alliance." A message stating "[Character Name] invites you to form an alliance with this party" will appear in the log window of the leader of party B. The leader of party B then selects "Party" from the main menu, selects either "Join" or "Decline," and presses the confirm button. If the leader selects "Join," an alliance will be formed.

MAKING FRIENDS

When you meet people who you would like to keep in contact with, you can register their names on your Friend List so you can view their online status and send messages to each other at any time.

To register a friend, select their name from the search list and choose "Send Message" to send a request for friend registration. If your friend accepts the registration, you will be added to each other's Friend List.

You can use a "linkshell" to talk to several of your friends at once. Give an item called a "linkpearl" to your friends, and they can also become a member of your linkshell.

Certain shops sell "new linkshells," which can be used to create a linkpearl. Trade a linkpearl to PCs in order to increase the number of members in your linkshell group. Members of the same linkshell group can converse with each other using the "Linkshell" chat mode. You can carry as many linkshells and linkpearls as your inventory will hold, so you can also be a member of multiple linkshell groups. Only one linkshell may be equipped at a time, however.

MAKING PURCHASES

SHOPS

You can find shops that sell weapons, armor, and items in the many towns of Vana'diel. You may make purchases or sell goods from your inventory at shops.

AUCTION HOUSE

At each town's auction house, you can bid on items placed up for auction by other player characters, or sell items yourself. First, target one of the auction counters and press the confirm button. A menu will appear that allows you to do the following:

Bid

Bid on equipment or items that are up for sale. You will receive the item if the bid is successful.

Sell

Select an item from your inventory and set the price to place it up for sale. Not all items can be sold.

Sales Status

View a list of items you currently have up for sale. You can select an item from the list and choose "Stop Sale" to remove it from auction.

BAZAAR

The "Bazaar" command allows you to sell your items or equipment to other PCs. To set up a bazaar, select "Bazaar" on the main menu, select the item you want to sell, and set the (per unit) price.

The "Edit Comment" feature allows you to set a comment that will be displayed to other player characters who target and "Check" your character. Once you set a bazaar, the bazaar icon will appear next to your character's name. To purchase an item from another PC's bazaar, you must target the PC, select "Check" from the action command menu, and then choose "View Wares." This will display a list of items for sale. Simply select the item you want and select "Buy" in order to make a purchase.

LEARNING TO "TRADE"

The "Trade" command is used to exchange items, equipment, or gil with other PCs. It is also used to exchange items with NPCs during quests and missions, and for interacting with various quest and mission objectives.

Target the character you wish to trade with, open the main menu, and select "Trade." A message will be sent to the other player. If the other player selects "Trade" from their main menu, a trading window will appear. Choose the item you wish to exchange. Both players must confirm the trade for it to be successful.

CREATING MACROS

Macros are handy automated commands that allow you to record up to six actions and trigger them with a single button press. You will find several prerecorded macros provided for your convenience. You can create your own custom macros by selecting "Macros" from the main menu.

ACCESSING YOUR MACRO LIST

Press and hold **L2** or **R2** button on the analog controller, or hold down the [Ctrl] or [Alt] key to open your macro palettes.

THE LAY OF THE LAND

Selecting "Region Info" from the main menu displays the world map and also allows you to check the current Conquest situation (a competition between nations to seize neutral regions). Select "Map" to view your current area and confirm your location in that area.

You will begin the game with a map for the city and area of the country of your allegiance, but you must find or purchase maps for other areas on your own.

IMMERSE YOURSELF IN AN EPIC STORY

Your experience in FINAL FANTASY XI largely depends on you. There are unavoidable events that occur against Vana'diel's grand historical backdrop, but there are also "missions" and "quests"--events that the player must seek out. Players must experience FINAL FANTASY XI's numerous missions (assignments handed down by the player's home nation) and quests (tasks appointed by NPCs in various towns) in order to fully enjoy and understand Vana'diel's richly detailed storyline and history.

Current and completed quests and missions can be viewed under "Quests" and "Missions" in the main menu.

MOG HOUSE

Your "Mog House" acts as your own personal home in Vana'diel. You will recover all HP and MP upon entering your Mog House, and you may change your job, or store items in your "Mog Safe." Clever use of the Mog Safe will allow you to pick up more treasure on your adventures by freeing up space in your pack.

Your Mog House can be decorated with furniture and used for gardening. And don't forget to check your "Delivery Box"!

- ❖ Furniture cannot be placed or rearranged in Rent-a-Rooms.

ENDING YOUR ADVENTURES FOR THE DAY

Select "Log Out" from the main menu to quit FINAL FANTASY XI and return to the title screen after a 30-second countdown. Select "Log Out" again or cancel healing at any time during the countdown to abort the logout process. When you log out of the game, your character's data will be automatically saved on the server. Selecting "Log Out" does not disconnect you from the PlayOnline server. To disconnect, you must return to the PlayOnline Viewer and select "Log Out."

SHUT DOWN

Select "Shut Down" from the main menu to quit FINAL FANTASY XI, log out from the PlayOnline Viewer, and power down your PlayStation 2 after a 30-second countdown.

- ❖ There is no 30-second countdown when using the "Log Out" or "Shut Down" commands inside your Mog House.

Article 5: User Responsibilities

5.1 Payment Method Information and Information Required for Authorization. As part of your PlayOnline registration process, you will be required to provide an approved payment method, which may be a valid credit card in your name or any other valid payment method that has been approved by SEI. Use of certain basic services in the PlayOnline Service are provided free of charge; however, you acknowledge and understand that a valid payment method must always be maintained with SEI in order to access the PlayOnline Service. In addition, you acknowledge and agree that the payment method you register may be used for age verification purposes (where applicable). Users between the ages of 13 and 17 must have this Agreement executed by a parent or legal guardian. Should you decide to subscribe to any Fee-Based Service, your approved method of payment will be used for payment of any and all applicable fees, which will be charged to you in accordance with the terms of this agreement or other applicable agreements for use of such Fee-Based Service. A parent or legal guardian must also execute such other applicable agreement on behalf of any User between the ages of 13 and 17; thereafter, fees will apply and you will be charged to the payment method you have chosen.

5.2 Subscription Fee. Your access to and use of the Fee-Based Services are contingent upon your timely and complete payment of the applicable Subscription Fee in accordance with this Section 5.2. You acknowledge and understand that your approved payment method will automatically be charged for the Subscription Fee on a monthly basis, at the beginning of each month, and that SEI will not send you any bills

or invoices, but will simply apply the monthly Subscription Fee to the approved method of payment that is registered. Any applicable Subscription Fee for use of Fee-Based Services will be charged to you in advance, and any additional Subscription Fee amounts, such as for the creation of additional game characters, will be charged to you in the first monthly charge after you incur such additional amounts.

(a) Payment of Fee. The Subscription Fee and any additional Subscription Fee amounts will be due and payable at the beginning of each month, and will automatically be charged to the approved payment method that you provided when you registered for the PlayOnline Service. If at any time your payment method should cease to be valid, or should otherwise reject charges, your access to and use of the PlayOnline Services as a whole will be suspended immediately, and you will be required to provide a valid credit card in your name, or other approved payment method, in order to reactivate your account. Before reactivation of your account, all delinquent Subscription Fees will be charged to the valid payment method newly registered. You may incur fees (in addition to the Subscription Fee) for any such reactivation of your account, and you acknowledge and understand that such fees will be charged without further notice to you.

(b) Authorization of Monthly Payment. You hereby authorize SEI and its designated agents to charge any Subscription Fees to your approved payment method at the beginning of each month during the term of this Agreement, and you agree to timely pay all amounts so charged. You understand and agree that all payments to SEI hereunder will be nonrefundable, even if you decide to terminate your access to and use of the Fee-Based Services in the middle of any month or other period for which you have already paid for such access and use.

(c) Late Fees and SEI Rights. In the event that you are late in paying any Subscription Fee due hereunder, or refuse to pay any credit card or other applicable bill containing a Subscription Fee charge (such that SEI incurs fees, penalties, or other expenses as a result thereof), SEI shall be entitled to charge you a late fee at the annual rate maximum allowed by applicable laws, of all amounts due and owing, charged on a monthly basis for so long as you remain delinquent in your payment obligations. SEI shall further be entitled to pass through to you, for prompt payment by you, any and all fees, penalties, or other expenses charged to SEI by any credit card company, bank, collection agency, or any other company or institution as a result of your failure to timely pay all amounts due under this Agreement, together with a 10% administrative fee.

(d) Fee Changes. You acknowledge and agree that SEI may change the amount of the Subscription Fee at any time; provided, however, that such change will be announced by SEI prior to its effective date. If you do not terminate your access to and use of the Fee-Based Services by the first calendar day of the month in which any pricing change takes place, you will be deemed to have agreed to the new pricing, and the Subscription Fee will continue to be automatically charged and due and payable as set forth herein.

5.3 Service Access. You are solely responsible for obtaining and maintaining, at your own expense, all input/output devices or equipment (such as modems, terminal equipment, Hardware and software) and communications services (including, without limitation, long distance or local telephone services or other Internet access) necessary to access the PlayOnline Service, and for ensuring such equipment and services are compatible with all requirements of the PlayOnline Service.

5.4 Account Management. You are responsible for all use of your PlayOnline user account and for the security of your User information (including, without limitation, your password). Unless you are a parent or legal guardian responsible for use of PlayOnline by a child between the ages of 13 and 17 (in which case you have the limited right and ability to permit use of your PlayOnline user account only by your child or children and only if they are between the ages of 13 and 17), you shall not transfer or permit any other person to use your PlayOnline user account, and you are solely responsible for maintaining the confidentiality of all of your User and account information. You will be responsible for any and all damage (whether to SEI, other Users, or any third party) that may result from use of your User ID and password by others. You agree promptly to notify SEI if you lose or forget your User ID or password, or if you believe that others are making use of your PlayOnline user account.

5.5 Personal Information Management. You understand that your use of the PlayOnline Service will require that you disclose to SEI certain personal and personally identifiable information, and you acknowledge that you have read and agree to all of the terms of the Privacy Policy, which discusses our information gathering and dissemination practices. The Privacy Policy is hereby incorporated into this Agreement by this reference. In the event of any conflict between this Agreement and the Privacy Policy, this Agreement shall prevail.

5.6 Online Conduct. You, and not SEI, are responsible for your conduct at all times during your use of the PlayOnline Service. SEI makes no guarantee of the accuracy, correctness, or completeness of any material transmitted or otherwise provided to you during your use of PlayOnline (including, but not limited to, your use of any Fee-Based Services). Without limiting the foregoing, SEI will not be responsible for (a) any errors or omissions arising from your use of the Software or your access to or use of PlayOnline; (b) any losses or damages (including without limitation any lost data, opportunity, profits or revenue) arising from your use of

the PlayOnline Service, the Software or any materials or services provided by SEI or by any third party; or (c) any inappropriate conduct, harassment, use of foul, obscene or otherwise inappropriate language by other Users or any third parties.

5.7 Indemnification. You will indemnify, defend, and hold SEI harmless against any and all claims, suits, actions, expenses, attorney and other legal fees and costs arising from your use of the PlayOnline Service or the Software and relating to (a) your breach of any provision of this Agreement, or the inaccuracy of any of your representations in this Agreement or made in connection with your registration for a PlayOnline user account; (b) your violation or infringement of any proprietary or privacy rights of any third party; (c) any User content or information you provide or otherwise generate, including, without limitation, your transmission of any unlawful, libelous, offensive, or defamatory content, or content deemed obscene or harmful to minors; or (d) any third-party claims arising out of or relating to your use of the PlayOnline Service or the Software.

Article 6: Disclaimer of Warranties and Limitation of Liability

6.1 Disclaimer. You understand and acknowledge that use of the PlayOnline Service and/or the Software may result in unpredictable damage or loss to you, including, without limitation, unexpected results or loss of data. All products and services relating to this Agreement, including, without limitation, the PlayOnline Service, the Software and the Documentation, are provided "AS IS" without warranty of any kind. TO THE MAXIMUM EXTENT PERMITTED BY LAW, SEI EXPRESSLY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, REGARDING THE PLAYONLINE SERVICE AND SOFTWARE, INCLUDING (BUT NOT LIMITED TO) ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT. SEI does not warrant that the PlayOnline Service or the Software will meet your expectations or requirements, or that the operation of the PlayOnline Service or the Software will be uninterrupted or error free. The entire risk as to the quality and performance of the PlayOnline Service and the Software is with you.

Without limiting the generality of the foregoing, SEI may in certain instances elect to provide a 90-day limited warranty on the software, or on certain aspects thereof. This warranty, if provided, will be described in the written Documentation provided with the software, and you should refer to the Documentation for the specific terms and conditions of this limited warranty, as well as any eligibility requirements.

6.2 Limitation of Liability.

(a) You acknowledge that SEI has the right to monitor the use of your PlayOnline account to verify your compliance with the terms and conditions of this Agreement. You further acknowledge that, in the event that SEI suspects that you may not be in compliance with any of the terms of this Agreement, SEI may use any method permitted by applicable law to verify your compliance. If SEI believes (in its sole discretion) that you are not in compliance with any of the terms of this Agreement, SEI may, in addition to any other remedy available to SEI, immediately suspend or terminate your PlayOnline user account without any prior notice to you, and you hereby agree that such decision by SEI is final.

(b) You are not entitled to receive damages from SEI for any cause relating to this Agreement, to your use of PlayOnline or the Software, or to any materials or services provided by any third party in connection with your use of PlayOnline or the Software. In addition, in no event will you be entitled to obtain any injunctive relief or otherwise enjoin, restrain, or otherwise interfere with SEI or with the distribution, operation, development, or performance of the PlayOnline Service, the Software or any related products and services.

(c) IN NO EVENT SHALL SEI BE LIABLE TO YOU OR TO ANY THIRD PARTY FOR ANY DAMAGES WHATSOEVER ARISING OUT OF YOUR USE OR INABILITY TO USE THE PLAYONLINE SERVICE OR THE SOFTWARE, INCLUDING WITHOUT LIMITATION ANY SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOSS OF DATA, LOST PROFITS, OR LOST BUSINESS OPPORTUNITIES, REGARDLESS OF THE LEGAL THEORY UNDER WHICH SUCH DAMAGES ARE SOUGHT, AND EVEN IF ADVISED IN ADVANCE OF THE POSSIBILITY OF SUCH DAMAGES. WITHOUT LIMITING THE FOREGOING, IN NO EVENT WILL SEI'S TOTAL LIABILITY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR WITH ANY PRODUCTS OR SERVICES PROVIDED HEREUNDER EXCEED THE HIGHEST AMOUNT PAID BY YOU IN A SINGLE MONTH TO SEI AS YOUR SUBSCRIPTION FEE FOR USE OF THE PLAYONLINE SERVICE AND/OR ANY RELATED PRODUCTS OR SERVICES.

(d) AS SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

Article 7: General Terms

7.1 Governing Law and Jurisdiction. This Agreement shall be governed by California law, without reference to its rules regarding conflicts of law. Each party hereto hereby irrevocably submits and consents to the sole and exclusive jurisdiction of the courts of the State of California and of the United States of America located in the County of Los Angeles for any action, suit or proceeding arising out of or relating to this Agreement.

Pursuant to 17 U.S.C. § 512, as amended by Title II of the Digital Millennium Copyright Act (the "Act"), SEI will terminate the account of any User who uses his or her account privileges to unlawfully transmit copyrighted material without a license, valid defense or fair use

privilege to do so. After proper notification by the copyright holder or its agent to SEI and later confirmation through court order or an admission by the User that his or her account has been an instrument of unlawful infringement, SEI will terminate the infringing User's account. In addition, pursuant to 17 U.S.C. § 512(c), SEI has implemented procedures for receiving written notification of claimed infringements and for processing such claims in accordance with the Act. SEI is dedicated to respecting and upholding the intellectual property rights of others, and we ask our Users to do the same. If you believe that your copyright has been infringed through the use of a PlayOnline account, please contact PlayOnline Information Center.

7.3 Severability. If any provision of this Agreement is determined by any court of competent jurisdiction to be invalid or unenforceable, such provision will be interpreted to the maximum extent to which it is valid and enforceable, all as determined by such court in such action, and the remaining provisions of this Agreement will, nevertheless, continue in full force and effect without being impaired or invalidated in any way.

7.4 No Waiver. No waiver by SEI of any term, provision or condition of this Agreement, whether by conduct or otherwise, in any one or more instances, shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition or as a waiver of any other term, provision or condition of this Agreement.

7.5 Entire Agreement. This Agreement, together with all incorporated documents (including, without limitation, the Privacy Policy, any and all software license agreements, any and all user agreements, and the Rules), constitutes the entire understanding and agreement between the parties with respect to the subject matter hereof and supersedes any and all prior or contemporaneous oral or written communications with respect hereto, all of which are merged herein. I. Background on This Privacy Policy

Square Enix, Inc. ("SEI") is committed to respecting the privacy rights of those customers, visitors, users, and other participants (collectively, "Users") who use the PlayOnline online, membership-based entertainment service ("PlayOnline"). PlayOnline includes the PlayOnline Viewer and certain multi-player online games, as well as such other products and services as SEI may elect to make available to Users from time to time. This privacy policy (this "Policy"), which is an important part of the PlayOnline Member Agreement (the "Member Agreement"), describes the information SEI collects from Users, and how and why that information is collected, used, and stored. As a User of PlayOnline, you acknowledge that you understand SEI will be collecting information from you, some of which may be personally identifiable information, and by accessing and using PlayOnline, you consent to the collection and use of that information in accordance with this Policy. In addition, you understand and agree that, by using PlayOnline to play online games, certain information about you will be available to other Users (as explained in this Policy or in the documentation applicable to such online games), and SEI cannot control, and will have no responsibility for, the actions of such other Users with respect to that information about you.

II. A Note Concerning Use of PlayOnline by Users under the Age of 18

SEI strongly encourages parents and legal guardians to take an active role in supervising Internet use by their children, protecting their children's privacy, and preventing inappropriate uses of information about their children. Parents and legal guardians are fully responsible for compliance with this Policy and for any use of PlayOnline by their children, and are further responsible for educating their children as to the data collection practices of SEI and the importance of protecting personally identifiable information at all times. An additional resource on use of the Internet by children is available on the website of the Federal Trade Commission located at <http://www.ftc.gov/bcp/online/edcams/kidzprivacy/index.html>.

Children ages 13 to 17 ("Permitted Minors") may use PlayOnline, provided that a parent or legal guardian first provides his or her consent to such use and agrees to supervise (and accept all responsibility for) the Permitted Minor's use of PlayOnline. We regret that use of PlayOnline by children under the age of 13 is strictly prohibited. PlayOnline is in no way intended for or directed at any User under the age of 13, and if we learn that information has been collected from anyone under the age of 13, that information will promptly be deleted. We reserve the right to suspend the account of any User who provides access to PlayOnline in violation of this Policy or of his or her Member Agreement.

III. SEI Data Collection and Use

A. What Personal Information Does SEI Collect?

As a User, information about you will be collected (i) during the registration process, when you provide us with personally identifying information, (ii) by our PlayOnline technology, which automatically collects information on your use of PlayOnline as you access the various products and services, and (iii) in the PlayOnline Viewer, which stores any information that you voluntarily provide and tracks your usage as you access and participate in interactive products and services such as online games, E-mail, chat rooms, and friend lists. These various kinds of information are described in more detail below.

1. Information Collected During the Registration Process

We require Users to register with us in order to access a number of the products and services offered on PlayOnline. During registration, we ask you to provide us with certain information that personally identifies you (referred to herein as "Personal Information"). Personal Information may include your name, date of birth, telephone number, mailing address, E-mail address, and credit card account information, as well as any other information that may be used to identify you. Personal information is collected so that we can provide you with the PlayOnline services you requested, contact you to verify your Personal Information or PlayOnline account activities, notify you if there is a problem with your account, and enhance the services that we provide to you. After registration, you will be given a PlayOnline ID and a PlayOnline E-mail address, and asked to choose your own passwords. We strongly suggest that Users not choose passwords that can be easily recognized or guessed by others, and that they take steps to protect the confidentiality of their password information.

2. Collection of Traffic Data

SEI may also collect certain anonymous usage data, such as pages visited and services used within PlayOnline (collectively, "Traffic Data"). This information is not Personal Information and generally is not aggregated with Personal Information. We generally use Traffic Data to improve our services to you and to customize and enhance your PlayOnline experience.

3. Information Provided During Usage

The PlayOnline Viewer includes E-mail, friend lists and chat rooms where Users may voluntarily post or exchange information, including (but not limited to) Personal Information. Users can also communicate with each other through their players and characters while using PlayOnline to play online games. While Users

have complete discretion over whether they share Personal Information with other Users while enjoying these services. SEI strongly suggests that Users not reveal their Personal Information in this way. Please note that such Personal Information is stored by SEI as non-public information. SEI reserves the right to access and/or monitor Users' personal files, E-mails, and chat room and online game conversations.

While using PlayOnline, Users (including Permitted Minors) may receive or be exposed to information that is offensive, hostile, or unsuitable to them. SEI has addressed this problem, in part, by providing an automatic (i.e., unmonitored) filtering system in chat rooms and online games that allows Users to elect to block such information while they are using these services. Although we believe that the filtering system will eliminate some exposure to offensive and inappropriate material, we cannot promise that all such material will be eliminated, and we strongly encourage parents and legal guardians to oversee the activities of Permitted Minors. SEI is not and will not be responsible for the disclosure or exchange of any Personal Information by Users in connection with use of PlayOnline, or the receipt of any inappropriate or offensive materials by any Users, including (but not limited to) Permitted Minors, in connection with any use of PlayOnline.

PlayOnline may, from time to time, include certain features for Users (such as the ability to take "screen shots" of a game), which Users can utilize while playing certain online games or using other PlayOnline services. Information obtained by use of these features may include information concerning you and/or other Users (including, but not limited to, Character Data, Player Data, and any other information voluntarily provided by Users). SEI cannot control the acts of Users, the information that Users may include, display or transmit by use of these features, or how any such information is otherwise handled by Users. Users may obtain, display, distribute and perhaps even alter materials (including, without limitation, screen shots) that contain your Character Data, Player Data or other information concerning you. In no event will SEI have any responsibility or liability to you for any conduct involving or claims or losses arising from Users utilizing features of PlayOnline (whether or not similar to those described herein), nor will SEI have any liability to you or to any third party for any information, images, or other data disclosed, distributed or otherwise made available through or as a result of utilizing any features of PlayOnline (whether or not similar to the features described in this paragraph).

B. How Does SEI Use the Information It Collects?

1. Use of Information by SEI

SEI uses Personal Information to respond to your requests for help or information, to complete transactions such as purchases or monthly billing, to verify that you are qualified to use PlayOnline, and for certain other purposes related to our operation of PlayOnline. We may also use Personal Information to notify you of changes in PlayOnline features, Member Agreement terms, or other related SEI agreements, and to send you updates or newsletters about our company and services, and other promotional materials via your PlayOnline E-mail address. In addition, SEI may use or disclose Personal Information and other User information in response to any subpoena or other legal disclosure obligation, or in the event that a User is participating in, or suspected of participating in, prohibited, illegal, or inappropriate activities or threats, including, without limitation, any activities that may endanger any individual's life or property while using PlayOnline as well as any other activities that SEI determines (in its sole discretion) to be inappropriate.

SEI may use information on User-created players and characters, including but not limited to, names and location, for marketing and promotional activities, and may do so without any notice to the Users whose players and characters are used. Such activities may include, without limitation, posting player and character information on SEI websites.

2. Information Shared with Third Parties

We may share your Personal Information with our business partners, advertisers or other business affiliates, who may be responsible for responding to your requests for information, support or assistance. 3. Confidentiality of Personal Information

Except as otherwise provided in this Policy, we will keep your Personal Information confidential and will not share it with third parties, unless SEI reasonably believes use of your Personal Information and/or such disclosure is necessary to: (a) comply with any law, such as in response to a court order or subpoena; (b) protect our rights or any property that we own, operate or control; (c) enforce any Member Agreement or other terms of use applicable to PlayOnline; or (d) protect the rights, safety and/or security of Users or third parties.

4. Security of Personal Information

SEI takes those steps it deems reasonably necessary to protect the security, integrity, accuracy and privacy of the information our Users share with us, including setting up processes to avoid any unauthorized access or disclosure of this information. We will provide you with the capability to transmit your Personal Information via secured and encrypted channels. We will take reasonable steps to protect Personal Information and Traffic Data from unauthorized third parties. We endeavor to maintain accurate Personal Information collected from our Users, and are grateful for your assistance in maintaining the accuracy of

that information while you remain a User of PlayOnline. We also take reasonable steps to require that third parties with whom we share any data provide sufficient protection of that Personal Information.

However, no data transmissions over the Internet can be guaranteed to be 100% secure. Consequently, we cannot ensure or warrant the security of any information you transmit to us and you do so at your own risk. Such information still could potentially be accessed, disclosed, altered or destroyed by breach of our security measures.

If SEI learns of a security systems breach we may attempt to notify you electronically so that you can take appropriate protective steps. By using the PlayOnline service or providing personal information to us, you agree that we can communicate with you electronically regarding security, privacy and administrative issues relating to your use of this service. SEI may post a notice on the official PlayOnline web site if a security breach occurs. If this happens, you will need a web browser enabling you to view the web site. SEI may also send an email to you at the email address you have provided to us in these circumstances. Depending on where you live, you may have a legal right to receive notice of a security breach in writing. To receive free written notice of a security breach (or to withdraw your consent from receiving electronic notice) you should contact us using the forms available under "E-mail Support" in the "Service & Support" section of the PlayOnline Viewer, or call the PlayOnline Information Center at (858) 790-7529.

IV. User Ability to Access, Update and Correct Personal Information

Your Personal Information is available for review from the "Service & Support" section of the PlayOnline Viewer. You may access your personal profile at any time from that "Service & Support" section to review and update your Personal Information.

V. How Users Can Protect Their Personal Information

We are committed to protecting the privacy of your Personal Information, and we urge you to play an active role as well by following these measures when you are using PlayOnline: (a) never give out your PlayOnline ID or password, or permit anyone else to access PlayOnline using your ID and password; (b) immediately report any unauthorized use of your PlayOnline ID or password by using the form available in the "Service & Support" section of the PlayOnline Viewer; (c) immediately report any unauthorized use of your credit card information to the PlayOnline Information Center; and (d) always sign off from your account and log out from PlayOnline when you have finished a PlayOnline session - these actions will help to prevent others from gaining access to your information. SEI will never ask you to disclose your password in any email or chat room, and if you ever receive such a request from someone purporting to be with SEI, please report it to us immediately.

VI. Changes to This Policy

SEI reserves the right, at any time and without notice to you or to other Users, to update or modify this Policy, simply by posting such update or modification on the "Information" section of the PlayOnline Viewer and on the official PlayOnline website (the "Website"). When we do, we will also revise the "last updated" date on this Policy. For changes to this Policy that may be materially less restrictive on our use or disclosure of personal information you have provided to us, we will attempt to obtain your consent before implementing the change. We encourage you to periodically review this Policy to stay informed about how we are protecting the Personal Information we collect. Your continued use of the PlayOnline service constitutes your agreement to this Policy and any updates.

In the event that SEI is acquired by or merged with a third party, or PlayOnline is sold or transferred to another party, or is otherwise no longer under SEI's control, we reserve the right, in any of these circumstances, to sell or otherwise transfer the information we have collected from our Users as part of such merger, acquisition, sale, or other change of control. SEI shall have no liability to you or to any third party for any such deletion, and further shall not be held responsible for any complete or partial deletion done or caused by you, any third party, or other act or occurrence beyond SEI's reasonable control, such as a fire, power outage, natural disaster, terrorist act, equipment failure or any other such act or occurrence, whether or not similar to the foregoing. In addition, your Player Data and other information about you are subject to our PlayOnline Service Privacy Policy, which you should review in its entirety and may be accessed under the "Rules & Policies" section of the PlayOnline Viewer and Website. You agree that you will not store or attempt to store any personal information or player data about other PlayOnline users, except to the extent that such storage is an integral part of the Game and necessary in order for you to play the Game.

(a) Any activities consisting of selling, offering to sell, purchasing, agreeing to purchase, exchanging, or agreeing to exchange "gil" (or any other currency that may be used in the Game from time to time), characters, or Game items for value (including, but not limited to, any payment in kind and any payment in any currency recognized as legal tender in any country, state, territory or other jurisdiction anywhere in the world) through any means or venue, including, without limitation, Internet auctions or other online exchanges;

(b) The use of or participation in the Game for the purpose, in furtherance of, or in preparation for committing any illegal acts (including, by way of example but not limitation, any kind of gambling) or otherwise violating any applicable local, state, national or international law, or any rules or regulations promulgated thereunder;

(c) The interference with or disruption of the Game or the PlayOnline Service or any servers or networks connected thereto, or the failure to obey any procedures, policies, regulations or other requirements of any networks connected to the PlayOnline Service;

(d) The unauthorized use, duplication, transmission, display, performance or distribution of any items owned by you or third parties, or any other commission of any act of copyright, trademark, or patent infringement, trade secret infringement or misappropriation, or any other violation of any intellectual property or other proprietary right;

(e) The impersonation or attempted impersonation of any employee of SEI or any SEI partner or affiliate, any other user of the Game or the PlayOnline Service, or any other person, in a manner intended to deceive or mislead any third party, or in any effort to access the account of another Game player or PlayOnline user;

(f) The use of the Game or the PlayOnline Service to harass any third party, including other users of the Game and PlayOnline Service, or to solicit, encourage or threaten bodily harm or destruction of property; and

(g) Use of any cheat codes or cheat devices.

3.2 Indemnification. You agree to indemnify, defend and hold SEI harmless from and against any and all claims, suits, actions, expenses, attorney and other legal fees and costs arising from your commission of any acts or activities prohibited by this Article 3.

The following warranty and support information applies only to customers in the United States and Canada, and only to original consumer purchasers of products covered by this warranty.

LIMITED WARRANTY

Square Enix, Inc. ("SEI") warrants to the original purchaser of the enclosed product (the "Product") that the media containing the Product (which includes any replacement media provided under this warranty) will be free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase (the "Warranty Period"). SEI's entire liability and your exclusive remedy under this limited warranty shall be, at SEI's option, repair or replacement, without charge, of the whole or affected portion of any Product that proves to be defective in material or workmanship during the Warranty Period.

EXCLUSIONS FROM WARRANTY

This warranty applies only to defects in factory materials and factory workmanship. Any condition caused by abuse, unreasonable use, mistreatment, neglect, accident, improper operation, destruction or alteration, or repair or maintenance attempted by anyone other than SEI is not a defect covered by this warranty. Parts and materials subject to wear and tear in normal usage are not covered by this warranty.

IMPLIED WARRANTIES AND INCIDENTAL AND CONSEQUENTIAL DAMAGES

Under state or provincial law, you may be entitled to the benefit of certain implied warranties. ANY APPLICABLE IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WILL CONTINUE IN FORCE ONLY DURING THE WARRANTY PERIOD. Some states and provinces do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

NEITHER SEI NOR YOUR RETAIL DEALER HAS ANY RESPONSIBILITY FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES RELATING TO YOUR USE OF THE PRODUCT, INCLUDING, WITHOUT LIMITATION, ANY DAMAGES FOR LOSS OF DATA OR LOSS OF PROFIT, OR FOR ANY INCIDENTAL EXPENSES, LOSS OF TIME, OR INCONVENIENCE.

As some states and provinces do not allow the exclusion or limitation of incidental or consequential damage, the foregoing limitation or exclusion may not apply to you.
